INTRODUCTION

PURPOSE OF HANDBOOK

Welcome! Valley Collaborative (the “Collaborative”) considers its employees to be one of its most valuable resources. Their dedication and commitment is unsurpassed, and their leadership and expertise is the heart of the Collaborative’s ongoing and continued success. This Employee Handbook (“Handbook”) has been written to serve as a guide for the employer/employee relationship. All Collaborative employees are required to read this Handbook completely and thoroughly and to become familiar with its provisions.

The Board of Directors for the Collaborative (the “Board of Directors”) reserves the right to change, add or delete any of the provisions in this Handbook at any time. It is not intended to be comprehensive or to address all possible applications of, or exceptions to, the general policies and procedures described. Please address any questions concerning eligibility for a particular benefit, or the application of a policy or practice, to your principal or supervisor or the Human Resources Department. Where a particular benefit is subject to a formal plan, the terms of the formal plan document will control. Violation or failure to comply with the standards and policies outlined in this Handbook will be grounds for corrective action up to and including termination.

Unless you have a separate employment contract with the Collaborative, your employment with the Collaborative is on an at-will basis. This means that either you or the Collaborative may terminate the employment relationship, with or without cause at any time. This Handbook is not an employment contract, or a promise of employment for any specific period of time. This Handbook confers no rights on employees nor does it create any obligations for the Collaborative. Each employee is responsible for following the policies in this Handbook and any others that may be approved by the Board of Directors from time to time.

As a condition of employment, and upon receipt of this Handbook, employees are required to sign and return to the Human Resources Department the Acknowledgement of Receipt of Employee Handbook and Understanding of At-Will Employment Status attached to this Handbook as Appendix D.

ABOUT THE COLLABORATIVE

Valley Collaborative is a group of school districts legally bound in a collaborative governance structure under the provisions of Massachusetts General Laws, Chapter 40, Section 4E. The primary purpose of the Collaborative is to expand the quality of education in its member school districts and participating school districts. The member school districts are: Billerica Public Schools, Chelmsford Public Schools, Dracut Public Schools, Groton-Dunstable Regional School District, Nashoba Valley Technical High School, North Middlesex Regional School District, Tewksbury Public Schools, Tyngsboro Public Schools, and Westford Public Schools. The Collaborative is governed by a Board of Directors comprised of one representative from each of the member school committees.

The Collaborative is a Massachusetts Department of Elementary and Secondary Education approved public school entity. The Collaborative provides high quality academic, therapeutic and transitional services to individuals referred by local school districts and social service agencies. The Collaborative also provides ongoing professional development and training experiences for educators and educational agencies. Recognizing that the educational environment rapidly changes, the Collaborative creates,

adapts, and provides flexible programming to address evolving needs. The Collaborative provides an environment within which students and adults can maximize educational and/or occupational skills. By sharing its resources with multiple school districts and social service agencies, its programs maintain superior quality and reasonable costs to those it serves, by meeting or exceeding state standards, and achieving economies of scale.

Employment

The Collaborative Board of Directors, acting through the Executive Director, has the sole authority to enter into or modify agreements, contracts or take personnel actions with employees. Employees are expected to meet the standards of their position as set by the Massachusetts Department of Elementary and Secondary Education or the Collaborative Board of Directors.

Collaborative employees are required to sign an acceptance letter of his or her appointment of employment and job description ("Appointment Letter"). This Appointment Letter is not a contract of employment, but simply summarizes the position, supervisor, compensation and benefits, and other information relevant to employment with the Collaborative. Job descriptions may be changed from time to time, at which time an employee may be required to review and sign a new or amended Appointment Letter. Collaborative employees are employed on an at-will basis, and tenure is not available in accordance with the laws of the Commonwealth.

The Collaborative reserves the right to transfer personnel between programs on a permanent or temporary basis to best meet the needs of its students or the member and participating school districts.

Upon offer of employment, job applicants may be required to have a physical exam at the employer's expense. The exam may include drug and alcohol screening, as well as the ability to lift. The offer of employment will also be contingent upon a criminal background check and, if applicable a satisfactory driver history report from the Registry of Motor Vehicles.

Employees are also required to follow all collaborative policies and procedures including those listed in the Handbook, those in other publications, as well as those that may be added or modified from time to time. Failure to follow collaborative policies and procedures or perform at a satisfactory level may result in corrective action up to and including termination.

The Collaborative reserves the right to determine the appropriate level of corrective action to be imposed, depending upon the facts and circumstances. The Human Resources Department may conduct an exit interview with any employee who is involuntarily terminated from the Collaborative's employment.

EMPLOYMENT POLICIES

EMPLOYEE PERFORMANCE

Collaborative employees are expected to perform their duties and responsibilities satisfactorily and to meet the performance expectations of the Collaborative. Principals and supervisors will communicate Collaborative expectations to employees and inform them if their work is unsatisfactory. In appropriate circumstances, when an employee's job performance is unsatisfactory or fails to meet the expectations of the Collaborative, a principal or supervisor should counsel the employee with an end toward improving the employee's performance, and the employee may be given a reasonable opportunity to improve his/her work performance to meet the expectations of the Collaborative. An employee's inability to perform his/her duties and responsibilities satisfactorily or his/her failure to improve upon unsatisfactory performance may result in corrective action, up to and including termination. The Collaborative shall, in its sole discretion, determine what actions are appropriate to address an employee's inability to perform

his/her duties and responsibilities satisfactorily.

Performance Evaluation

Educational Staff: Educational staff are subject to evaluation in accordance with the Massachusetts Model System for Educator Evaluation pursuant to 603 CMR 35.00.

Administrative and other Staff: Administrative and other staff are subject to an evaluation of their performance, at least annually. Evaluations should be viewed as constructive, as they are designed to review progress on performance expectations, identify areas of strength and supports needed for making improvements, and restate or update job-related expectations going forward. Completed written performance evaluations must be signed by the relevant employee and principal or supervisor who conducted the evaluation. Performance evaluations will be maintained as a part of employee personnel records in the Human Resources Department.

PROFESSIONAL STANDARDS AND EDUCATIONAL STAFF

For educational staff, employment or continued employment is contingent upon furnishing and maintaining all valid and appropriate registrations, licenses, and certifications qualifying them for their positions, as required by the Department of Elementary and Secondary Education, applicable law, or the Collaborative. It is the employee's responsibility to obtain and maintain such registrations, licenses, and certifications.

FIRST AID, CPR, AND STUDENT RESTRAINT TRAINING

Certain Collaborative positions require, as an essential qualification and precondition to employment, training and/or certification in first aid, CPR, and student restraint training. Employees will be informed of what training or certifications are a precondition for their position. For such positions, employment or continued employment will be contingent upon completing applicable trainings and obtaining and furnishing applicable certifications. It is the employee's responsibility to complete such trainings and to obtain and maintain such certifications. The Collaborative may offer training or courses by which employees can meet these requirements.

With respect to student restraints, the Collaborative maintains a Restraint Prevention and Behavior Support Policy pursuant to 603 CMR 46.00 (the "Restraint Policy"). The Restraint Policy is attached to this Handbook as Appendix A. It is the responsibility of all program staff to read the Restraint Policy, as revised and updated from time to time, to completely and thoroughly become familiar with its provisions, and to ensure that they attend and participate in all required restraint training.

TRAINING AND PROFESSIONAL DEVELOPMENT

Training is an ongoing part of employment. All employees are expected to participate in training activities from time to time, and are encouraged to avail themselves of professional development opportunities.

EQUAL EMPLOYMENT OPPORTUNITY

Non-Discrimination in Employment

The Collaborative is an Equal Opportunity Employer. The Collaborative does not discriminate in its programs, activities, facilities, employment, or educational opportunities on the basis of age, disability, race, color, religion, national origin, gender, gender identity, ancestry, sexual orientation, the results of genetic testing, active military service, pregnancy and pregnancy-related conditions, or any other class of individuals protected from discrimination under state or federal law.

Unlawful discrimination of employees occurring in the workplace or in other settings in which employees may find themselves in connection with their employment will not be tolerated by the Collaborative. Further, any retaliation against an individual who has formally or informally complained about discrimination or has cooperated with an investigation of a discrimination complaint is prohibited. To achieve the goal of providing a workplace free from discrimination, the conduct that is described in this policy will not be tolerated, and the Collaborative will implement the procedure described below to address any potential inappropriate conduct.

The Collaborative commits itself and its employees, within the context of state and federal civil rights laws, to ensure equitable participation of employees of all backgrounds in all of its daily operations. This policy applies to all employment practices and employment programs sponsored by the Collaborative. This policy shall apply, but not be limited to the areas of recruitment, selection, compensation, benefits, professional development and training, reasonable accommodation for disabilities, religious practices, promotion, transfer, discipline, termination, layoff, and all other terms and conditions of employment. The Collaborative takes allegations of discrimination seriously. The Collaborative will respond promptly to complaints and where it is determined that inappropriate conduct has occurred, the Collaborative will act promptly to eliminate the conduct and impose any necessary corrective action.

Valley Collaborative's employee recruitment is aimed at reaching all groups, including members of linguistic, ethnic, and racial minorities, females and males, and persons with disabilities. Valley Collaborative conducts a semiannual review of its employment policies and procedures to ensure its employee recruitment practices are aimed at reaching all groups, including members of linguistic, ethnic, and racial minorities, females and males, and persons with disabilities.

Discriminatory Harassment

The Collaborative's separate harassment policy details its commitment to a workplace free of any verbal or physical conduct which is unwelcome, severe or pervasive, and related to membership or perceived membership in a protected class. In short, harassment of employees, students, vendors or volunteers of the Collaborative will not be tolerated.

Reasonable Accommodation

Employees who believe they are disabled as defined under state and/or federal law and who are seeking an accommodation to allow them to perform the essential functions of their positions may contact the Human Resources Department, 40 Linnell Circle, Billerica, Massachusetts 01821, (978-528-7800).

Discrimination Complaints

If any employee believes that he or she has been subjected to unlawful discrimination, the employee has the right to file a complaint with the Collaborative. This may be done in writing or verbally to the Human Resources Department or to a supervisor. The Human Resources Department is also available to discuss any concerns, and to provide information about this policy or the Collaborative complaint process.

Complaints with respect to sexual harassment may be directed to the Title IX Coordinator and complaints with respect to disability-based discrimination may be directed to the 504 Coordinator:

DISCRIMINATION/HARASSMENT COMPLAINT PROCEDURE

I. WHERE TO FILE A COMPLAINT

Any Valley Collaborative student, employee, or third party who believes that a Valley Collaborative student, employee, or third party has discriminated against or harassed them because of their race, color, national origin, sex, disability, or age in admission to, access to, treatment in, or employment in its services, programs, or activities may file a complaint with the Kari Morrin, Director of Human Resources, 504 Coordinator and Title IX Coordinator, 11 Executive Park Drive, N. Billerica, MA 01862, 978-528-7863, kmorrin@valleycollaborative.org who will serve as the grievance officer in such matters.

II. CONTENTS OF COMPLAINTS AND TIMELINES FOR FILING

Complaints under this procedure should generally be filed within twenty (20) days of the alleged discrimination or harassment. Complaints may be submitted orally or in writing. The complainant may select another person to help with the filing of the complaint. Any responsible employee who receives an oral complaint will memorialize the allegations in writing and forward the written allegations to the Kari Morrin, Director of Human Resources, 504 Coordinator and Title IX Coordinator, 11 Executive Park Drive, N. Billerica, MA 01862, 978-528-7863, kmorrin@valleycollaborative.org or designee by the following school day. The written complaint should include the following information:

1. The name and grade level (or address and telephone number if not a student or employee) of the complainant;
2. The name (and address and telephone number if not a student or employee) of the complainant's representative, if any;
3. The name(s) of the person(s) alleged to have committed or caused the discriminatory or harassing action, or event (respondent);
4. A description, in as much detail as possible, of the alleged discrimination or harassment;
5. The date(s), time(s), and location(s) of the alleged discrimination or harassment;
6. The names of all persons who have knowledge about the alleged discrimination or harassment (witnesses) as can be reasonably determined; and
7. A description, in as much detail as possible, of how the complainant wishes to see the matter resolved.

III. INVESTIGATIONS AND RESOLUTION OF THE COMPLAINT

Complaints will be investigated promptly and resolved as quickly as possible. (Any person who alleges discrimination on the basis of a disability relative to the identification, evaluation, or educational placement of a person, who because of a disability is believed to need special instruction or related services, pursuant to Section 504 of the Rehabilitation Act of 1973, Massachusetts General Law chapter 71B, and/or the Individuals with Disabilities Education Act, may use the procedure outlined in the Massachusetts Department of Elementary and Secondary Education's Parents' Rights Brochure, rather than this procedure. Information on this alternative process may be obtained from Kari Morrin, Director of Human Resources, 504 Coordinator and Title IX Coordinator 11 Executive Park Drive, N. Billerica, MA 01862, 978-528-7863, kmorrin@valleycollaborative.org. Respondents will be informed of the charges as soon as the grievance officer deems appropriate based upon the nature of the allegations,

the investigation required, and the action contemplated, and in no case later than fifteen (15) school days following receipt of the complaint. The grievance officer will interview witnesses who are deemed to be necessary and appropriate to determine the facts relevant to the complaint, and will gather other pertinent information. Interviews of students will be conducted in such a way as to reflect the age and emotional condition of the student. The complainant(s) and respondent(s) shall have an equal opportunity to present witnesses and other evidence. Such interviews and gathering of information will be completed within fifteen (15) school days of the receipt of the complaint.

Within twenty (20) school days of receiving the complaint, the grievance officer will meet with the complainant and/or his/her representative and the respondent to review information gathered and, if appropriate, to propose a resolution designed to stop the discrimination or harassment, prevent its recurrence and to correct its effect.

Within ten (10) school days of meeting with the complainant and/or his/her representative and the respondent, the grievance officer will provide written disposition of the complaint to the complainant and/or his/her representative and to the respondent(s), including a statement regarding whether the complaint was found to be credible and whether discrimination was found to have occurred. Where the grievance officer finds that discrimination has occurred, Valley Collaborative will take steps that are reasonably calculated to end discrimination that has been found; prevent recurrence of any discrimination, and correct its discriminatory effects on the complainant and others, if appropriate. The grievance officer will contact the complainant within thirty (30) school days following conclusion of the investigation to assess whether there has been on-going discrimination or retaliation, and to determine whether additional supportive measures are needed. If the grievance officer determines that additional supportive measures are needed, he or she shall offer such measures to the complainant within thirty (30) school days following conclusion of the investigation.

Notwithstanding the above, it is understood that in the event a resolution contemplated by the grievance officer involves disciplinary action against an individual, the complainant will not be informed of such disciplinary action, unless it directly involves the complainant (e.g., a directive to “stay away” from the complainant, as might occur as a result of a complaint of harassment). Any disciplinary action imposed upon an individual will be subject to applicable procedural requirements. All the timelines indicated above will be implemented as specified, unless the nature of the investigation or exigent circumstances prevent such implementation in which case the matter will be completed as quickly as practicable. If the timelines specified above are not met, the reason(s) for not meeting them must be clearly documented.

Confidentiality of complainants/respondents and witnesses will be maintained, to the extent consistent with the obligations of the Valley Collaborative relating to the investigation of complaints and the due process rights of individuals affected.

IV. RETALIATION PROHIBITED

Retaliation against someone because he/she has filed a complaint under this procedure is strictly forbidden. Retaliation against someone who has participated in an investigation is strictly prohibited. Valley Collaborative will take appropriate steps as necessary to prevent retaliation. Acts of retaliation may result in disciplinary action.

Upon request, the grievance officer will provide the complainant with the names and addresses of those state and federal agencies which handle discrimination and harassment matters.

HARASSMENT

Harassment of students by other students, employees, vendors and other third parties will not be tolerated in the Valley Collaborative. The alleged harassment must involve conduct that occurred within the school's own program or activity, such as whether the harassment occurred at a location or under circumstances where the

school owned, or substantially controlled the premises, exercised oversight, supervision or discipline over the location or participants, or funded, sponsored, promoted or endorsed the event where the alleged harassment occurred, against a person in the United States. This policy is in effect while students are on school grounds, school property or property within the jurisdiction of the Collaborative, school buses, or attending or engaging in school sponsored activities.

Harassment prohibited by the Collaborative includes, but is not limited to, harassment on the basis of race, sex, gender identity, creed, color, national origin, sexual orientation, religion, marital status or disability. Students whose behavior is found to be in violation of this policy will be subject to disciplinary action up to and including suspension or expulsion pursuant to disciplinary codes. Employees who have been found to violate this policy will be subject to discipline up to and including, termination of employment, subject to contractual disciplinary obligations.

