Unit 11: Culminating Capstone Unit

30 Days

Unit Dates: 4/12/2027 - 5/21/2027

The days in this unit include days for AP Exam Review and testing.

ALL Standards Addressed in this Unit

The capstone unit applies content that has already been learned in previous interdisciplinary PBLs and units throughout the school year. The capstone unit is an interdisciplinary unit that allows students to create a presentation, report, or demonstration that could include their models used to answer an overarching driving question. (e.g., Students can present their solution(s), findings, project, or answer to the driving question to a larger audience during the culminating capstone unit.)
