Dear Upcoming 7th Grade Families,

We are excited to welcome your scholar to 7th grade for the upcoming school year!

Please note that updated health and enrollment records are required for all students entering 7th grade. In order for your scholar to complete 7th grade enrollment, the following documents must be submitted before the first day of school.

- One dose of Tdap (tetanus, diphtheria, pertussis)
- One dose of meningococcal conjugate vaccine

If you are requesting a religious exemption, please complete the Affidavit attached to this email.

In addition, if your scholar has never completed Form 3300, this form must also be submitted. Form 3300 ensures students have been screened for vision, dental, hearing, and nutrition. This form is only required once during a student's K-12 education. If it was completed at another school, you may provide a copy.

Please see the attached forms and requirements for your convenience.

Submission Instructions:

- Forms may be scanned and emailed back to Bearcreekresidencedoc@fultonschools.org
(Please note: photos of documents cannot be accepted.)
- You may also drop off a hard copy to the main office.
- All required forms must be submitted by the July 23rd, 2026, deadline.