Employee-to-Student Harassment means conduct of a written, verbal or physical nature that is designed to embarrass, distress, agitate, disturb or trouble students when:

- Submission to such conduct is made either explicitly or implicitly a term or condition of a student's education or of a student's participation in school programs or activities; or
- Submission to or rejection of such conduct by a student is used as the basis for decisions affecting the student.

Student- to-Student Harassment means conduct of a written, verbal, or physical nature that is designed to embarrass, distress, agitate, disturb or trouble students, when:

- Such conduct has the purpose or effect of unreasonably interfering with a student's performance or creating an intimidating or hostile learning environment.

Harassment as described above may include, but is not limited to:

- Written, verbal, or physical (including texting, blogging, or other technological methods) harassment or abuse;
- Repeated remarks of a demeaning nature;
- Implied or explicit threats concerning one's grades, achievements, or other school matter.
- Demeaning jokes, stories, or activities directed at the student.

By law, what constitutes harassment is determined from the perspective of a reasonable person with the characteristic on which the harassment is based. Individuals should consider how their words and actions might reasonably be viewed by others.

The Collaborative will promptly and reasonably investigate allegations of harassment through designation of Title IX Coordinator or building based employees, who may include principals or their designees. The Executive Director will recommend, in consultation with the principals, opportunities to the designated recipients for appropriate training.

Sexual harassment of students by other students, employees, vendors and other third parties will not be tolerated in the Valley Collaborative. The alleged harassment must involve conduct that occurred within the school's own program or activity, such as whether the harassment occurred at a location or under circumstances where the school owned, or substantially controlled the premises, exercised oversight, supervision or discipline over the location or participants, or funded, sponsored, promoted or endorsed the event where the alleged harassment occurred, against a person in the United States. This policy is in effect while students are on school grounds, school property or property within the jurisdiction of the Collaborative, school buses, or attending or engaging in school sponsored activities.

Students whose behavior is found to be in violation of this policy will be subject to disciplinary action up to and including suspension or expulsion pursuant to disciplinary codes.

Sexual harassment in the workplace is unlawful. Employees who have been found to violate this policy will be subject to discipline up to and including, termination of employment, subject to contractual disciplinary obligations.

The Collaborative will promptly and reasonably investigate allegations of sexual harassment through designation of a Title IX Coordinator and building based employees, as set forth below

Sexual harassment is unwelcome conduct of a sexual nature. The definition includes unwelcome conduct on the basis of sex that is so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the school's education program or activity. It also includes unwelcome sexual advances, requests for sexual favors, and other verbal, nonverbal, or physical conduct of a sexual nature. Sexual harassment includes conduct by an employee conditioning an educational benefit or service upon a person's participation in unwelcome sexual conduct, often called quid pro quo harassment and, sexual assault as the Federal Clery Act defines that crime.

Sexual violence is a form of sexual harassment. Sexual violence, as the Office of Civil Rights (OCR) uses the term, refers to physical sexual acts perpetrated against a person's will or where a person is incapable of giving consent (e.g., due to the student's age or use of drugs or alcohol, or because an intellectual or other disability prevents the student from having the capacity to give consent). A number of different acts fall into the category of sexual violence, including rape, sexual assault, sexual battery, sexual abuse and sexual coercion.

Massachusetts General Laws Ch. 119, Section 51A, requires that public schools report cases of suspected child abuse and neglect, immediately orally and file a report within 48 hours detailing the suspected abuse to the Department of Children and Families. For the category of sexual violence, in addition to Section 51A referrals, these offences and any other serious matters shall be referred to local law enforcement.

While it is not possible to list all those additional circumstances that may constitute sexual harassment, the following are some examples of conduct, which if unwelcome, may constitute sexual harassment, depending on the totality of the circumstances, including the severity of the conduct and its pervasiveness:

- Unwelcome sexual advances-whether they involve physical touching or not;
- Sexual epithets, jokes, written or oral references to sexual conduct, gossip regarding one's sex life; comment on an individual's body, comment about an individual's sexual activity, deficiencies, or prowess;
- Displaying sexually suggestive objects, pictures, cartoons;
- Unwelcome leering, whistling, brushing against the body, sexual gestures, suggestive or insulting comments;
- Inquiries into one's sexual experiences; and,
- Discussion of one's sexual activities.

The legal definition of sexual harassment is broad and in addition to the above examples, other sexually oriented conduct, whether it is intended or not, that is unwelcome and has the effect of creating an environment that is hostile, offensive, intimidating, to male, female, or gender non-conforming students or employees may also constitute sexual harassment.

Because the Collaborative takes allegations of harassment, including sexual harassment, seriously, we will respond promptly to complaints of harassment including sexual harassment, and following an investigation where it is determined that such inappropriate conduct has occurred, we will act promptly to eliminate the conduct and impose corrective action as is necessary, including disciplinary action where appropriate.

Please note that while this policy sets forth our goals of promoting an environment that is free of harassment including sexual harassment, the policy is not designed or intended to limit our authority to discipline or take remedial action for conduct which we deem unacceptable, regardless of whether that conduct satisfies the definition of harassment or sexual harassment.

A complainant is an individual who is alleged to be the victim of conduct that could constitute sexual

harassment. A respondent is an individual who has been reported to be the perpetrator of conduct that could constitute sexual harassment or a violation of this policy.

Retaliation against a complainant, because the Complainant has filed a harassment or sexual harassment complaint or assisted or participated in a harassment or sexual harassment investigation or proceeding, is also prohibited. It is unlawful to retaliate against a Collaborative employee for filing a complaint of sexual harassment or for cooperating in an investigation. A student or employee who is found to have retaliated against another in violation of this policy will be subject to disciplinary action up to and including student suspension and expulsion or employee termination.

The complainant does not have to be the person at whom the unwelcome sexual conduct is directed. The complainant, regardless of gender, may be a witness to and personally offended by such conduct.

NOTICE OF SEXUAL HARASSMENT

The federal regulations require a school district to respond when it has actual knowledge of sexual harassment. Schools have actual knowledge when an allegation is made known to any school employee. Schools must treat seriously all reports of sexual harassment that meet the definition of harassment and the conditions of actual knowledge and jurisdiction as noted whether or not the complainant files a formal complaint. A formal complaint is a document filed by a complainant or signed by the Title IX Coordinator alleging sexual harassment against a respondent and requesting that the Collaborative investigate the allegation of sexual harassment. Schools are required to investigate every formal complaint and respond meaningfully to every known report of sexual harassment.

Upon receipt of allegations the Title IX Coordinator shall promptly contact the complainant confidentially to discuss the availability of supportive measures, consider the complainant's wishes with respect to supportive measures, inform the complainant that supportive measures are available with or without the filing of a formal complaint, and explain the process for filing a formal complaint. Supportive measures include, but are not limited to, non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the complainant or the respondent before or after the filing of a formal complaint or where no formal complaint has been filed. Such measures are designed to restore or preserve equal access to education programs or activities without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the Collaborative's educational environment, or to deter sexual harassment. Supportive measures may include counseling, extensions of deadlines or other course-related adjustments, modifications of work or class schedules, school building/campus escort services, mutual restrictions on contact between the parties, changes in work locations, leaves of absence, increased security and monitoring of certain areas of the building/campus, and other similar measures.

Where there has been a finding of responsibility, the regulations require remedies designed to restore or preserve access to the school's education program or activity.

DUE PROCESS PROTECTIONS

Due process protections in connection with investigation and decision-making regarding a complaint include the following:

- 1) If the allegations do not meet the definition of sexual harassment or do not satisfy the requirements regarding location or connection to an educational program of the collaborative, the allegations shall be dismissed for purposes of Title IX, but may be investigated and addressed under other prohibitions in the student discipline code, relevant collective bargaining agreements or other laws under which they fit;
- 2) A presumption of innocence throughout the grievance process, with the burden of proof on the school;
- 3) A complainant's wishes with respect to whether the school investigates will be respected unless the

Title IX Coordinator determines that signing a formal complaint to initiate an investigation over the wishes of the complainant is not clearly unreasonable in light of the known circumstances;

- 4) A prohibition of the single investigator model, instead requiring a decision-maker separate from the Title IX Coordinator or investigator;
- 5) Proof by a preponderance of the evidence, subject to limitations;
- 6) The opportunity to test the credibility of parties and witnesses through disclosure of evidence and opportunity to submit additional questions, subject to "rape shield" protections;
- 7) Written notice of allegations and an equal opportunity to review the evidence upon filing a formal complaint;
- 8) An objective evaluation of all relevant evidence, inculpatory and exculpatory, and avoidance of credibility determinations based on a person's status as a complainant, a respondent, or a witness;
- 9) Title IX Coordinators, investigators, and decision-makers must be trained and free from bias or conflict of interest;
- 10) A right to appeal from a determination regarding responsibility and from a dismissal of a formal complaint or the allegations therein, where the determination or dismissal involved any of the following: procedural irregularity that affected the outcome; newly-discovered evidence that could affect the outcome; or the Title IX Coordinator, the investigator, or the decision-maker had a conflict of interest or bias that affected the outcome;
- 11) As long as the process is voluntary for all parties, after being fully informed and written consent is provided by both parties, a school may facilitate informal resolution of a formal sexual complaint, but no such informal resolution can be used where the allegations are that an employee sexually harassed a student.

The Collaborative may establish an informal investigation process that may, upon the request of the complainant be followed by a formal process.

The Title IX Coordinator or the school building Principal shall be the initial entity to receive the sexual harassment complaint. In all cases the Title IX Coordinator shall be informed, as soon as possible, of the filing of the complaint. Nothing in this policy shall prevent any person from reporting the prohibited conduct to someone other than those above designated complaint recipients. An employee with actual knowledge of conduct that may violate this policy must report to the Title IX Coordinator.

The Collaborative may remove a respondent on an emergency basis after undertaking an individualized safety and risk analysis and determining that an immediate threat to the physical health or safety of any student or other individual arising from the allegations justifies removal. The Collaborative will provide the respondent with written notice and an opportunity to challenge the decision immediately following the removal in accordance with any applicable laws, collective bargaining agreements and student handbooks.

The Executive Director in consultation with the Title IX Coordinator shall designate the principal of each school in the Collaborative, or their designee (or some other appropriate employee(s)) as the initial entity to receive the sexual harassment complaint. Also, in a matter of sexual harassment, the Collaborative shall require that the Title IX Coordinator be informed, as soon as possible, of the filing of the complaint. Nothing in this policy shall prevent any person from reporting the prohibited conduct to someone other than those above designated complaint recipients.

INVESTIGATIONS

The Title IX Coordinator shall designate an investigating officer. The investigation shall be conducted in such a way as to maintain confidentiality to the extent practicable under the circumstances and in compliance with

applicable law. The investigation will be prompt, thorough, and impartial, and will include, at least, a private interview with the person filing the complaint and with witnesses. Also, the alleged harasser will be interviewed. When the investigation is completed, the complaint recipient will, to the extent appropriate, inform the person filing the complaint and the person alleged to have committed the conduct of the results of that investigation.

The investigator shall give the parties equal opportunity to present fact and expert witnesses and other inculpatory and exculpatory evidence; shall give each party the same opportunity to select an advisor of the party's choice who may, but need not be, an attorney; shall send written notice of all interviews or meetings; shall send to the parties evidence directly related to the allegations, with at least 10 days for the parties to inspect, review, and respond; and shall prepare and submit an investigative report that fairly summarizes the relevant evidence to the decision-maker, who shall be designated by the Title IX Coordinator (but shall not be the investigator).

The investigator shall strive to complete investigations within thirty (30) school days of the filing of the formal complaint. Although the Collaborative's goal is to complete investigations generally within thirty (30) school days, the time may be extended for good cause upon written notice to the complainant and respondent. Additionally, the timeline for investigation may be suspended during any informal resolution procedure or meeting. Each party is entitled to be accompanied in interviews by an advisor, who may be a parent/guardian or an attorney, but who may only have limited participation in interviews. Translators will be provided upon request.

After all interviews are conducted and evidence is obtained, the parties and if applicable, their advisors, will have an equal opportunity to inspect, review and respond to any evidence obtained. Prior to completion of the investigative report, the investigator will provide each party all evidence subject to inspection and review and provide each party at least ten (10) school days to provide a response to the investigator. Evidence to be shared may be redacted to protect confidential information under the Family and Educational Rights and Privacy Act ("FERPA") or other federal or state laws and regulations.

DETERMINATIONS

The decision-maker shall issue a written determination regarding responsibility with findings of fact, conclusions about whether the alleged conduct occurred, the rationale for the result as to each allegation, any disciplinary sanctions imposed on the respondent, and whether remedies will be provided to the complainant.

The decision maker assigned will have no conflicts with or biases against either the complainant of the respondent and the decision maker will not be the Title IX Coordinator assigned in the matter or the investigator for the complaint. The decision maker shall review all of the evidence and issue a written determination within fifteen (15) school days of receipt of the matter from the investigator, absent extenuating circumstances. If the decision maker substantiates the allegations of sexual harassment, the decision maker may recommend or impose discipline against the respondent. If the decision maker does not substantiate the allegations of sexual harassment, the complaint will be dismissed.

The decision-maker shall provide the written determination to the complainant and respondent. Confidential student record information and personnel information may be redacted consistent with and as required by state and federal law.

APPEALS

Appeals must be submitted to the Title IX Coordinator within five (5) school days of receipt of the written determination and contain a written statement in support or challenge of the outcome.

When an appeal is filed, the Collaborative shall notify the other party and ensure that the individual deciding the appeal is not the same person as the decision maker who reached the determination regarding responsibility and that the individual has no conflicts of interests and is free of bias. The non-appealing party shall have five (5) school days from the date of receipt of the notice of the appeal to submit a written statement to support or

oppose the outcome.

The individual deciding the appeal shall issue a written decision describing the result of the appeal and rationale for the decision and provide the decision to both parties generally within ten (10) school days of receipt of the non-appealing party's written statement, or in the event no statement is submitted, the date the statement would have been due.

RECORD KEEPING REQUIREMENTS

Schools must create and maintain records documenting every Title IX sexual harassment complaint. This could include mediation, restorative justice, or other models of alternative dispute resolution. Schools must keep records regarding the school's response to every report of sexual harassment of which it becomes aware even if no formal complaint was filed, including documentation of supportive matters offered and implemented for the complainant.

This policy, or a summary thereof that contain the essential policy elements shall be distributed by the Valley Collaborative to its students and employees and each parent or guardian shall sign that they have received and understand the policy.

The Collaborative's Title IX Coordinator is as follows:

Kari Morrin
Director of Human Resources and Title IX and 504 Coordinator
11 Executive Park Drive
N. Billerica, MA 01862

Corrective Action

If it is determined that inappropriate conduct has been committed by one of the Collaborative's employees, the Collaborative will take action as is appropriate under the circumstances. Such action may range from (1) Verbal Warning, (2) Letter of Concern, (3) Written Reprimand, (4) Suspension without Pay, (5) Termination of Employment.

State and Federal Remedies

While the Collaborative hopes that all employees will feel comfortable coming forward and allowing the Collaborative to pursue and internal resolution of the matter in addition to the above, if an employee believes that they have been subjected to unlawful discrimination or retaliation, they may file a formal complaint with either or both of the government agencies set forth below. Using the Collaborative's complaint process does not prohibit employees from filing a complaint with these agencies.

AMERICANS WITH DISABILITIES ACT

The Collaborative complies with the Americans with Disabilities Act ("ADA") and applicable state law pertaining to employees with disabilities. It is the Collaborative's policy to not discriminate against qualified individuals with disabilities in job application, hiring, firing, advancement, compensation, job training, and other terms, conditions, and privileges of employment.

A qualified employee or applicant with a disability is an individual who, with or without reasonable accommodation, can perform the essential functions of their position. The Collaborative will endeavor to provide reasonable accommodations to applicants and employees with disabilities unless doing so causes a direct threat to the employee or others, and/or if the accommodation creates an undue hardship to the Collaborative. Please speak with the Human Resources Department to request an accommodation.

BULLYING PREVENTION AND INTERVENTION

The Collaborative maintains and implements a Bullying Prevention and Intervention Plan pursuant to Massachusetts General Laws, Chapter 71, Section 37O. The Collaborative's Bullying Prevention and Intervention Plan is attached to this Handbook as Appendix B. The Bullying Prevention and Intervention Plan sets forth certain duties of Collaborative employees pertaining to bullying prevention and intervention. It is the responsibility of all employees to read the Collaborative's Bullying Prevention and Intervention Plan, as revised and updated from time to time, completely and thoroughly and to become familiar with its provisions, especially those pertaining to the duties of Collaborative employees.

