Ascension St. Vincent
Heart Care Program

Ascension St. Vincent Heart Care Program is a high-quality specialty care program offered through your employer as part of your health benefit at no cost to you.

What is the Ascension St. Vincent Heart Care Program?

- A program available to active members of participating employer health plans offering high-quality specialty care as part of the health benefit.
- Comprehensive cardiovascular care, including most testing, surgeries and procedures, performed at approved locations.
- A structured heart care program that provides advanced treatment in state-of-the-art catheterization labs and operating rooms at designated facilities.

Why should I participate in the Heart Care Program

- Experience world-class service and the highest-quality heart care available in Indiana.
- Excellent procedural and surgical outcomes, decreased hospital time and quicker recovery.
- Comprehensive post-surgical care to help ensure quality of life is restored.
- Zero deductible, copay or coinsurance costs for you and your family.
- Incentive payments from your employer for choosing the Ascension heart care team.

What services are included through the Heart Care Program?

**Cardiology services are covered only at approved locations. Refer to the online brochure for detailed information about approved locations.*

- Cardiology appointments, testing, surgeries and procedures.
- Advanced cardiac imaging, including computed tomography (CT) and magnetic resonance imaging (MRI).
- Emergency heart services and complex surgical care.

What is not included in the program?

- Cardiology appointments, testing or procedures performed at unapproved facilities or offices.
- Hospital services performed at unapproved Ascension hospitals including Anderson, Kokomo, Carmel, Fishers or other locations.
- Diagnoses not associated with cardiac conditions.
- Pediatric Cardiology.
- Laboratory testing.

What if I already have a non-Ascension cardiologist?

- Their services are not covered under this program; your regular deductibles and costs will apply for their services.
- Explain our incentive benefits program to your provider.
- Your current cardiologist can collaborate with our Ascension Cardiology team.
- You can request a referral to the Ascension St. Vincent Heart Care team.

Do I have to use this program?

- This is not a mandatory program. You always have the choice to use this program or seek care elsewhere through your primary health benefits.

Do I need a referral from my primary care provider?

- No referral is needed.
- You may directly call the concierge line to schedule an appointment for cardiac related care.

How much will services in this program cost me?

- Deductible and coinsurance costs are waived for eligible care.
- Incentive payments are available for participation in the program when utilizing services.

What if I am having symptoms of a cardiovascular emergency?

- Go directly to the closest ER or dial 911.
