APPROVED BUDGET

2026-27

*Prepared by the
Business Office Staff*

J. Scott Harrison, Chief Financial Officer

ASSOCIATION OF
SCHOOL BUSINESS OFFICIALS
INTERNATIONAL

This Meritorious Budget Award is presented to:

HILLSBORO SCHOOL DISTRICT 1J

for excellence in the preparation and issuance of its budget
for the Fiscal Year 2025–2026.

The budget adheres to the principles and standards
of ASBO International's Meritorious Budget Award criteria.

CEO/Executive Director

BUDGET FORMAT

Welcome to the Hillsboro School District budget document. The following section is a guide for navigating the budget document's format and organization as well as the budget preparation process.

The budget document is organized into four sections:

- Executive Summary
- Organizational Section
- Financial Section
- Informational Section

The Executive Summary includes the Budget Message and an overview of the 2026-27 budget. The narrative presents the budget in the context of the District's Strategic Plan. In addition, summary budget information is presented as well as budget forecasts and student enrollment history and projections.

The District Goals and Budget Committee for 2026-27 are included in the budget document. The Budget Committee and School Board are jointly responsible for oversight and approval of the budget, and the School Board makes appropriations and imposes taxes.

The Budget at a Glance highlights major budget changes from 2025-26 with an emphasis on the General Fund.

The Organizational Section is comprised of general information about the District and its budget, including the level of education provided, geographic area served, and number of schools and students. Also included in this section are significant budget and financial policies, procedures and regulations as well as a detailed description of the budget process.

The Financial Section contains required information for the District's funds and descriptions of significant revenue sources and expenditure categories.

The Informational Section includes detailed historical and projected personnel resource allocations, property tax information and other performance measures used by the District.

BUDGET MESSAGE

Dear Hillsboro School District Budget Committee Members and Community Members:

In accordance with ORS 294.391, I submit to you the Hillsboro School District IJ proposed 2026-27 budget.

Looking briefly into the past, we headed into the 2025-26 school year having made our largest single-year budget cut in history: \$20 million. Savings were realized by taking the following actions:

- Reducing 66.5 full-time equivalent (FTE) licensed positions
- Reducing 77.5 FTE classified (both 10-month and 12-month) positions
- Reducing 5.2 administrative and supervisory-technical positions
- Reducing department (non-school) discretionary budgets by 10%
- Reducing school discretionary budgets by 5%

These were painful but necessary decisions to put our budget in balance for the year.

The primary reason for the shortfall is what we've come to call a "structural deficit" - a situation where the growth rate of expenses outpaces that of revenues.

First, I'll address expenses. Education is a people-centered endeavor, so it should not be surprising that approximately 87% of our expenses are connected to staff salaries and benefits. Within the benefits category, approximately half of our costs are due to PERS - the public employee retirement system. Most HSD employees are eligible to participate in PERS. To do so, they must contribute 6 percent of their salary out of each paycheck, and the district must pay additional money on their behalf as well as on behalf of all former employees who remain eligible for benefits - the mandatory PERS employer rate.

These rates are set every year by the PERS Board, and currently HSD's rate is approximately 24%. This means that for every one dollar of salary we pay a staff member, we must pay an additional 24 cents to the PERS system. This equates to millions of dollars each year that are not going into our classrooms.

On top of salary and benefits, other costs of doing business are increasing sharply - things like liability insurance, utilities, and materials and supplies.

In all, our expenses in this biennium are up approximately 19% from the 2023-25 biennium.

Next, I'll talk about revenues. General fund dollars come to us primarily from the State School Fund, and secondarily from state-level formula grants (High School Success, Student Investment Account, Early Literacy). When these formula grants were first introduced, their intent was to bolster investment - and ultimately student achievement - in key areas. And while the money we receive through these grants is being used

appropriately, it is also unfortunately true that districts have increasingly had to rely on them for core functions that used to be covered by the State School Fund.

If we look back over the last several biennia, we see a situation where school districts continually advocated for additional State School Fund revenue to adequately cover costs. We anchored to our “CSL” or current service level, which is a calculation of what it would cost in a subsequent year to do the exact same things as the current year. A couple of key issues with this approach were that each of Oregon’s 197 school districts have a different CSL, and that school business officials routinely disagreed with the Legislative Fiscal Office on an appropriate calculation.

The 2025 Legislature did pass House Bill 2140, which recalculated school districts’ CSL to more accurately reflect expenses and added \$515 million to the State School Fund allocation. Even with this additional money, the State School Fund was \$11.36 billion, which represented an approximate increase over the 2023-25 biennium of 11%.

With formula grant funding flat or slightly reduced, and expenses up by 19%, it’s easy to see how a State School Fund increase of 11% was simply not sufficient to avoid shortfalls this biennium.