CRIMINAL HISTORY CHECKS

In order to ensure a safe teaching and learning environment and pursuant to Massachusetts General Laws, Chapter 71, Section 38R, the Collaborative shall have access to Criminal Offender Records Information ("CORI") and fingerprint-based criminal background information, for the purpose of determining the suitability of current and prospective employees, volunteers, consultants, school transportation providers, subcontractors providing services to Collaborative students, all potential employers of students in internship or cooperative education programs, and others who may have direct and unmonitored contact with students.

Criminal Offender Record Information ("CORI")

The Collaborative shall obtain from the Department of Criminal Justice Information Services ("DCJIS"), the state agency authorized to provide CORI to certified agencies, all available CORI for all current and prospective employees, volunteers, consultants, school transportation providers, subcontractors providing services to Collaborative students, all potential employers of students in internship or cooperative education programs, and others who may have direct and unmonitored contact with students. Such CORI shall be accessed not less than every three (3) years with respect to such individuals.

Fingerprint-Based Criminal Background Checks: The Collaborative shall obtain a state and national fingerprint-based criminal background check for all current and prospective employees, volunteers, consultants, school transportation providers, subcontractors providing services to Collaborative students, all potential employers of students in internship or cooperative education programs, and others who may have direct and unmonitored contact with students.

All criminal history checks, including access to CORI and fingerprint-based criminal background information shall be conducted solely for the purpose of meeting the Collaborative's obligations under Massachusetts General Laws, Chapter 71, Section 38R and for other lawful purposes, and in conformity with all applicable laws and regulations. Individuals will be notified that a criminal history check will be conducted.

Access to CORI and the results of fingerprint-based criminal background checks within the Collaborative will be limited to those individuals who are authorized to have such access and have a "need to know." Criminal history information may be shared with each member district with which an individual works or to which the individual provides services. Criminal history information is not subject to public records law, and will be kept confidentially in the Human Resources Department, separate from personnel files.

The Collaborative, subject to applicable law and regulations, shall have sole discretion in making determinations concerning the suitability of subjects of criminal history checks. Any individual who refuses to submit to a criminal history check will not be hired, permitted to continue employment, or permitted to provide services to the Collaborative. Refusal to submit to a criminal history check by a current employee will be cause for immediate termination.

If a criminal record is received, the authorized individual will closely compare the record with the subject's identifying information to ensure that the record relates to the subject. If the Collaborative intends to make an adverse decision based on the results of a criminal history check, the subject will be notified, provided with a copy of the criminal history information obtained, informed of the relevant criminal information that is the basis for the adverse decision, given an opportunity to dispute the accuracy of the report, and provided with information concerning the process for correcting a criminal record so that the subject can pursue correction with the relevant authority, such as the DCJIS.

FITNESS FOR DUTY

Overview

The Collaborative is committed to providing a safe working environment and to protecting the health and safety of students, employees, visitors and Collaborative property. This policy provides a mechanism for identifying and intervening in the event the Collaborative has reason to believe that an employee's physical or mental condition could pose a threat of harm to the safety of others and property.

Definitions

- a. **Fitness for Duty** - The physical and mental health condition that permits the employee to perform all essential job duties in an effective manner and protects the health and safety of oneself, others, and property.
- b. **Reliable Report** - Self-disclosure or third-party opinion about an employee's possible lack of fitness for duty that is considered credible, taking into consideration such factors as the relationship of the reporter to the employee, the seriousness of the employee's condition, the possible motivation of the reporter, and how the reporter learned the information.
- c. **Working Hours** - Those hours beginning with the employee's start time and ending with the employee's quitting time, as well as any time an employee is on-call. All work activities during working hours are included whether they occur on or outside Collaborative properties.
- d. **Medical Evaluation** - An examination performed by a Collaborative designated health professional, including but not limited to a health history, physical and/or psychological examination and any medically indicated diagnostic studies. The cost for this evaluation is paid by the Collaborative.
- e. **Medical Certification** - A document from a medically appropriate, licensed provider

attesting to an employee's fitness for duty following an extended medical absence.

Employee Responsibility

- Report to work fit for duty
- Notify the principal or supervisor when not fit for duty
- Notify the principal or supervisor when observing a co-worker who may not be fit for duty
- Cooperate with a directive and/or referral for a medical evaluation

Principal/Supervisor Responsibility

- Observe the attendance, performance and behavior of employees they supervise
- Interview an employee who appears to be unfit for duty and refer that employee for a medical evaluation when appropriate
- Record the reasons/observations that triggered the fitness for duty medical evaluation referral
- Utilize this policy in a fair and consistent manner, respecting the employee's privacy and the confidentiality of medical information
- Coordinate with the Human Resources Department to obtain medical certification when employee returns to work after absence for medical reasons longer than five (5) days

Procedures

A triggering event occurs when a principal or supervisor observes or receives a reliable report of an employee's possible lack of fitness for duty. Observations may include, but are not limited to, an employee's self-reports, manual dexterity, coordination, alertness, speech, vision acuity, concentration, response to criticism, interactions with parents, children, co-workers, and supervisors, suicidal or threatening statements, change in personal hygiene, and memory. Procedures following a triggering event include, but are not limited to:

1. Principal or supervisor interviews employee, when possible.
2. Principal or supervisor assesses magnitude of safety risk. Contact the Human Resources Department for assistance.
 - A. No Risk: Keep notes of events.
 - B. Minor Risk: Encourage employee to use Employee Assistance Program or seek medical treatment; document event.
 - C. Significant Risk:
 - i. Place employee on paid leave of absence pending medical evaluation (sick leave or paid administrative leave, depending on the situation).
 - ii. Refer employee for medical evaluation.
 - iii. Arrange for employee's safe transportation home if situation warrants.
 - D. Severe Risk:
 - i. Contact police if necessary.
 - ii. Place employee on paid leave of absence pending medical evaluation (sick leave or paid administrative leave, depending on the situation).
 - iii. Refer employee for medical evaluation.
 - iv. Arrange for employee's safe transportation home.

If, after the medical evaluation, the employee is determined not to be fit for duty, the employee may be offered a leave of absence if required under state or federal law. Employees who are not fit for duty at the end of a leave of absence may be separated from employment. Employees whose physical or mental condition qualifies as a disability may be offered reasonable accommodations, if those accommodations will permit the employee to safely perform the essential functions of his/her position without substantial risk of harm to self or others,

and/or they do not impose an undue hardship on the Collaborative.

VIOLENCE IN THE WORKPLACE

The Collaborative has a zero-tolerance policy for workplace violence. The Collaborative is committed to providing an environment free of weapons and dangerous instruments, to minimizing the risk of violence in the workplace, and to responding appropriately should workplace violence occur. The Collaborative will take reasonable steps to protect employees, students, and visitors from potential violence by outsiders when it has advance notice from a reliable source that such violence is a possibility.

The Collaborative prohibits violent acts, harassment, intimidation, threats, assaults, or similar behaviors on Collaborative properties. Where appropriate, the Collaborative will take action related to threats or acts of violence that occur off Collaborative premises. Forms of violence include:

- Physical - shoving, inappropriate touching, hitting, destruction of property, sabotage, stalking or homicide
- Verbal - threats, inappropriate remarks, threats of destruction of personal or Collaborative property
- Visual - threatening or abusive body gestures
- Written – threatening or violent notes, letters, cartoons, graffiti

The Collaborative strictly prohibits the possession of weapons or dangerous instruments in the workplace or on Collaborative premises or at Collaborative sponsored events. The Collaborative reserves the right to inspect all Collaborative premises and items within such premises for weapons and to confiscate such weapons. Such weapons include, without limitation, firearms, including BB guns, whether loaded or unloaded, knives, switchblades, stilettos, batons, nightsticks, any martial arts weapons, and electronic or chemical defense weapons. Dangerous instrument means any instrument, article or substance that, under the circumstances, is capable of causing death or serious physical injury.

Even without an actual threat, employees should report any behavior they have witnessed that they regard as threatening or violent, when that behavior is job related or might be carried out on a Collaborative controlled site, or is connected to Collaborative employment. Employees are responsible for making this report regardless of the relationship between the individual who initiated the threat or threatening behavior and the person(s) who was threatened or was the focus of the threatening behavior. If the employee's principal or supervisor is not available, the employee should report the threat to another supervisor or another member of the management team.

Any person who makes threats, exhibits threatening behavior, or engages in violent acts on Collaborative property will immediately be removed from the premises and will not be allowed on Collaborative premises pending the outcome of an investigation. In the event that an investigation shows that this policy has been violated, the Collaborative will take appropriate action, which may include, but is not limited to, suspension and/or termination of any business relationship, reassignment of job duties, suspension or termination of employment, and/or criminal prosecution of the person(s) involved.

If it has been determined that an employee/individual should not be allowed in a work area, and he/she refuses to leave, local law enforcement will be contacted to escort the employee/individual off the property.

If the Collaborative becomes aware of acts or threats of violence occurring off Collaborative premises in violation of this policy, the Collaborative will conduct an investigation and initiate an appropriate response. Where an employee has reportedly engaged in such behavior off Collaborative premises, the Collaborative may choose to suspend the employee pending an investigation into the circumstances of the alleged behavior. If, in the sole judgment of the Collaborative, it is determined that the employee's conduct violated any terms of this

policy, that employee may be subject to corrective action, up to and including termination.

In connection with the Collaborative's adult service programs, and in accordance with 101 CMR 19.04, the Collaborative maintains a Workplace Violence Prevention and Crisis Response Plan, which is attached to this handbook as Appendix C.

Domestic Violence - Employees who have obtained a restraining order against another person are encouraged to notify their principal or supervisor and/or the Human Resources Department so that the Collaborative may take whatever steps are necessary to avoid the possibility of injury to the employee on Collaborative premises. The Collaborative will make every effort to keep this information confidential to the extent possible under the circumstances. Please also see the Collaborative's Domestic Violence Leave Policy for additional information concerning domestic violence.

DRUG-FREE / ALCOHOL-FREE WORKPLACE

The Collaborative is committed to providing a drug-free and alcohol-free work and educational environment, and to complying with all applicable laws pertaining to maintaining a drug and alcohol-free work and educational environment. Employees are required to report to work in an appropriate mental and physical condition.

Employees are strictly prohibited from reporting to work or any Collaborative sponsored event under the influence of alcohol or drugs. Further, the manufacture, distribution, dispensation, possession, or use of drugs or alcohol, on Collaborative premises or at a Collaborative sponsored event is strictly prohibited. Some of the drugs which are covered under this policy include, among others, marijuana, heroin, hashish, cocaine, hallucinogens and/or medication not prescribed for current personal treatment by a licensed physician.

Any employee who is convicted of any violation of the Massachusetts criminal laws regarding illegal drugs shall report such conviction in writing to the Executive Director within five (5) days of the conviction.

With respect to medications properly prescribed by a licensed physician, employees are expected to follow any directions of their health care provider concerning such prescription medications, and must immediately notify their principal or supervisor if any prescription drug is likely to have an impact on their fitness for duty or job performance.

The Collaborative supports employees who are willing to seek treatment for problems related to alcohol or substance abuse and, to this end, eligible employees may request assistance through wellness programs offered through the Commonwealth Group Insurance Commission (the "GIC"). Employees who voluntarily disclose their substance abuse issues may be permitted to take an unpaid leave of absence for the purposes of entering into rehabilitation. Where required by law, the employee's job will be protected during this leave of absence. Where an unpaid, job-protected leave of absence is not required by law, the Collaborative may grant the employee a leave of absence, with or without job- protection upon completion of the rehabilitation program.

NO SMOKING, VAPING, OR TOBACCO

Use of any vaping or tobacco products within the Collaborative or member district school buildings, school facilities, or on Collaborative property, school grounds or school buses by any individual including school personnel and students is prohibited at all times. An employee determined to be in violation of this policy shall be subject to corrective action up to and including termination. Staff requiring assistance breaking a vaping, smoking or tobacco habit may be eligible for assistance through wellness programs offered through the GIC.

In accordance with Massachusetts General Laws, Chapter 71, Section 2A, it is unlawful for any student enrolled in a public primary or secondary school in the Commonwealth to use tobacco or vaping products of any kind on school grounds.

REPORTING ARRESTS

If an employee is arrested, the incident must be reported by the employee on the next working day to his or her principal or supervisor, who must notify the Executive Director. The Executive Director may authorize the employee's immediate suspension until such time as an investigation discloses that the charge is not prejudicial to the best interest of the Collaborative.

CORRECTIVE ACTION GUIDELINES

All corrective action will be determined on a case-by-case basis. The corrective action imposed will depend upon, but not be limited to, the seriousness of the misconduct and its impact on the Collaborative and its member and participating districts.

It is the Collaborative's general policy to correct employee misconduct before it rises to the level requiring termination. Accordingly, the Collaborative generally uses the following five-step, progressive corrective action process. Those steps consist of: (1) Verbal Warning, (2) Letter of Concern, (3) Written Reprimand, (4) Suspension without Pay, (5) Termination of Employment.

The Collaborative reserves the right to skip or omit steps as deemed reasonable and appropriate based on the severity and frequency of the infraction under consideration, including opting for termination without prior corrective action where appropriate. Accordingly, the Collaborative may terminate any employment immediately with or without Cause.

The following is a list of conduct that constitutes Cause for corrective action, up to and including immediate termination. Because it is impractical to attempt to list all rules and standards that apply to or affect the work of the Collaborative, the work environment, or Collaborative employees, this list is not meant to be exhaustive or to limit the nature of violations that could result in corrective action, but rather is illustrative of conduct that is prohibited.

- Conduct that is unprofessional, inappropriate, or interferes with Collaborative needs or normal operations;
- Inappropriate or unauthorized removal, possession, or use of Collaborative information, property, or documents;
- The possession, use, or sale of alcohol, illegal drugs, or the misuse of legal drugs while on Collaborative premises or while conducting Collaborative business, or while operating Collaborative vehicles or equipment, or reporting to or remaining at work under the influence of alcohol or drugs;
- Fighting, assault, disruptive activity, or threatening violence that impacts the workplace;
- Willfully or grossly neglecting the performance of the duties, responsibilities and obligations owed to the Collaborative;
- Willfully or repeatedly failing to perform the duties and responsibilities of the job to the satisfaction of the Collaborative;

- Grossly negligent, intentional, or improper conduct leading to actual or potential damage to Collaborative property;
- Possession of dangerous or unauthorized materials in the workplace, such as explosives, firearms, or other dangerous weapons or materials;
- Disclosure of confidential client or student information to an unauthorized person or entity;
- Conduct unbecoming of the acceptable standards of the profession;
- Acts of sabotage, including deliberate interference with or hindering Collaborative operations;
- Making or publishing false or malicious statements concerning the Collaborative, its employees, students, clients, or any other individual or organization associated with the Collaborative;
- Failure to observe and abide by Collaborative policies, rules, and practices, including safety practices and rules;
- Willful or repeated failure to observe the Collaborative's dress code;
- Unauthorized distribution of literature or posting notices, writings, or signs of any form;
- Discussing or disclosing confidential Collaborative matters or information with unauthorized individuals or in public areas where conversations can be overheard;
- Engaging in activities that could be considered detrimental or a discredit to Collaborative, or failing to report knowledge of such activities;
- Supplying false or misleading information or omitting material information when applying for employment or at any time during the course of employment;
- Unauthorized use or misuse of Collaborative property or equipment, including telephones and computers, or other information technology;
- Violation of an anti-harassment or anti-discrimination policy;
- Threatening, bullying, or intimidating conduct directed at management, supervisors, fellow employees, clients, students, or visitors;
- Excessive tardiness or absenteeism and failing to report any anticipated absence or lateness to a principal or supervisor;
- Insubordination or the refusal by an employee to follow a principal's or supervisor's instructions concerning a job-related matter;
- Committing an incident of serious workplace conduct or repeatedly violating any Collaborative policy or practice;
- Disrespectful conduct while performing Collaborative duties, using vulgarity or profanity, or failing to show proper respect or courtesy to any student, client, visitor, or employee;

- Abusing sick leave privileges;
- Engaging in misconduct harmful to the Collaborative, including an intentional act of fraud, embezzlement, theft or any other material violation of law that occurs during or in the course of employment with the Collaborative;
- Worker's Compensation fraud;
- Theft, destruction or misuse of Collaborative property or the property of another employee;
- Conviction of, or plea of guilty or *nolo contendere* to, a crime involving moral turpitude, dishonesty, fraud, or any felony of any nature whatsoever (this section shall not include a *first-time* conviction of a DUI, OUI, or DWI provided, however, that such conviction does not result in incarceration or as not otherwise provided within this Handbook);
- Falsifying or altering any Collaborative record, report, or data, such as an application for employment, a time record, an expense record, receipt, or invoice;
- Incompatibility or the inability to function in concert with other employees, rising to the level of disrupting the working environment;
- Failure to obtain or maintain any registration, license or other authorization or approval required to maintain or that the Collaborative reasonably believes is required in order to perform duties; and
- Any other conduct that is detrimental to the operation of the Collaborative or which shows disregard for the interests of Collaborative, its clients, or its employees.

