

Our Programs

Academics

Our curriculum CKLA Amplify Bridges Math and hands-on science lessons and social studies text, fosters engagement and critical thinking among students.

Arts

Enjoy our vibrant arts program, featuring a state-of-the-art piano lab, captivating art shows, dynamic physical education activities, and STEM initiatives emphasizing the engineering processes and eSports and our media center with maker space exploration and diverse literary books

Athletics

Experience the thrill of victory with our basketball team and step teams, or show your team spirit by cheering on our football, step team or soccer o from the sidelines. At our school, we encourage participation in extracurricular activities to foster teamwork and sportsmanship.

Sense of Belonging

Through our Ron Clark House system, we cultivate a sense of community where every student feels valued and included. Join us for House Days and witness the camaraderie as our four houses—Amistad, Revere, Altruismo, and Isibindi—compete for house points, fostering a spirit of belonging and collaboration.

Our Mission & Vision

At Hunley Park, our mission is to equip scholars with the tools they need to become lifelong learners and engaged community members.

Our vision is for every student at Hunley Park to be proficient in reading and math by the end of second grade and beyond.

School Improvement Council Members

The committee of parents, community leaders, and teachers striving to improve our school.