The Collaborative provides a communication channel for all complaints and grievances as follows:

1. Employees may appeal a decision by his or her principal or supervisor or other administrator to the Executive Director.
2. Employees may appeal a decision by the Executive Director to the Board of Directors.
3. All hearings and complaints before the Board of Directors are conducted in the presence of the administrator who made the decision that is the subject of the grievance.

Complaint Resolution Procedure

Misunderstandings or conflicts can arise in any organization. The Collaborative encourages employees to develop effective means of resolving differences that may arise among employees and between employees and administrators; reduce potential areas of grievances; and establish and maintain recognized channels of communication between employees, administration, and the Board of Directors. It is the Collaborative's desire that grievance procedures provide for prompt and equitable resolution of differences at the lowest possible administrative level, and that each employee be assured the opportunity for an orderly presentation and review of complaints and concerns.

Most situations resolve themselves naturally; however, should a situation persist that you believe is detrimental to you or to the Collaborative, you should follow the procedure described here:

Step One: Discuss the issue with your principal or supervisor. If you don't reasonably believe a discussion with your principal or supervisor is appropriate, you may proceed directly with Step Two.

Step Two: Request a meeting with the Human Resources Department, which will consider the facts, conduct an investigation, and review the matter with the Executive Director. You will normally receive a response regarding your concern within ten (10) working days of meeting with the Human Resources Department.

Step Three: If you are not satisfied with the results of Step Two and wish to pursue the complaint further, you may prepare a written summary of your concerns and request that the matter be reviewed by the Executive Director. The Executive Director, after a full examination of the facts (which may include a review of the written summary of your statement, discussions with all individuals concerned, and a further investigation if necessary), will normally render a decision within fifteen (15) working days.

Step Four: If you are not satisfied with the results of Step Two and Step Three, you may pursue the complaint further by preparing a written summary of concerns and submitting it within ten (10) days from the Executive Director's decision to: Collaborative Board of Directors, 40 Linnell Circle, Billerica, MA 01821. The summary will be presented to the Board of Directors at their next scheduled meeting. You may attend the meeting to appeal your case. The meeting will be held consistent with the Massachusetts Open Meeting Law. Decisions by the Board of Directors are final.

REHIRE POLICY

The purpose of this policy is to outline rehire eligibility of former employees who leave the Collaborative voluntarily and in good standing. The Collaborative believes that hiring qualified individuals to fill positions contributes to the overall strategic success of the services provided to the member and participating districts, students, adults, parents and guardians.

Rehire means employing an individual who has left the Collaborative voluntarily and in good standing. The individual may be rehired in the same previously held position or in a different position that best meets the needs of the Collaborative and its member and participating districts.

- All individuals rehired after voluntary resignation are considered new hires.
- The new appointment will commence on the first day the employee returns to work.
- The salary will be determined at time of rehire and placed at the appropriate salary schedule and step as appropriate for a new hire and is subject to the Board of Directors' limitations for annual increases.
- Benefits, including benefits through the GIC will be restored as soon as is practicable based on the rehire date.
- Vacation time (if applicable) and accrued time will be the same as a new employee. The balance available on the termination date will not be restored and no time is accrued for the period of absence.

A rehired employee, who voluntarily terminates less than two (2) years after the date of rehire, is not eligible for rehire in most circumstances. Subsequent employment of this individual will require approval of the Board of Directors.

GENERAL POLICIES

PERSONAL CONDUCT

The Collaborative's reputation in the member districts, participating school systems and communities it serves will be determined by the services it provides, and by the employees who represent it. The Collaborative continues to be proud of those who work for the Collaborative, and the Board of Directors intends for Collaborative employees to be proud of the positions of trust they hold. The Collaborative is especially proud of the confidence and trust placed in it by parents, educators and administrators who expect the Collaborative to provide quality programs and educational instruction to its students. The Collaborative must continue to respect that confidence and trust each and every day.

The Board of Directors and the Collaborative expect the behavior of its employees to be above reproach and to maintain the highest degree of integrity and honesty at all times.

It is your responsibility, as an employee of the Collaborative, to conduct yourself in a manner that contributes to a workplace environment that will be free of behavior that may be discriminatory, advance the mission and goals of the Collaborative, and foster a harmonious working environment that encourages employees to perform at their best.

The Collaborative recognizes that unprofessional and unacceptable personal conduct affecting the workplace contributes to low employee morale, absenteeism, turnover and loss of productivity.

Every employee of the Collaborative is expected to conduct himself or herself in a professional and respectful manner in the workplace. Conduct that brings discredit to the Collaborative, interferes with operation, or is offensive to students, parents, or fellow employees will not be tolerated and may subject the employee to corrective action up to and including termination.

Employees must be familiar with their ethical obligations as public employees and, in certain circumstances, as professionals, and to adhere to them in their relationships with students, parents, fellow employees, and officials of the member districts.

Collaborative employees are expected to follow the policies and procedures of the school in which they work. All employees should introduce themselves to the building principal on their first day in the building and request from the principal information on any special school rules and regulations. Collaborative employees must inform the building principal of any special considerations regarding the Collaborative class or individual students.

WORK OUTSIDE THE COLLABORATIVE

No employee of the Collaborative will engage in or have a financial interest in, directly or indirectly, any activity that conflicts or raises a reasonable question of conflict with the duties and responsibilities of the Collaborative. Nor will any employee engage in any type of private business during work time or on Collaborative property.

Employees considering employment or a consulting opportunity that is "in addition to" their regular job with the Collaborative must certify to the Executive Director, if requested, that such work will not interfere with the efficient performance of the employee's duties; constitute a conflict of interest with the employee's duties; be in competition with the work of the Collaborative; involve disclosure of information or materials developed as an employee of the Collaborative; occur during the employee's regular working hours; conflict with the goals and mission of the Collaborative; or involve confidential information related to the Collaborative.

POLITICAL ACTIVITIES

Employees are prohibited from engaging in political activity and from seeking support or contributions for political parties or candidates from employees, students or family members during regular working hours or at Collaborative sponsored events. No employee is authorized to use his/her professional association with the Collaborative for the purpose of affecting an election or nomination for office of any candidate for public office. Failure to abide by this policy will be grounds for corrective action up to and including termination.

ETHICS / CONFLICT OF INTEREST

The State Ethics Commission requires Collaborative employees to abide by the Conflict of Interest Law. The State Ethics Commission is an independent, non-partisan state agency which provides advice and education on the requirements of the Conflict of Interest Law (Massachusetts General Laws, Chapter 268A), and the Financial Disclosure Law (Massachusetts General Laws, Chapter 268B), and civilly enforces these laws.

The Conflict of Interest law seeks to prevent conflicts between private interests and public duties, foster integrity in public service, and promote the public's trust and confidence in that service by placing restrictions on what employees may do on the job, after hours, and after leaving public service. The following is a brief list of actions prohibited by the law. Detailed explanations can be located in the Summary of the Conflict of Interest Law for Municipal Employees, which has been provided to you.

On the Job Restrictions

- | | |
|------------------------------------|--|
| <u>Bribes</u> - | A bribe is anything of value corruptly received by a public employee in exchange for the employee being influenced in his/her official actions. Giving, offering, receiving, or asking for a bribe is illegal. |
| <u>Gifts and Gratuities</u> - | Asking for or accepting a gift because of your official position, or because of something you can do or have done in your official position, is prohibited. Public employees may not accept gifts and gratuities valued at \$50 or more given to influence their official actions or because of their official position. |
| <u>Misuse of Position</u> - | Using your official position to get something you are not entitled to, or get someone something they are not entitled to, is prohibited. Causing someone else to do things is also prohibited. |
| <u>Self-Dealing and Nepotism</u> - | Participating as a municipal employee in a matter in which you, your immediate family, your business organization, or your future employer has a financial interest is prohibited. |

<u>False Claims</u> -	Presenting a false claim to your employer for a payment or benefit is prohibited, and causing someone else to do so is also prohibited.
<u>Appearance of Conflict</u> -	Acting in a manner that would make a reasonable person think you can be improperly influenced is prohibited. A public employee should consider whether their relationships and affiliations could prevent him/her from acting fairly and objectively when he/she performs their duties for the Collaborative.
<u>Confidential Information</u> -	Improperly disclosing or personally using confidential information obtained through your job is prohibited.

After-Hours Restrictions

<u>Second Job</u> -	Taking a second paid job that conflicts with the duties of your public duties is prohibited.
<u>Divided Loyalties</u> -	Receiving pay from anyone other than the Collaborative on a matter involving the Collaborative is prohibited. Acting as agent or attorney for anyone other than the Collaborative in a matter involving the Collaborative is also prohibited whether or not you are paid.
<u>Inside Track</u> -	Being paid by the Collaborative, directly or indirectly, under some second arrangement in addition to your job is prohibited, unless an exemption applies.

After You Leave Public Employment

<u>Forever Ban</u> -	After you leave your Collaborative position, you may never work for anyone other than the Collaborative on a matter that you worked on as a Collaborative employee. The purpose of this restriction is to bar former employees from selling to private interests their familiarity with the facts of particular matters that are of continuing concern to their former public employer. This restriction does not prohibit former public employees from using the expertise acquired in government service in their subsequent private activities.
<u>One Year Cooling Off Period</u> -	For one (1) year after you leave your Collaborative job you may not participate in any matter over which you had official responsibility during your last two (2) years of public service.

When the Commission determines that the conflict of interest law has been violated, it can impose a civil penalty of up to \$10,000 (\$25,000 for bribery cases) for each violation. In addition, the Commission can order the violator to repay any economic advantage he/she gained by the violation, and to make restitution to injured third parties. Violations of the conflict of interest law can also be prosecuted criminally. Violations of the conflict of interest law may result in corrective action up to and including termination.

The Collaborative is obligated to provide the summary of the law, as posted on the Commission website, to every employee "within thirty (30) days of becoming an employee, and on an annual basis thereafter...." Each employee is required to sign a written acknowledgement that he/she has been provided with such a summary, and such written acknowledgement must be filed with the Human Resources Department.

Also, every Collaborative employee "shall, within thirty (30) days after becoming an employee, and every two (2) years thereafter, complete the online training program. Upon completion of the online training program, the employee shall provide notice of such completion to be retained for six (6) years" by the Human Resources Department. Online training is mandated by state law and can be completed at www.mass.gov/ethics.

RECEIPT OF GIFTS

Employees are prohibited from accepting any gifts or favors of monetary value (\$50 or more) from students, users of Collaborative services family members, employees, suppliers of services of the Collaborative, or from anyone whose interests may be served by the employee's performance or non-performance of his/her duties. Acceptance of nominal gifts in keeping with special occasions, such as Christmas, marriage, retirement, or illness, is permitted.

SOLICITATION AND DISTRIBUTION

The Collaborative wishes to provide a stable, calm environment to enhance the professional environment in which it serves its students. To ensure that there is no interference with this responsibility, to enhance a professional environment and to keep Collaborative's facilities as clean, safe and litter free as possible, you must adhere to the following policy:

Non-Employees

- Persons who are not employed by the Collaborative are not permitted to distribute or post any material or solicit employees for any purpose whatsoever on the Collaborative's grounds, or inside the Collaborative's premises at any time.

Employees

- Each employee's work deserves his/her full attention during scheduled working time. Therefore, no employee shall engage in the solicitation of another employee for any purpose, or in the distribution of any literature to another employee, if either employee is expected to be working at the time.
- No employee shall engage in the distribution of literature in any work area.
- When on free time or break time, employees may solicit as long as they do not solicit employees who are working. Free time such as break time or lunch time is not considered working time.
- No employee may engage in the solicitation of any non-employee for any purpose, or the distribution of any literature to any non-employee at any time on the Collaborative's grounds, or inside Collaborative's premises at any time.

Off-Duty Employees

- When off-duty, you must leave the work building after your scheduled work period ends.

Bulletin Board Postings

- No employee may post any notice or other literature in the workplace, including bulletin boards, without prior approval.

The Human Resources Department must be notified immediately in the event that any employee observes any unauthorized persons on the Collaborative's grounds, or inside the Collaborative's premises and/or the unauthorized distribution of any form of literature.

Violations of this policy will result in corrective action up to and including termination.

WHISTLEBLOWER POLICY

The Collaborative is committed to operating in a legal and ethical manner. All Collaborative employees and administrators are expected to practice honesty and integrity in fulfilling their responsibilities and to comply with all applicable ethical obligations, laws and regulations.

This policy is intended to encourage and enable employees to report concerns about unethical, illegal, or dishonest activity or other misconduct involving the Collaborative's operations and affairs. Such activity may include but is not limited to:

1. fraud or deliberate misrepresentation in the preparation, review or audit of the Collaborative's financial statements;
2. fraud or deliberate misrepresentation in the recording and maintaining of financial records of the Collaborative;
3. deficiencies in or noncompliance with the Collaborative's internal accounting controls;
4. misrepresentation or false statement regarding a matter contained in the Collaborative's financial records, financial reports, or audit reports;
5. theft or misuse of the Collaborative funds or other assets;
6. conduct that violates the policies contained in this Handbook; and
7. any other illegal or improper conduct.

Any employee who, in good faith, reports a concern will not be subject to adverse employment consequences or retaliation. Similarly, any employee who refuses to obey an order or instructions that would require the employee to violate a law, rule, or regulation also is protected from adverse employment action or retaliation. Any employee with knowledge or concern about any activity described above is encouraged to report such concerns to their principal or supervisor, the Human Resources Department, or the Executive Director. Such reports may be made either verbally or in writing. In order to permit a thorough and complete investigation of the activity at issue, such reports must contain as much specific information as possible as to the time, date, and nature of the reported activity, but need not be signed by the employee.

Reports of concerns shall be kept confidential to the extent possible, consistent with the need to conduct an adequate investigation. All reports will be promptly investigated by, or under the direction of, the Executive Director, and appropriate corrective action will be taken, if warranted by the investigation. The Collaborative has the authority to retain outside legal counsel, accountants, private investigators, or any other resource deemed necessary to conduct a full and complete investigation of the allegations.

Anyone reporting a concern must act in good faith and have reasonable grounds for suspicion of the activity at issue. Reports or allegations that prove to have been made maliciously, recklessly, or with the knowledge that the report or allegations are false will be viewed as a serious disciplinary offense and may result in corrective action, up to and including termination. Disclosure of reports of concerns to individuals not involved in the investigation will also be viewed as an offense subject to corrective action.

ANTI-THEFT

Stealing or attempting to steal from the Collaborative or from other employees will not be tolerated. Materials may not be removed from school premises without approval. The Collaborative reserves the right to define "materials" in specific instances but, generally, if it doesn't belong to you, leave it on the

premises.

This policy extends beyond "materials." Falsifying timesheets is also considered theft. Stealing is grounds for immediate termination and may cause the Collaborative to bring criminal charges.

PERSONNEL FILE

Employee files are maintained by the Human Resources Department and are considered confidential. Principals and supervisors other than the Human Resources Department may only have access to personnel file information on a need-to-know basis. A principal or supervisor considering the hire of a former employee or transfer of a current employee may be granted limited access to that file to view performance reviews, warnings, trainings and resumes. Personnel files may not be taken outside of the department.

To keep necessary records up to date, it is MANDATORY that employees notify the Human Resources Department of any changes in:

- Name
- Address and/or Telephone Number
- Family Status (marriage, divorce)
- W-4 Deductions
- Beneficiary Update
- E-mail Address
- Emergency Contact Information
- Benefit election based on an event-change in marital status, birth or adoption of a child, etc.
- Licensure, certification or degree changes

Employees having changes to any of the above information must contact the Human Resources Department to obtain a change form. The updated form must be returned within ten (10) days of the change to ensure proper notification to all departments.

Personnel files are the property of the Collaborative. You may review your personnel file or obtain copies of your file within five (5) business days of a written request. If you do not agree with any of the information in your personnel file, you may submit a written statement explaining your position, which will be included in the file. It is the Collaborative's policy not to release any information about you, other than the dates of employment and job title, to external sources without your prior written consent, except where such release is authorized or required by law.

CONFIDENTIALITY AND PRIVACY

The Collaborative complies with Regulation 210 CMR 17.00 Standards for the Protection of Personal Information of Residents of the Commonwealth of Massachusetts (Massachusetts General Laws, Chapter 93H). In this regard, the Collaborative will meet or exceed the standards to be met in the safeguarding of personal information contained in both paper and electronic records to (i) ensure the security and confidentiality of such information; (ii) protect against anticipated threats or hazards to the security and integrity of such information; and (iii) protect against unauthorized access to or use of such information in a manner that creates a substantial risk of identity theft or fraud.

Any information pertaining to employees, to the operation of the Collaborative, to students and others served by the Collaborative, which is received or learned by an employee in the course of employment, must be maintained private and confidential. Further, employees must adhere to all state and federal laws

and regulations regarding the confidentiality of student and employee records or information.

Employment records will be contained in a locked file cabinet, and accessed only under the direct supervision or direction of the Executive Director or her designee. Employment records are not allowed to be removed from the Collaborative offices. This policy does not preclude principals or supervisors, if asked, from giving personal references for employees.

Electronic records for payroll may be accessed through authorized digital access by the Business Manager and the Payroll clerk. In the absence of the Payroll clerk, the Business Manager may designate another employee access to electronic records for the purpose of payroll only.

Any Collaborative employee in violation of this policy is subject to corrective action up to and including termination.

STUDENT RECORDS

The Collaborative recognizes that official student records are maintained by the member, participating, or sending districts and school systems responsible for the student's placement in the Collaborative. All requests for records should be sent to the member/participating/sending districts. To the extent the Collaborative maintains student records, employees must adhere to all of the requirements of the student records regulation, 603 CMR 23.00.

PUBLIC STATEMENTS / EXTERNAL COMMUNICATIONS

The Executive Director, unless otherwise delegated, has the sole responsibility for handling statements to the public, including, without limitation, to the media and speaking with the press concerning issues pertaining to the Collaborative. All appearances by an employee as a representative of the Collaborative or professing to speak on behalf of the Collaborative must be authorized by the Executive Director. All communications, press releases or speeches that propose to represent a position of the Collaborative on issues or policies must be approved by the Executive Director. Communications subject to this policy include, without limitation, face-to-face meetings, phone conversations, written statements, e-mail, social media, etc. This policy is not intended to preclude employees from expressing their views as individuals on matters of interest to them. It is only intended to assure that only persons authorized to do so are representing the Collaborative in the public view.

INTERNET USE

Internet use is a privilege, which is provided to employees and students to conduct research and support educational endeavors. Communications over the network are often public in nature; therefore, general rules and standards for professional behavior and communications will apply. Employees may not use the network, electronic mail, and telecommunications to share confidential information about students or other employees. The Executive Director or his/her designee must approve publication of web pages on either the Collaborative or a member district network prior to publication.

Collaborative administrators and those responsible for managing the local area network may review files and communications to maintain system integrity and to ensure that employees are using the system responsibly. Staff should not expect files stored on district servers to be private. The use of a password to access Collaborative computers does not guarantee a right to privacy of any information stored on, sent from or received by that computer.

The following behaviors are not permitted on Collaborative or district networks:

- Unauthorized sharing of confidential information about students or employees.
- Sending or displaying offensive messages or pictures; accessing, transmitting, displaying, or using obscene language and material.
- Participating in partisan politics.
- Participating in any communications that facilitate gambling, the illegal sale or use of drugs or alcohol, criminal gang activity or any other violation of the law. This includes threatening, intimidating or harassing any other person or engaging in "spamming" ("spamming" means sending annoying or unnecessary messages to large numbers of people.)
- Engaging in any form of discrimination, including sexual harassment or harassment based on any protected classification.
- Engaging in practices that threaten the integrity of the network (i.e., loading files that may include viruses.)
- Violating copyright laws.
- Using others' passwords without express authorization.
- Trespassing in others' folders, documents or files.
- Intentionally wasting resources.
- Employing the network for commercial purposes or financial gain.
- Violating regulations prescribed by the network provider.

All information transmitted by, received from, or stored in Collaborative systems are the property of the Collaborative. Therefore, no expectation of privacy in connection with the use of these systems or with the transmission, receipt, or storage of information on these systems should be expected. The use of a personal password does not give the employee a right of privacy in the information on the system.

The Collaborative may monitor the use of these systems at any time at its discretion. Such monitoring may include printing and reading all e-mail entering, leaving, or stored in Collaborative systems. Network administrators or their designee will report all inappropriate behavior to the employee's principal or supervisor and/or administrator who will take appropriate corrective action. Any other reports of inappropriate behavior, violations, or complaints will be routed to the employee's principal or supervisor for appropriate action. Violations may result in a loss of access and/or corrective action up to and including termination and action as deemed appropriate consistent with the local, state, and federal law. When applicable, law enforcement agencies may become involved. (Children's Internet Protection Act - April 20, 2001).

SOCIAL MEDIA

This policy is adopted in addition to, and not as a substitute for, the internet use policy contained in this Handbook.

The Collaborative recognizes that the use of social media can support its educational goals. The Collaborative also understands that social media can be a fun and rewarding way for employees to share their life and opinions with family, friends, and co-workers. However, the use of social media also presents certain risks to the Collaborative, its students, its employees, and its operations. Thus, it is important for employees to use social media responsibly and safely.

The purpose of this policy is to provide guidelines for the responsible use of social media for employees. For the purpose of this policy, "social media" means any online, electronic, or Internet medium, tool, community, or space for social or professional interaction, networking, sharing user generated content,

or public or semi-public communication. Social media can take many different forms, including Internet forums, blogs & microblogs, online profiles, wikis, podcasts, pictures and video, email, text, instant messaging, music-sharing, and chat, to name just a few. Examples of social media include but are not limited to the following: LinkedIn, Facebook, MySpace, Wikipedia, YouTube, Twitter, Skype, Vine, Snapchat, dating websites, and blogs. Given the rapid pace of technological change, it is not possible to identify all types of social media. As such, all online, electronic or computerized means of communication are subject to this policy.

It is essential that social media tools are used appropriately and safely. Employees must exercise common sense and conduct themselves in ways that do not distract from or disrupt the educational process or Collaborative operations. To this end, the following rules apply to employee use of social media.

- 1) Employees are prohibited from engaging in improper fraternization with students using email and social media sites, or via cell phone, texting or the telephone.
 - a. Employees are prohibited from connecting with current Collaborative students or the families of students via personal social media and shall not respond to social media invitations from students unless approved by their principal or supervisor. There may be situations in which a Collaborative employee may have an existing relationship to a student or the family of a student independent of the Collaborative, in which case they may have an existing social media relationship with such individual(s). In such situation, the employee must receive approval from the employee's principal or supervisor to establish or maintain such social media relationship.
 - b. All electronic communication and contact with students relating to education or Collaborative operations should be through the Collaborative's official computer, email, and telephone system. Such communication by personal mobile phone, text message, personal email, or personal social media is prohibited, except in emergency situations. Employees are strictly prohibited from giving out their private cell phone, home phone numbers, or personal email to students or their families, unless approved by the Executive Director.
- 2) Employees should be mindful that the things they say or do on social media are publically available and searchable and may be forever accessible. Employees are free to express their point of view on social media but are responsible for what they post and, thus, should use good judgment and common sense. Generally, comments, expressions, and other postings on social media must be honest and respectful of others, and respect confidential, personal, and proprietary information.
- 3) Employees may not post or publish anything on social media in the name of the Collaborative or in a manner that could reasonably be attributed to the Collaborative without prior authorization from the Executive Director. Similarly, employees may not post or publish anything on social media as a representation of any opinion or view of Collaborative or any individual on behalf of the Collaborative without prior authorization from the Executive Director. If the business of the Collaborative is the subject of content being published or posted, employees should be clear and open about the fact that they are an employee and that the opinions or views expressed are not those of the Collaborative. Below are examples of postings on social media that violate this and other Collaborative policies if unauthorized.
- 4) Recognizing that the actions of employees reflect on the Collaborative, even with respect to personal communications on social media not discussing or relating to the Collaborative,

employees are expected to maintain appropriate content and tone in their use of social media. Employees must use professional judgment in all use of social media to avoid circumstances that could be considered inappropriate or contrary to the mission and objectives of the Collaborative.

- 5) The Collaborative may maintain official social media sites, such as a Collaborative Facebook page. Only authorized employees whose position entails using social media on behalf of the Collaborative may post or publish comments or materials to the Collaborative's official social media sites on behalf of the Collaborative. Employees whose positions entail such use of social media may only post or publish content that has been authorized by the Executive Director.
- 6) Employees may not use social media for personal use during work hours in a manner that distracts from or interferes with their job duties or the operation of the Collaborative. This policy is not meant to restrict employees from using social media while on break or otherwise off the clock.
- 7) Employees must respect the privacy and dignity of students and employees. Without exception, employees are prohibited from posting or publishing on social media information pertaining to students, including, without limitation, student names, pictures of students or employees, or references to particular students, even if not by name. Employees must always adhere to individual student privacy and the rights of employees to have their personal information kept confidential.
- 8) Employees may not use social media to threaten, harass, bully, discriminate, insult, or defame co-workers or students or to make any threats of violence. Threats of violence, even if made in jest, will be taken very seriously. Employees may not disparage the Collaborative on social media by maliciously or knowingly posting or publishing false information regarding the Collaborative. Below are examples of postings on social media that violate this and other Collaborative policies. These are just examples, and in no way are meant to be exhaustive.
 - Posting "I could kill by boss."
 - Posting "My co-worker is an idiot."
 - Posting jokes about a bomb threat.
 - Derogatory comments based on color, national origin, sex, religion, disability, genetic information, sexual orientation, or gender identity.
 - Sexual jokes or references concerning co-workers or passengers.
 - Posting a rear-view picture of a co-worker bending over.
 - Comments intended to harm a co-worker's or passenger's reputation.
 - Comments statements, photographs, video or audio that reasonably could be viewed as malicious, obscene, threatening or intimidating.
 - Comments that disparage students or their families.
- 9) Employees must respect the intellectual property rights of the Collaborative and may not use the Collaborative's trademarks, logos, or copyrighted materials on social media for Commercial purposes.
- 10) Employees may not request, pressure, or require co-workers to share passwords to social media. Employees may not pressure or require co-workers to engage in an unwanted "friendship" online or otherwise establish an online or social media relationship.
- 11) Because violations of this policy have the potential to undermine the safe and effective operation of the Collaborative, employees are encouraged to report violations of this policy to the Human

Resources Department. The Collaborative prohibits any form of retaliation against an employee who has made a good faith report of a potential violation of this policy or for cooperating in an investigation. Any employee who engages in such retaliation against a co-worker will be subject to corrective action, up to and including termination.

The Collaborative will ensure that employees adhere to this policy and will investigate allegations that employees have violated this policy or have posted inappropriate materials on-line. Violations of this policy will constitute cause for corrective action, up to and including termination.

PERSONALELECTRONIC DEVICES

Personal electronic devices, such as mobile phones, iPods, and tablets should be turned off or set to silence mode during instructional classroom time, including assemblies, or any other activities that take place during the work day.

DRESS CODE

Appropriate and professional attire is expected of all employees at all times. Employees must remain mindful of the impression their appearance may have on those around them and in particular, students. Examples of inappropriate attire include, without limitation, T-shirts, hats, short skirts or shorts, inappropriately revealing clothing, clothing with the potential to offend others graphics, offensive language), and potentially unsafe jewelry or accessories. This list is in no way exhaustive and is only meant to be illustrative. The Collaborative will, in its sole discretion, deem what constitutes appropriate or inappropriate clothing or attire for the workplace.

TRANSPORTATION OF STUDENTS / USE OF COLLABORATIVE VEHICLES

Vehicle Operators

Collaborative employees whose duties include transporting students must:

- (a) be twenty-one (21) years of age or older;
- (b) obtain and maintain throughout the course of their employment, for so long as their duties include transporting students, all necessary licenses from the Massachusetts Registry of Motor Vehicles, including a 7-D license;
- (c) obtain and maintain throughout the course of their employment, for so long as their duties include transporting students, certificates in CPR, first Aid, and other relevant life saving techniques;
- (d) be properly trained to operate each of the vehicles that such operators will be required to operate in the course of their employment;
- (e) obey all Collaborative instructions, requirements and procedures concerning the operation and maintenance of vehicles, any applicable manual that the Collaborative may adopt from time to time and the respective manufacturers' manuals for the Collaborative's vehicles;

- (f) undergo training in bullying prevention and intervention as required by the Collaborative; and
- (g) satisfy background checks conducted by the Collaborative as a condition of their employment.

Collaborative employees whose duties include transporting students must do so only in Collaborative owned vehicles. The only exception is where, in an emergency situation, an employee is directed by a principal, supervisor, or the Executive Director to transport a student in their own vehicle.

Using Collaborative Vehicles

Any employee operating a Collaborative vehicle must have a valid Massachusetts license and current 7-D license on file with the Human Resources Department. The only exception is when authorized by a principal, supervisor, or the Executive Director to operate a Collaborative vehicle in an emergency situation. Collaborative vehicles may only be used for Collaborative operations and purposes. Employees are strictly prohibited from using Collaborative vehicles for personal use, and from transporting unauthorized passengers in Collaborative vehicles.

Collaborative vehicles must be operated and used in strict compliance with all applicable federal, state and local laws and regulations, including, but not limited to, those laws and regulations applicable to the transport of minors, and minors with special needs. Employees will be required to pay all fines for tickets or citations for infractions (i.e. speeding or other moving violations, or parking tickets) incurred while using a Collaborative vehicle.

If an employee is involved in an automobile accident in a Collaborative vehicle, the employee should immediately call the police, and her/his principal or supervisor, and the employee should remain with the vehicle at the scene of the accident and wait for the police to arrive.

Employees who drive Collaborative vehicles or who regularly transport students must report any kind of moving vehicle violation issued to them, whether at work or during off hours, to their principal or supervisor immediately following the violation.

Failure to abide by this policy is cause for corrective action, up to and including termination.

WORKERS' COMPENSATION AND SAFETY PROGRAM

The provisions of the Massachusetts Workers' Compensation Act cover all Collaborative personnel and premiums are paid by the Collaborative. It is the intent of the Collaborative and its workers compensation insurance carrier to establish and maintain a safety program conforming to the best practices in the industry. To be successful, Collaborative programs must embody the proper attitudes towards injury and illness prevention on the part of management and employees. It also requires cooperation in all safety matters, not only between management and employees, but also between each employee and his/her fellow employees. Only through such a cooperative effort can a safety program in the best interest of all be established and preserved. Employees are expected to comply with all safety and health requirements whether established by management or by federal, state or local law. Employees should report to principals or supervisors any unsafe working conditions or defective equipment in order to maintain a safe working environment.

The Collaborative's objective is a safety program that will reduce the number of injuries and illnesses to a minimum. The joint cooperation of employees and management in observance of this policy is essential.

Employees will be provided a safe and healthy work environment. Employees who are ill or injured on the job will receive assessment and/or treatment, if appropriate, in order to ensure recovery and a prompt return to work. This will be accomplished by:

- Affirmation efforts by management to prevent employee injuries
- Prompt diagnosis and treatment of work-related illnesses and injuries
- Timely submission and analysis of accident/injury reports
- Workers' Compensation benefits will be provided in accordance with Massachusetts's law

Any accident or injury to employees and those directly witnessed by other employees must be reported, no matter how minor, immediately following the accident so that workers compensation forms can be processed. The employee is responsible for initiating the process and must notify his/her principal or supervisor of the accident. The principal or supervisor is responsible for completing and monitoring the accident reporting process.

FAILURE TO REPORT AN INJURY WITHIN 24 HOURS MAY JEOPARDIZE AN EMPLOYEE'S RIGHT TO FILE A CLAIM.

Workers' Compensation Claim Procedure

If an employee is injured or becomes ill, supervisory personnel must follow the following procedure:

1. Ensure that the employee is comfortable.
2. Seek proper medical attention and examination/diagnosis, if necessary, at the closest medical facility. If not an emergency, the secretary handling workers compensation claims will direct you to a facility.
3. Call the Collaborative Office and speak with the Human Resources representative handling workers' compensation to report the incident and complete or have the necessary forms completed for Collaborative insurance purposes. **THE INCIDENT MUST BE REPORTED TO THE OFFICE IMMEDIATELY. FORMS MUST BE COMPLETED WITHIN 24 HOURS OF THE INCIDENT.**
4. Complete the *Staff Incident Report and Medical Authorization Form*, sign and deliver the form to the Human Resources Department within 24 hours of the incident.
5. In all cases, the safety and comfort of the injured person is the first priority.

In addition, the injured employee is responsible for the following:

- Employees, who as a result of an accident seek continued medical attention, must notify the Human Resources representative handling workers' compensation of the name and address of the physician/hospital providing treatment.
- Employees who as a result of an accident, will be absent from work, must follow the Collaborative absence notification procedures, and must indicate that their absence is due to a workers' compensation injury.

The Collaborative may provide modified work (light duty), if available and appropriate, until such time as employees are able to resume their normal work activities. Physical examinations may be required when injuries involve first aid, but are required for medical treatment, musculoskeletal symptoms, or when the employee's duties must be modified or restricted.

Employees who are absent from work because of work-related injuries will be placed on FMLA leave if they are eligible for such leave. Employees who are not eligible for FMLA leave may apply for a Leave of Absence within ten (10) days from the date of injury. Failure to apply for a Leave of Absence within ten

(10) days may result in voluntary resignation.

Workers' Compensation Return to Work Program

The Collaborative endeavors to return workers to employment at the earliest possible date following a work-related injury or illness. Accordingly, the Collaborative has developed a transitional work policy to enable employees who are incapable of performing their jobs because of work-related injury or illness to return to work in an alternate position.

The Collaborative defines transitional work as temporary, modified work assignments within the worker's physical abilities, knowledge and skills. Where possible, transitional positions will be made available to workers who have been injured or who are sick because of work-related injuries or illness, in order to minimize or eliminate lost time. The Collaborative may elect to change any aspect of a transitional position such as working shift, location, etc., based on the needs of the Collaborative. The Collaborative cannot guarantee a transitional position and is under no obligation to offer, create or encumber any specific position for purposes of offering transitional duty.

This policy is not intended to instruct the procedures applicable to employees eligible for reasonable accommodation under Massachusetts law, the ADA or leave benefits under the Family and Medical Leave Act ("FMLA"). Inquiries about the ADA or FMLA should be directed to the Human Resources Department.

In the event that an employee refuses the offer of transitional work that is within the employee's physical restrictions and ability, the Collaborative is not obligated to provide an alternative position.

The policy only applies to full-time and part-time employees who are not capable of performing their jobs as a result of work-related injury or illness and who are therefore eligible for and receiving workers' compensation benefits. Transitional work is offered on a temporary basis only and is not considered a permanent adjustment to the employee's job duties.

COMPENSATION / PAYROLL

EMPLOYEE CLASSIFICATIONS AND CATEGORIES

The Collaborative has established classifications and categories of employees as set forth in this policy that determines compensation and the application of certain benefits and leave for its employees.

The Collaborative has a need for a variety of work schedules. Employees will be informed of their initial employment classification status as exempt or non-exempt, their category of employment, their work hours, and the length of their work year at the time of their job offer and/or during their orientation.

If the terms and conditions of an employee's employment change, the Human Resources Department will inform the employee of any change with respect to their employment classification status as exempt or non-exempt, their category of employment, their work hours, and the length of their work year.

Classification as Exempt vs. Non-Exempt

The Collaborative classifies employees' eligibility for overtime in accordance with the federal Fair Labor Standards Act and applicable state law:

- **Exempt Employees** are paid on a salaried basis and receive a pre-determined compensation regardless of the number of hours worked per week. Exempt employees are not eligible for overtime pay.
- **Non-Exempt Employees** are paid on an hourly basis, and will be paid overtime for all hours worked over forty (40) hours in a work week, in accordance with federal and state law.

Categories of Employment:

Employees are categorized as full-time, part-time, temporary, or as a substitute as follows:

Full-Time: Employees who work a regular schedule of thirty (30) hours or more per week are categorized as full-time employees. Full-time employees are generally eligible for all benefits offered by the Collaborative as set forth in this Handbook.

Part-Time: Employees who work a regular schedule of less than thirty (30) hours per week are categorized as part-time employees. Part-time employees may be eligible for health and other benefits through the GIC depending on how many hours they regularly work. Part-time employees may also participate in retirement programs for which they are eligible. Part-time employees are not eligible for parental leave or professional development tuition reimbursement. Part-time qualified employees are eligible for paid leave as set forth in this Handbook, subject to proration where applicable.

Temporary: Temporary employees hold a position, either full-time or part-time, for a limited and specific time period, such as summer positions or casual labor. Temporary employees are not eligible for any benefits offered by the Collaborative, except those mandated by state or federal law.

Substitutes: Substitutes are employees not assigned to a regular work schedule and are called to work on an "as needed" basis. Substitutes are not eligible for any benefits offered by the Collaborative, except those mandated by state or federal law. Substitutes have no obligation to the Collaborative to accept the work offered and the Collaborative is under no obligation to offer any minimal number of hours or work assignments for any specified period of time.

The Work Year

The number of days in the work year varies for employees depending on their position. For example, the work year for certified educational staff and educational aides will be based on the academic year, including summer programs where applicable, while the work year for non- educational staff will be based on a twelve (12) month, full year basis. Employees will be informed of the number of days in their work year at the time of their job offer and/or during their orientation. Only full-year employees (260 days) are eligible for paid vacation and paid holidays.

CALCULATION OF PAY

Exempt employees are paid on a salaried basis and receive a pre-determined compensation regardless of the number of hours worked per week, and are not eligible for overtime pay.

Non-exempt employees are paid at an hourly rate based on the number of hours worked in a given pay period. Non-exempt employees are prohibited from working any hours other than their scheduled hours, unless approved by the Executive Director.

Non-Exempt employees who work more than forty (40) hours in a work week will be paid time and a half for each hour worked in excess of forty (40) hours. All overtime must be pre-approved by the Executive Director. Absences from the workplace, whether for break, leave, holidays, sick leave, etc., are not considered hours worked for the purposes of calculating overtime.

Employees who work six (6) or more hours in one (1) day have an option to take an unpaid thirty (30) minute lunch break. Employees will not be paid for their thirty (30) minute lunch break, but will be paid if they do not take a thirty (30) minute lunch break. If taken, no work activity can take place during the thirty (30) minute lunch break, and employees are permitted to leave Collaborative premises during this time.

PRORATED SALARIES

School-Year Employees: For employees whose work year is based on the academic year, their compensation will be calculated and paid on a prorated basis over the course of their work year, as determined by their position.

Full-Year Employees: For employees whose work year is based on the full year, their compensation will be calculated and paid over the course of the full year.

Other Salaries: All other salaries, including those of employees not classified in any of the above listed categories, will be set by the Board of Directors on an individual basis.

PAYROLL PROCEDURES

The Collaborative will issue payroll on a bi-weekly basis. Paydays are usually every other Friday.

If the normal payday falls on a Collaborative recognized holiday, payroll will be distributed one (1) work day prior to the aforementioned schedule.

The Collaborative requires employees to participate in an automatic direct deposit payroll service, commonly referred to as an electronic funds transfer ("EFT"). Direct deposit eliminates the need to

physically deposit checks at the bank or financial institution. Direct deposits are not subject to check clearing restrictions that banks and institutions may impose; your funds are immediately available. Direct deposit ensures accurate consistent deposits to your account on the due date for each scheduled pay period.

To enroll in the direct deposit program an employee must obtain a direct deposit form from the Human Resources Department. Complete and return the form to the Human Resources Department with routing and account information completed. It may take up to thirty (30) days for direct deposit to begin. If an employee's marital status changes or the number of exemptions previously claimed increases or decreases, a new Form W -4 must be submitted to the Human Resources Department.

KEEPING ACCURATE TIME

Non-exempt employees and, in certain circumstances, exempt employees, must keep and submit their time in accordance with Collaborative procedures. Time must be kept accurately and reflect all regular and overtime hours worked (non-exempt employees only), absences, late arrivals, early departures and lunch breaks. Employees will be instructed on the procedures for keeping and submitting time for their position and will be trained on how to accurately keep and submit their time using the Collaborative's time keeping system. Any employee who fails to report or inaccurately reports any hours worked in accordance with Collaborative procedures will be subject to corrective action, up to and including termination.

It is a violation of the Collaborative's policy for any employee to falsify their time or alter another employee's time. It is also a serious violation of the Collaborative's policy for any employee to instruct another employee to incorrectly or falsely report hours worked. If any principal or supervisor instructs you to incorrectly report your hours, you should report it immediately to the Human Resources Department.

SAFE HARBOR POLICY

It is the Collaborative's policy and practice to accurately compensate employees and to do so in compliance with all applicable state and federal laws.

Review Your Pay Stub

The Collaborative makes every effort to ensure that its employees are paid correctly. Occasionally, however, inadvertent mistakes can happen. When mistakes do happen and are called to its attention, the Collaborative will promptly make any corrections necessary. Please review your pay stub when you receive it to make sure it is correct. If you believe a mistake has occurred or you have any questions please use the reporting procedure outlined below.

To Report Concerns or Obtain More Information

If you have any questions about compensation or deductions from your compensation, please contact the Human Resources Department. If you believe you have been subject to any improper deductions or if your pay does not accurately reflect your hours worked you should immediately report the matter to your principal or supervisor. If the principal or supervisor is unavailable or if you believe it would be inappropriate to contact that person, you should immediately contact the Human Resources Department. If you are unsure of whom to contact, or if you have not received a satisfactory response within five (5) business days after reporting the incident, please immediately contact the Executive Director.

Every report will be fully investigated and corrective action will be taken where appropriate, up to and including termination for any employee(s) who violate this policy. In addition, the Collaborative will not allow any form of retaliation against individuals who report alleged violations of this policy or who

cooperate in the Collaborative's investigation of such reports.

MILEAGE ALLOWANCE AND TRAVEL PERMISSION

Staff using personal cars in the course of their duties will be reimbursed at the rate determined by the Internal Revenue Service rate for business mileage. The IRS Standard Mileage Rates are determined annually in January.

Travel expenses between home and work are not reimbursable. Most Collaborative related travel will originate from a Collaborative location. But in those cases where it is advantageous, (time and distance considered) to leave directly from your residence, the request for reimbursement should be based upon total miles traveled for the Collaborative, less normal daily mileage to and/or from your work location. Any reimbursement for travel outside of the member towns must be approved in advance on an individual basis

Daily mileage records must be maintained and must accompany original parking receipts, toll receipts, and other travel-related receipts when submitting for reimbursement. Employee's work schedule and a map outlining the miles of the route must be provided by all staff who work at multiple sites. Expense reimbursement should be submitted to the Collaborative business office at the end of each calendar month and after obtaining principal or supervisor approval, no later than sixty (60) days after the date of travel. Mileage reimbursement requests greater than s i x t y (60) days old will not be reimbursed. Where there are extenuating circumstances, the Business Manager may approve reimbursement requests subsequent to the deadline.

Staff submitting mileage allowance and/or travel permission items for reimbursement must submit accurate documents and requests. Falsification of any reimbursement request will be grounds for corrective action up to and including termination.

SCHOOL AND PERSONAL PROPERTY REPLACEMENT / RESTITUTION

The Collaborative Board of Directors, acting through the Executive Director, will authorize payment for the cost of replacing or repairing property of an employee such as eyeglasses, hearing aids, dentures, watches, or articles of clothing necessarily worn or carried by the employee, or vehicles when such items are damaged or stolen in the line of duty as a result of malicious acts and without fault of the employee. Other personal property of employees or personal teaching aids belonging to the employee are not included.

The maximum payment anyone can claim is \$1,000 or actual cost, whichever is less in the case of vehicles, and \$500 or actual cost, whichever is less, for other property. An employee is limited to a maximum annual claim of \$1,000. Loss or damage claims must be reported to the Human Resources Department and, if appropriate, to the police as soon as the employee becomes aware of such loss or damage.

Employees must seek reimbursement, and show proof of replacement or repair in the form of receipts. Employees will not be compensated for losses or damage for which compensation, wholly or partially, can be paid under the employee's private insurance policy.

This policy does not extend to student property.

LONGEVITY PAYMENT

The Collaborative provides longevity pay as a means of recognizing and rewarding long-term service and commitment to the organization. Employees become eligible for annual longevity payments upon completing a specified number of years of continuous service with the Collaborative and must be employed at a minimum of 0.5 FTE. Longevity payments are distributed annually on the first payroll in December based on years of service, as outlined below.

Longevity Schedule A for Employees Hired Prior to July 1, 2026	
Years of Continuous Service	Annual Longevity Payment
1 - 4 years	\$750
5 - 9 years	\$1,000
10 - 14 years	\$1,500
15 - 19 years	\$2,000
20+ years	\$2,500

Longevity Schedule B for Employees Hired After July 1, 2026	
Years of Continuous Service	Annual Longevity Payment
10 - 14 years	\$1,500
15 - 19 years	\$2,000
20+ years	\$2,500

Employees hired prior to July 1, 2026 are grandfathered into Longevity Schedule A. Longevity Schedule B is specifically for employees hired on or after July 1, 2026.

Under this policy, continuous service shall mean uninterrupted employment with the Collaborative and may include years of service in different positions. Interruption of employment for the purpose of FMLA leave, parental leave, or military leave of up to five (5) years of cumulative service under the Uniform Services Employment and Reemployment Rights Act shall not be deemed an interruption in service for the purpose of calculating continuous service for longevity pay.

ATTENDANCE AND LEAVE POLICIES

CALENDAR

The Collaborative fiscal year is from July 1 through June 30. A Collaborative calendar will be distributed annually to all employees at the start of the fiscal or school year. The Executive Director must approve any changes or exceptions to the calendar.

EMPLOYEE ATTENDANCE

It is important for Collaborative employees to attend work regularly and to arrive at work on time. Failure to do so detrimentally affects employee morale and the services provided to students. Absenteeism or tardiness that is excessive or unauthorized in the judgment of the Collaborative is grounds for corrective action, up to and including termination.

Teachers and other instructional staff are required to be at their teaching stations fifteen (15) minutes before class starts and to remain for fifteen (15) minutes after students depart. Educational employees may never leave a student alone.

Employees unable to report to work or unable to report to work on time must follow the Collaborative absence notification procedures set forth in this Handbook.

EXCUSED AND UNEXCUSED ABSENCES

An excused absence is an absence taken for approved leave in accordance with the paid or unpaid leave policies set forth in this Handbook. All other absences, while they may be explainable, shall be considered unexcused.

Excessive unexcused absences or tardiness will subject the employee to corrective action up to and including termination. Poor attendance is also considered a conduct and performance issue and the type of corrective action may depend on any previous corrective action for conduct and/or performance.

Any no call/no show is considered grounds for immediate corrective action, except in the case of an emergency or as otherwise provided by the paid and unpaid leave policies set forth in this Handbook. The Collaborative will determine, in its sole discretion, what circumstances constitute an emergency. Any absence of three consecutive working days, without proper notice provided to the Collaborative, will be considered abandonment of employment and, therefore, a voluntary resignation.

ABSENCE NOTIFICATION PROCEDURE

Employees who are sick, tardy or otherwise need to take an unscheduled absence must contact their principal or direct supervisor to provide notice of the employee's absence or tardiness. Such notice must provide the reason for the employee's absence or tardiness. Absent unforeseeable circumstances, such as an emergency or sudden illness, employees are required to notify their principal or supervisor at least one (1) hour prior to the employee's starting time (two (2) hours for school bus drivers and monitors). Where the need for an absence or tardiness is not foreseeable, employees must provide notice to their principal or supervisor as soon as practicable. Timely notice is important to enable the Collaborative to arrange for a substitute where appropriate. Speak with your principal or supervisor for instructions on the best method of contact.

No individuals other than the employee's principal or supervisor can accept notice regarding absence or tardiness, and the Collaborative will not acknowledge notice placed with any other party, employee or department. Employees are responsible for contacting the Collaborative personally, except where the employee is unable to do so or a specific leave policy allows notification by someone other than the employee. Calls generally will not be accepted from spouses or family members, except for an emergency.

Failure to provide notice of an absence or tardiness in accordance with this policy may subject the employee to corrective action, up to and including termination. Failure to notify the Collaborative of absence for three (3) consecutive workdays will be considered abandonment of employment and, therefore, voluntary resignation.

Should an employee leave work during the school day (due to illness, doctor's appointments, etc.), they need to notify their principal or supervisor of the time of departure and return (if applicable).

APPROVED LEAVE

The Collaborative provides paid and unpaid leave in accordance with the policies below. Depending on the type of leave and the applicable leave policy (or policies), employees must request and/or provide notice of such leave in accordance with the policies set forth below. Also, depending on the type of leave the applicable policy (or policies), the Collaborative may require medical or other applicable documentation certifying the need for such leave in accordance with the applicable policy (or policies). Failure to provide notice or submit such documentation may result in loss of pay or corrective action, up to and including termination.

All requests for paid or unpaid leave are subject to approval by the Collaborative in accordance with federal and state law.

LEAVE WITH PAY

It is the Collaborative's policy to provide eligible employees with paid sick leave, personal leave, bereavement leave, holidays, leave for jury duty, court leave, and vacation as follows:

Sick Leave

Eligible full-time employees will receive the equivalent of five (5) paid sick days (awarded to the employee in hours consistent with their contracted hours per day) at the beginning of the school year, and will be eligible to accrue and be able to use up to a maximum of twelve (12) paid sick days per fiscal year. For the sake of clarity, the maximum of twelve (12) paid sick days per fiscal year includes the five (5) paid sick days received at the beginning of the fiscal year and the amount of sick days, if any, that may accrue on a monthly basis throughout the remainder of the fiscal year. Sick days accrue on a monthly basis for each employee based on the number of months in their work year, and are available for use upon accrual.

Part-time employees (employees must work a minimum of a .5 FTE to be eligible for paid sick leave) will accrue and be able to use sick days on a prorated basis calculated by their regularly scheduled work hours as compared to the full-time work hours for their position. For example, an employee who works .5 FTE will accrue and be able to use up to six (6) paid sick days per fiscal year.

Eligible employees who have not used all of their accrued sick days in a fiscal year may carry over the equivalent of five (5) sick days into a subsequent fiscal year but may accrue no more than the equivalent of fifteen (15) sick days at any time. Employees will not be compensated for accrued and unused sick

time upon their termination or separation of employment from the Collaborative in accordance with applicable law.

Employees may use paid sick leave under this policy for the following reasons:

1. To care for the employee's own physical or mental illness, injury, or medical condition;
2. To care for the employee's child, spouse, parent, or parent of a spouse, who is suffering from a physical or mental illness, injury, or medical condition;
3. To attend the employee's routine medical appointment or a routine medical appointment for the employee's child, spouse, parent, or parent of spouse;
4. To address the psychological, physical or legal effects of domestic violence.

Employees must provide notice of their absence for a sick day in accordance with the Collaborative absence notification procedure. Where the need for a sick day is foreseeable, for example for a scheduled medical appointment, employees should provide as much advance notice as possible. The Collaborative reserves the right to request medical documentation substantiating the need for sick leave. Employees who misuse or abuse sick leave, for example, by engaging in activity that is not consistent with the allowable purposes for sick leave (e.g., using sick leave when not sick) or by exhibiting a clear pattern of taking sick leave when they are scheduled to perform work perceived as undesirable or on days just before or after a weekend or holiday, will be subject to corrective action, up to and including termination.

To the extent paid leave under this policy also qualifies as FMLA leave, the paid leave must be taken concurrently with any such FMLA leave.

Personal Days

All eligible full-time employees will receive the equivalent of two (2) paid personal days per fiscal year (awarded to the employee in hours consistent with their contracted hours per day). Paid personal days may be taken for personal business which otherwise cannot be conducted outside of normal work hours, and must be approved by your principal or supervisor. Personal days cannot be carried over from year to year and they are not paid out on termination of employment.

Part-time employees (employees must work a minimum of a .5 FTE to be eligible for paid personal leave) will accrue and be able to use paid personal days on a prorated basis calculated by their regularly scheduled work hours as compared to the full-time work hours for their position. For example, an employee who works .5 FTE will accrue and be able to use up to (1) paid personal days per fiscal year.

Requests for personal days must be submitted to your principal or supervisor. Requests for personal days before and after holidays, school vacations, or leaves of absence will not be granted except in rare cases of emergency. Unauthorized absences before or after holidays, school vacations, and leaves of absence will result in corrective action, up to and including termination. For eligible full-time new hires, personal days will be prorated as set forth below based on the date of hire.

Month Hired	Personal Days Received
July	2
August	2
September	2
October	2
November	2
December	2
January	1
February	1
March	1
April	1
May	1
June	0

Bereavement

Eligible full time employees will receive up to the equivalent of three (3) days (awarded to the employee in hours consistent with their contracted hours per day) of paid bereavement in the event of the death of an immediate family member. Under this policy, immediate family members mean an employee's spouse, sibling, parent, child, father/mother in law, and any member of an employee's immediate family. Requests for bereavement leave must be submitted to your principal or supervisor. Proof of death and relationship to the deceased may be required. If more than three (3) days are needed, vacation time or personal days may be used, or an unpaid leave of absence may be approved by your principal, supervisor, and/or the Executive Director if vacation time or personal days are not available.

Part-time employees (employees must work a minimum of a .5 FTE to be eligible for paid bereavement leave) will receive paid bereavement days on a prorated basis calculated by their regularly scheduled work hours as compared to the full-time work hours for their position. For example, an employee who works .5 FTE will receive the equivalent of 1.5 bereavement days per fiscal year.

Jury Duty and Court Leave

Employees may be compensated for jury duty or testifying as a subpoenaed witness in a judicial proceeding. Requests for jury duty and/or court leave must be submitted to your principal or supervisor. In order to be compensated for such leave, employees must submit to their principal or supervisor a copy of their summons or subpoena on the first working day following receipt of such notice. Employees are required to keep their principal or supervisor apprised of their status and are expected to work whenever their respective court schedule permits. Upon completion of a term of jury duty or court leave, employees must submit verification of days served (received in your mail) to the Human Resources Department.

The Collaborative will pay your regular rate of pay for the equivalent of your first three (3) days of jury duty or days as a witness under subpoena based on the number of hours you would have worked on those days of absence. For jury duty or duty as a witness under subpoena longer than three (3) days, employees will be compensated.

Holidays

Eligible employees who are employed on a twelve (12) month, year-round basis will be paid for all legal and Collaborative recognized holidays within the months that they work. The Collaborative is also closed between December 24th and January 1st, and these days are paid for year-round employees. Any additional paid holidays will be established annually. Where a holiday falls on a weekend, it will be observed on either the preceding Friday or following Monday.

The Collaborative observes organizational-wide holidays each year as follows:

- Martin Luther King Day
- President's Day
- Good Friday
- Patriot's Day
- Memorial Day
- Juneteenth
- Independence Day
- Labor Day
- Columbus Day
- Veteran's Day
- Thanksgiving Day
- Day After Thanksgiving
- Christmas Day
- New Year's Day

Part time employees who are employed on a twelve (12) month, year-round basis and whose scheduled day falls on a paid Holiday, will be paid their regularly scheduled work hours for that day.

Vacation

It is the Collaborative's policy to provide paid vacation time to eligible employees. Only employees who work on a twelve (12) month, full year basis, and a minimum of a .5 FTE, are eligible for paid vacation. Collaborative employees working on the academic year work schedule are not entitled to any paid vacation.

Eligible employees who have worked continuously for Valley Collaborative for ten (10) years or more from their date of hire, will receive the equivalent of fifteen (15) vacation days per fiscal year. All other eligible full-time employees will receive the equivalent of ten (10) paid vacation days per fiscal year. Vacation is accrued on a monthly basis, and is available for use as accrued, with your principal's or supervisor's approval. Part-time employees will receive vacation time on a prorated basis calculated by their work hours as compared to the full-time work hours for their position, which shall accrue on a monthly basis, and is available for use as accrued, with your principal's or supervisor's approval. If a scheduled Collaborative holiday falls within your vacation period, that holiday is not counted against your vacation time.

Requests for vacation time must be submitted to your principal or supervisor with as much advance notice as possible. All vacation must be approved by your principal or supervisor, subject to the Collaborative's scheduling needs.

Eligible employees who have not taken all of their accrued vacation in a fiscal year may carryover the equivalent of ten (10) vacation days per fiscal year but may accrue no more than the equivalent of twenty (20) vacation days at any time.

Eligible employees will be compensated for accrued and unused vacation upon their termination or

separation of employment from the Collaborative in accordance with the law.

UNPAID LEAVE

The Collaborative provides unpaid leave for the reasons set forth below in accordance with the policies set forth below.

While on unpaid leave, employees should communicate with the Human Resources Department concerning their leave and expected return. Failure to return to work upon the expiration of a leave of absence or refusing an offer of reinstatement for which the employee is qualified will result in voluntary resignation or termination.

No leave of absence will be granted for employees' vacation plans, as adequate vacation time is afforded to eligible employees.

A leave of absence will not be granted to allow an employee time off to seek employment elsewhere or to work for another employer. Employees who start employment elsewhere while on a leave of absence will be considered to have voluntarily resigned, except military reserve duty.

TYPES OF UNPAID LEAVE

Family and Medical Leave Act (FMLA)

The Collaborative complies with all requirements of the FMLA. The FMLA provides up to twelve (12) weeks of unpaid, job-protected leave to eligible employees for the following reasons:

- For incapacity due to pregnancy, prenatal medical care or child birth;
- To care for the employee's child after birth or placement for adoption or foster care;
- To care for the employee's spouse, son or daughter, or parent, who has a serious health condition;
or
- For a serious health condition that makes the employee unable to perform his or her job.

Military Family Leave Entitlements

Qualified exigency Leave: Eligible employees with a spouse, son, daughter, or parent on active duty or who has been notified of a call to covered active duty in the US Armed Forces, whether as a member of a regular component of the Armed Forces or as a member of the National Guard and Reserves may use their twelve (12) week leave entitlement to address certain qualifying exigencies. Qualifying exigencies may include short-notice deployment, attending certain military events, arranging for childcare on an urgent basis, attending a child's school activities, attending counseling, spending time with a covered service member while he or she is on short term leave for rest and recuperation, addressing certain financial and legal arrangements, and any additional activity that the Collaborative agrees constitutes a qualifying exigency.

Military Caregiver Leave: FMLA also includes a leave entitlement that permits eligible employees to take up to twenty-six (26) weeks of leave to care for a covered service member during a single twelve (12) month period. For purposes of this leave, an eligible employee includes the service member's parent, spouse, son or daughter, or nearest blood relative, or individual designated as next of kin in writing by the service member. A covered service member is:

1. a current member of the Armed Forces, including a member of the National Guard or Reserves,

who has a serious injury or illness incurred in the line of duty, while on active duty that may render the service-member medically unfit to perform his or her duties for which the service-member is undergoing medical treatment, recuperation, or therapy; or is in outpatient status; or is on the temporary disability retired list; or

2. a veteran who is undergoing medical treatment, recuperation, or therapy for a serious injury or illness if the veteran was a member of the Armed Forces at any time during the period of five (5) years preceding the date on which the veteran undergoes that medical treatment, recuperation, or therapy.

For the purposes of Military Caregiver Leave, a serious injury or illness means

1. a serious injury or illness that was incurred by the member in line of duty, while on active duty; or
2. a serious injury or illness that existed before the beginning of the member's active duty and was aggravated by service in the line of duty, while on active duty in the Armed Forces and that may render the member medically unfit to perform the duties of the member's office, grade, rank, or rating.

Benefits and Protection

During FMLA leave, The Collaborative will maintain your GIC benefits for the duration of your FMLA leave as if you remained continuously employed, so long as you have indicated your intent to return to work at the end of your FMLA leave. The Collaborative will continue to pay its portion of your GIC premiums provided that you pay your contributions on a timely basis. Arrangements to pay the employee share of such benefits must be made by contacting the Human Resources Department. If you do not return to work upon the completion of your FMLA leave, the Collaborative may recover the cost of any payments made to maintain your GIC benefits, unless the failure to return to work was for reasons beyond your control. Use of FMLA leave will not result in the loss of any employment benefit that accrued prior to the start of FMLA leave. However, employees will not accrue paid leave such as vacation or sick leave during any period of FMLA leave. Notwithstanding, where employees substitute paid leave for FMLA leave the substituted paid leave will be deducted from the employee's vacation and sick leave accrual. FMLA leave periods will be treated as continuous service for the purpose of calculating pension and retirement plan vesting and eligibility.

Employees who return to work on or before the expiration of their FMLA leave will be restored to their original or an equivalent position with equivalent pay, benefits, and other employment terms. Employees on FMLA leave are not entitled to any greater rights than they would otherwise have been entitled, had they continued as active employees at the Collaborative. Some key employees may not be entitled to reinstatement at the conclusion of their FMLA leave. Key employees will be notified of their status at the time of their leave request.

Eligibility Requirements

Employees are eligible for FMLA leave if they have been employed by the Collaborative for a total of twelve (12) months and have worked at least 1,250 hours during the twelve (12) months prior to the start of the requested leave.

When FMLA eligible spouses are both employed by the Collaborative, they will be granted a combined total of 12 weeks of FMLA leave for the birth, placement for adoption, or foster care of a child.

Definition of Serious Health Condition

A serious health condition is an illness, injury, impairment, or physical or mental condition that involves either an overnight stay in a medical care facility, or continuing treatment by a health care provider for a condition that either prevents the employee from performing the functions of the employee's job, or prevents the qualified family member from participating in school or other daily activities.

Use of Leave

An employee does not need to use this leave entitlement in one block. Leave can be taken intermittently or on a reduced leave schedule when medically necessary. Employees must make reasonable efforts to schedule leave for planned medical treatment so as not to unduly disrupt the employer's operations. Intermittent leave is not, however, available to care for a child during the first twelve (12) months after the birth, adoption, or placement in foster care. Leave due to qualifying exigencies may also be taken on an intermittent basis.

If you use intermittent leave, you must comply with the Collaborative's regular absence notification procedure for each day on which you are absent, including specifically referring to the FMLA leave.

Substitution of Paid Leave for Unpaid Leave

Employees who are eligible for FMLA leave must use accumulated vacation, personal days, and sick leave concurrently with their FMLA leave until all such paid leave is exhausted. Employees must comply with the Collaborative's normal paid leave policies.

The Leave Year

The Collaborative has designated a rolling leave year, which determines FMLA leave eligibility by reference to the amount of FMLA leave taken during the twelve (12) months immediately preceding the request for FMLA leave. This "rolling" leave year does not apply to Military Caregiver Leave. The leave year for Military Caregiver Leave is a single twelve (12) month period that begins on the first day of the employee's leave.

Employee Request/Notice of FMLA Leave

Employees must submit the initial request for FMLA leave to their principal or the Human Resources Department on the Collaborative's Employee Request for Family or Medical Leave Form, and via Employee Portal which can be obtained from the Human Resources Department. Employees must provide thirty (30) days advance notice of the need to take FMLA leave when the need is foreseeable. If an employee fails to give timely notice when the need for FMLA leave is foreseeable, the Collaborative may delay the FMLA leave until thirty (30) days after notice is provided. If the need for FMLA leave is not foreseeable, the employee must provide notice as soon as practicable and generally must comply with the Collaborative's regular absence notification procedures.

Required Certification Documentation and Designation by the Collaborative

All employees who request FMLA leave must complete the appropriate forms outlined below to certify the reason for FMLA leave and submit them to the Human Resources Department:

- Certification of Health Care Provider Form for Employee's Serious Health Condition
- Certification of Health Care Provider Form for Family Member's Serious Health Condition
- Certification of Serious Injury or Illness of Covered Service Member for Military Family Leave
- Certification of Serious Injury or Illness of a Veteran for Military Caregiver Leave
- Certification of Qualifying Exigency for Military Family Leave

The Collaborative may require additional medical verification to determine whether the circumstances qualify for FMLA leave and to verify documentation provided. The Collaborative may also require recertification for FMLA leave (which includes intermittent or reduced work schedule leave), every thirty (30) days or as is otherwise reasonable in accordance with the FMLA.

Employees will be notified in writing by the Human Resources Department as to whether their request

for FMLA leave has been approved or denied, and whether more information is needed. Employees will receive this notification after all necessary forms have been submitted to the Human Resources Department and reviewed. The Collaborative may conditionally designate leave as FMLA leave pending receipt of the required certification. The Collaborative is responsible for designating any period of leave as FMLA leave if it qualifies, even if the employee has not requested FMLA leave. The Collaborative may deny an FMLA request where an employee has not met the eligibility requirements under the FMLA or has not submitted sufficient certification.

Employees may be required to provide a fitness for duty statement before they return after an FMLA leave for their own serious health condition. If you will be required to provide this statement, you will be notified at the time that your leave is approved.

"No Moonlighting"

Absent extenuating circumstances, employees who are taking FMLA leave for their own or a covered family member's serious health condition or to care for a child after birth, adoption, or placement in foster care are not permitted to work for any other employer while on FMLA leave from their job with the Collaborative. Employees who accept employment with other employers while on FMLA leave from the Collaborative will be considered to have voluntarily resigned their employment and will not be eligible for reinstatement at the end of their previously approved leave.

Additional Employer Responsibilities

The Collaborative will also comply with the FMLA by not interfering with, restraining, or denying the exercise of any right provided under FMLA; or discharging or discriminating against any person for opposing any practice made unlawful by FMLA or for involvement in any proceeding under or relating to FMLA.

FMLA Question and Concerns

If you have any questions about your FMLA rights or responsibilities or if you disagree with a decision the Collaborative makes regarding FMLA leave entitlement, please contact the Human Resources Department to resolve your concerns as soon as possible.

Enforcement

To enforce rights under the FMLA, an employee may file a complaint with the U.S. Department of Labor or may bring a private lawsuit against an employer.

FMLA does not affect any Federal or State law prohibiting discrimination, or supersede any State or local law or collective bargaining agreement that provides greater family or medical leave rights.

Please consult the Human Resources Department for any additional information relating to FMLA leave.

Important Notice Regarding Genetic Information

The Genetic Information Nondiscrimination Act of 2008 (GINA) prohibits the Company (and other entities covered by GINA Title II) from requesting or requiring genetic information of an individual or family member of the individual, except as specifically allowed by GINA. In order to comply with GINA, we are asking that employees not provide any genetic information when responding to a request for medical information or complying with the FMLA's employee return to work certification requirements. "Genetic information" as defined by GINA, includes an individual's family medical history, the results of an individual's or family member's genetic tests, the fact that an individual or an individual's family member sought or received genetic services, and genetic information of a fetus carried by an individual or an individual's family member or an embryo lawfully held by an individual or family member receiving assistive reproductive services.

Parental Leave

Full time employees who have been employed for a minimum of three (3) consecutive months as full-time employees will be granted up to eight (8) weeks of unpaid parental leave for the purpose of (i) the birth of a child; (ii) adopting a child under the age of 18; or (iii) adopting a child under the age of 23, if the child is mentally or physically disabled. Eligible employees must give their principal or supervisor at least two weeks' notice of their anticipated date of departure and intention to return to work, or provide such notice as soon as practicable if the delay is for reasons beyond the employee's control. Such notice must be submitted via Employee Portal.

If two employees working for the Collaborative are eligible for parental leave for the same child, they are entitled to a combined total of eight (8) weeks of leave between them.

Upon return from parental leave, an employee will be restored to a previous or a similar position with the same status, pay, and seniority, as of the date of the leave. Notwithstanding, an employee will not be restored to a previous or a similar position if other employees of equal length of service and status in the same or similar position have been laid off due to economic conditions or other changes affecting employment during the period of such parental leave. If an employee takes leave beyond the eight (8) weeks provided under this policy, The Collaborative cannot guarantee reinstatement at the end of his/her leave (unless otherwise required by applicable law) The Collaborative will deem an employee's unauthorized failure to return to work from parental leave on the agreed upon return date as a voluntarily resignation.

Employees may voluntarily substitute and use unused vacation and personal days concurrently with parental leave under this policy. Employees may also voluntarily substitute and use paid sick leave for any part of parental leave that meets the reasons for which paid sick leave may be used as set forth in the paid sick leave policy.

Use of parental leave will not result in the loss of any employment benefit that accrued prior to the start of parental leave. However, employees will not accrue paid leave such as vacation or sick leave during any period of FMLA leave. Notwithstanding, where employees substitute paid leave for unpaid leave under this policy, the substituted paid leave will count towards the employee's vacation and sick leave accrual. FMLA leave periods will be treated as continuous service for the purpose of calculating pension and retirement plan vesting and eligibility.

The Collaborative will maintain employees' GIC benefits during parental leave under this policy. However, the Collaborative will not continue to pay its portion of the employee's GIC premiums while the employee is on parental leave. The employee will be responsible for payment of 100% of such premiums while on parental leave under this policy. However, if parental leave under this policy also concurrently constitutes FMLA leave, the Collaborative will continue to pay its portion of such premiums pursuant to the FMLA policy in this Handbook.

To the extent an employee is entitled to FMLA leave in connection with the birth or adoption of a child, leave under this parental leave policy must be taken concurrently with any such FMLA leave.

Employees on parental leave under this policy may use, but are not required to use, any accrued, unused vacation leave, personal days, or sick days concurrently with such leave.

Domestic Violence Leave

The Collaborative is committed to the health and safety of its employees and their families. If employees or their family members are victims of abusive behavior (domestic violence, sexual assault, kidnapping, and stalking), they are encouraged to communicate with the Human Resources Department about the

situation.

In accordance with Massachusetts General Laws, Chapter 149, Section 52E (“An Act Relative to Domestic Violence”), employees are eligible for up to a fifteen (15) days of unpaid leave in any twelve (12) month period to address the psychological, physical, or legal effects of abusive behavior. Specifically, employees are eligible for leave under this policy to seek or obtain medical attention, victim services, or legal assistance; secure housing; seek or obtain a protective from a court; appear in court or before a grand jury; meet with a district attorney or other law enforcement official; attend child custody proceedings; or address other issues directly related to abusive behavior against an employee or a family member of an employee. For purposes of this policy, “family member” means parent, step-parent, child, step-child, sibling, grandparent, grandchild, married spouse, persons in a substantive dating or engagement relationship who reside together, persons having a child in common regardless of whether they are married or live together, or persons in a guardian relationship. Alleged perpetrators of abusive behavior are not eligible for leave under this policy.

Employees are required to exhaust all accrued paid leave (vacation, sick leave, and personal days) prior to taking leave under this policy. Use of leave under this policy will not result in the loss of any employment benefit that accrued prior to the start of parental leave.

Except in cases of imminent danger to the health or safety of an employee or the family member of an employee, an employee seeking leave under this policy must provide advance notice appropriate under the circumstances to their principal or supervisor. In case of imminent danger to the health or safety of an employee, the employee is not required to provide advance notice, but must notify his or her principal, supervisor, or the Human Resources Department within three (3) work days of taking leave under this policy. Such notification may be communicated by the employee, a family member, or the employee’s counselor, social worker, health care provider, a member of the clergy, shelter worker, legal advocate, or other professional who has assisted the employee or the family member of the employee.

The Collaborative may request that an employee taking leave under this policy provide documentation substantiating the need for the leave. Employees can satisfy such request by providing any one of the following documents substantiating the abusive behavior:

- A court issued protective order;
- An official document from a court, provider, public agency;
- A police report or statement of a witness or victim provided to police;
- Official legal documentation attesting to the perpetrator’s guilt;
- Medical documentation of treatment for the abusive behavior;
- A sworn statement from the employee attesting to being a victim of abusive behavior;
- A sworn statement from a professional who has assisted the employee or the family member of the employee, for example, a counsel, social worker, or member of the clergy, shelter worker, or legal advocate.

If proper documentation is provided, the Collaborative will not take any adverse action or discriminate against an employee for taking leave under this policy. Upon the employee’s return from such leave, an employee is entitled to restoration to the employee’s original job or to an equivalent position. If an unscheduled absence occurs for reasons covered by this policy, the Collaborative will not take any negative action against the employee if the employee provides the documentation described above within thirty (30) days of the absence.

The Collaborative will keep confidential all information related to an employee’s leave under this policy. Such information will only be accessed on a need to know basis. Such information will not be disclosed by the Collaborative unless disclosure is requested or consented to in writing by the employee, ordered by a court or required by law, required in a law enforcement investigation, or necessary to protect any other Collaborative employees. Any documentation provided in connection with leave under this policy will be maintained in the employee’s employment record but only for so long as required for the Collaborative

to determine whether the employee is eligible for leave under this policy.

To the extent leave under this policy also qualifies as FMLA leave, leave under this policy must be taken concurrently with any such FMLA leave.

Military Leave

Any Collaborative employee who voluntarily or involuntarily performs duty in the uniformed services of the United States, e.g. the Army, Navy, Marine Corps, Air Force, Coast Guard, Public Health Service commissioned corps and each of the respected reserve components are covered by the Uniformed Services Employment and Reemployment Rights Act (USERRA). USERRA protects employees' seniority-related rights and benefits. Appropriate military leaves of absence, benefits and reinstatements will be granted and maintained pursuant to state and federal law. Employees who are considering or who have been called to service in the uniformed services should contact the Human Resources Department for further details and obligations regarding military leaves. Requests for military leave must be submitted to your principal or supervisor on an Employee Leave Request Form.

Small Necessities Leave Act

Collaborative employees who meet eligibility requirements for FMLA leave are also eligible for additional unpaid leave under the Small Necessities Leave Act ("SNLA"). The SNLA provides up to twenty (24) hours of unpaid leave for eligible employees for the following reasons:

1. To participate in educational activities of their children;
2. To take a child to a routine medical appointment; or
3. To accompany an elderly relative to a routine medical appointment or to appointments for other professional services related to the elder's care.

If the need for this leave is foreseeable, the employee must give seven (7) days' notice before the date the leave is to begin. If the need for the leave is unforeseeable, the employee must give as much notice as possible under the circumstances. Employees taking SNLA time off are required to substitute and use unused vacation and personal days concurrently with SNLA leave under this policy. Employees are also required to substitute and use paid sick leave for any SNLA leave that meets the reasons for which paid sick leave may be used as set forth in the paid sick leave policy.

Peace Corps

Consistent with Massachusetts General Laws, Chapter 71, Section 41B, any Collaborative teacher who serves in the Peace Corps of the United States shall be entitled to an unpaid leave of absence, with no reduction of earned benefits, during their term of service. Upon completion of their term of service, such teacher shall be restored to the previous or similar position, at the same pay level, length of service credit and benefits as of the date of said leave. Teachers who wish to continue their GIC benefits coverage will be responsible for payment of 100% of the applicable insurance premiums on the first day of each month, during the leave of absence. The Collaborative will not pay its portion of such premiums while an employee is on leave for service in the Peace Corps.

Personal Leave

Where the reason for a leave of absence does not qualify for leave under any other Collaborative leave policy, an employee may request a personal leave of absence of up to six (6) weeks in a twelve (12) month period, measured by looking backwards from the first date of leave. Employees are eligible for this leave if they have been employed by the Collaborative twelve (12) consecutive months prior to their first date of leave. Requests for personal leave must be submitted to your principal or supervisor on an Employee

Leave Request form, accompanied by a brief written statement outlining the purpose and duration of the leave.

The decision to grant a personal leave of absence will be based on the operational needs of the Collaborative. Employees on a personal leave of absence are required to exhaust all available vacation and other paid leave while on leave. Upon the expiration of the leave, the employee may be returned to his or her former position if available. If the employee's position is not available, the employee may be offered another available position for which he or she is qualified. If no position is available when the employee is able to return to work, the employee will be terminated and his/her application will be considered for any vacant positions for which he/she may be qualified. The Collaborative will not pay its share of the employee's benefits, including GIC premiums during an unpaid personal leave of absence. Employees will be responsible for payment of 100% of the applicable premiums on the first day of each month, during the leave of absence.

Board Approved Unpaid Leave of Absence

An employee may request a Board of Directors approved unpaid leave of absence for up to one (1) year. Requests for Board approved unpaid leave must be submitted to your principal or supervisor on an Employee Leave Request form, accompanied by a brief written statement outlining the purpose and duration of the leave. The approval of this request will be at the sole discretion of the Board of Directors. At the very minimum, the employee must provide the reason necessitating the request, the length of time requested, and show evidence of his/her commitment to return to work at the conclusion of the leave. No benefits will be earned during the leave. All benefits earned prior to the leave will remain intact during the leave and will resume upon return to work. The Collaborative will not pay its share of the employee's benefits, including GIC premiums, during an unpaid Board Approved leave of absence. Employees will be responsible for payment of 100% of the applicable premiums on the first day of each month, during the leave of absence.

EMPLOYEE BENEFITS

GROUP INSURANCE COMMISSION

The Collaborative participates in the Commonwealth Group Insurance Commission (the “GIC”) which provides benefits to eligible Collaborative employees, including health insurance, dental benefits, vision benefits, long term disability, life/AD&D insurance, wellness programs, flexible spending benefits, retirement benefits, and more. Eligibility for GIC benefits depends, in part, on the amount of hours an employee regularly works. The GIC defines eligible employees as employees who work at least 18.75 hours in a 37.5 hour workweek or 20 hours in a 40 hour workweek and must contribute to their Employer’s public sector retirement system. The Collaborative will provide employees with an annual GIC Benefits Decision Guide published by the Commonwealth. Employees are encouraged to become familiar with and review the GIC Benefits Decision Guide for information regarding benefits eligibility, benefits options, and enrollment. Employees are also encouraged to contact the Human Resources Department with any questions concerning benefits through the GIC. For eligible employees who elect coverage through the GIC, the Collaborative will pay 75% of the premiums for either individual or family coverage; the remaining amount (25%) is deducted from the employee’s pay. All benefits are governed by the terms of the applicable benefits plans through the GIC.

Valley Collaborative offers an annual stipend to employees who are eligible for health care benefits through the GIC but elect to waive coverage as they have medical coverage through an alternate source. Eligible employees will be asked to complete a waiver. By waiving medical care coverage through VALLEY COLLABORATIVE, eligible employees are eligible to receive a maximum taxable payment of \$1,000 (less if the waiver applies to less than the whole Plan Year), paid in two pro rata installments in approximately December and June of the Plan Year, provided that they are still employed on the payment date. This waiver will remain in effect for the entire Plan Year, and the waiver will continue in effect unless the employee enrolls in VALLEY COLLABORATIVE’s medical care coverage during a subsequent open enrollment period or within 60 days of a qualifying life event as so deemed by the GIC.

PRE-TAX HEALTH COVERAGE (SEC 125 PLAN)

Section 125 of the U.S. tax code allows employees to purchase various benefits, including health insurance coverage, on a pre-tax basis. This is called a Section 125 plan, or a cafeteria plan. Employers are not required to contribute to the purchase of these benefits. The Commonwealth makes available a plan allowing employee who are not eligible for GIC coverage to purchase health insurance on a pre-tax basis through the Health Connector. Under the plan, payments for this health insurance would be deducted from the employee’s paycheck. All Collaborative employees (receiving a W -2 or 1042) who are not eligible for health insurance through the GIC are eligible to purchase coverage through the Health Connector on a pre-tax basis.

PROFESSIONAL DEVELOPMENT TUITION REIMBURSEMENT

Full-time employees are eligible for tuition reimbursement for graduate and undergraduate courses which have been preapproved by the Executive Director. Employees are reimbursed up to \$750.00 per fiscal year for tuition, books, and lab fees. Employees only receive reimbursement for completed courses in which they receive a grade of “B” or higher. Please contact the Human Resources Department for further information.

Full-time professional employees (such as therapists) are eligible for reimbursement up to \$750.00 for membership dues for professional associations which have been preapproved by the Executive Director. Professional employees are not eligible for reimbursement of such dues in addition to tuition reimbursement,

but rather are limited to an aggregate reimbursement of \$750.00 for year for tuition and/or membership dues.

Employees wishing to obtain reimbursement for the cost of certification in technology related areas are eligible for full reimbursement of the course up to a maximum of one certification per fiscal year, subject to approval by the Executive Director.

RETIREMENT

The Collaborative is subject to the laws of the Commonwealth regarding retirement policies, and all teachers and other employees eligible for a retirement plan must participate in it. Eligible Collaborative employees will have funds contributed to the Massachusetts Teachers' Retirement Board or the Massachusetts State Retirement Board.

OPEB Retirement Eligibility –

An “Eligible Employee” is an individual employed with Valley Collaborative on or after July 1, 2015, who is fifty-five (55) years of age or older and who has provided a minimum of ten (10) years of service to Valley Collaborative.

The Collaborative has established a 403(b)-retirement saving plan. This plan allows you to defer a portion of your income on a pre-tax basis and to invest those funds tax deferred. The 403(b) plan is meant to provide you with retirement savings and other benefits in addition to what you will get from social security and other retirement plans. Eligible employees may enroll in the 403(b)-plan effective the first day of employment. Contact the Human Resources Department with any questions concerning eligibility for the 403(b) plans.

SHORT-TERM DISABILITY INSURANCE

The Collaborative maintains a short-term disability insurance program administered through Hartford Insurance Company in which employees may participate. Participating employees pay 100% of the premiums for short-term disability coverage. The Collaborative does not pay any portion for such coverage. Short-term disability benefits are covered by the relevant policy documents. Please contact the Human Resources Department for more information.