It is also worth noting that school districts have never been expected to simply do the same thing from one year to the next - we are always expected (and expect ourselves) to do more and better each year in the service of students. Include new or changing legislation with increasing requirements, and we have a situation where it is not only difficult to keep reductions from impacting the student experience, but also one in which staff burnout is common.

It is because of this structural deficit that we can no longer expect reductions made in the first year of a given biennium to carry us through the second year without further cuts.

In the 2026-27 school year, we are anticipating another \$10.2 million in reductions.

We have been as proactive as possible in trying to lower this number and be planful about its implementation. Some of our cost saving measures include:

- Rebalancing our cash portfolio to enable a higher rate of return on invested assets,
- Working with vendors to negotiate more favorable contract rates to reduce operating expenses,
- Delaying certain large purchases,
- Managing discretionary expenses (e.g. travel) very closely,
- Analyzing each open position to look for opportunities to reduce personnel costs.

We also offered a voluntary retirement/separation incentive to long-term staff who met certain criteria. We anticipate being able to lessen the impact of 2026-27 reductions by \$1.2M due to this program and better position ourselves for future budget shortfalls as a result.

To help us make reduction decisions, we gathered input from leaders across schools and departments. Their feedback helped ensure we only took the most necessary and "best of the bad" steps to reach a balanced budget.

This year, our Board also supported a set of Budget Guiding Principles, which includes things like providing a balanced and equitable educational experience to each student, growing student learning in alignment with our Strategic Plan goals, and striving to increase the ending fund balance to 8% to better prepare for emergencies, among other priorities.

The reductions include an increase to the staffing ratio at middle and high school, as well as further reductions to staff positions and discretionary spending. These are anticipated to affect 49 staff members/positions: 36.5 licensed, 11 classified, and 1.4 administrators.

Our fiscal responsibility, alignment, and system optimization; together with ongoing advocacy and attempts to decrease the structural deficit at the state level; will be needed to keep our district achieving and growing into the future.

I am grateful for your partnership and the care you demonstrate to our students, staff, families, and community. Please stay tuned to our official communication channels, including Hot News and the Budget Matters page of our website, for updates.

Respectfully,

Travis Reiman
Superintendent

BUDGET HIGHLIGHTS

The Budget Process

Oregon Local Budget Law (ORS 294.305 to 294.565) outlines the process and format for school districts' annual budget preparation. A balanced budget is achieved when projected resources equal projected requirements within each fund. The Oregon Department of Education (ODE) adopts a chart of accounts through the administrative rule process, which all Oregon school districts must follow for budgeting and financial reporting. The Hillsboro School District appropriates its expenditure budget at the major function level, which includes Instruction, Support Services, Enterprise and Community Services, Facilities Acquisition and Construction, Debt Service, Other Uses (mainly transfers), Contingency, and Unappropriated Ending Fund Balance.

2026-27 Budget Overview

The District's budget message and adopted budget are based on an \$11.36 billion State School Funding (SSF) level for the 2025-27 biennium. The 2026-27 approved budget for the District totals \$459,422,140 for all funds, reflecting a \$7.1 million decrease from the 2025-26 adopted budget. This decrease is primarily due to the spend down of bond proceeds.

Significant budget factors are as follows:

- The 2026-27 school year is the second year of the 2025-27 biennial funding cycle of the State of Oregon.
- Following a pattern in recent years, enrollment is expected to decrease slightly as graduating classes remain larger than incoming Kindergarten classes. Birth rates are down from historical trends, and student mobility factors indicate that students are leaving the District and/or not returning after break periods.
- Expenditure assumptions are developed using historical trends and current market data in regards to the following:
 - Staffing adjustments will occur in alignment with corresponding 2026-27 expenditure level. This includes reductions to overall staffing levels.
 - Employee benefits will be increased in proportion to wages except for the District contribution to insurance which will align with employee eligibility and current bargained agreements;
 - Maintain current number of school calendar/contract days and in-person instruction days all year, including activities; and
 - The areas of Services and Supplies have a variable annual increase based on recent experience for utilities, fuel, substitutes, and service agreements.

- Student Investment Account Funds will be utilized in accordance with the Integrated Guidance Investment Plan. Although allocations are preliminary at this time, the District anticipates using \$19.56 million in 2026-27 SY.
- The Special Revenue Funds are estimated to increase \$2.8 million over the 25-26 budget.
- The Debt Service Fund will increase by \$2.1 million to meet the principal and interest payments for capital construction and pension obligation bonds. The levy rate per thousand to raise the debt service requirement is not expected to exceed voter authorization.
- The Capital Construction Fund will be completely spent down in the 2025-26 year and will not have a balance carry forward.
- Smarter School Spending framework is used to align improved student achievement with a focus on equitable access to learning for traditionally underserved students and students with barriers to success in alignment with the [Policy JBB: Educational Equity](#).
- To the extent possible, the budget must ensure financial stability through the end of the 2025-27 biennium and sustain future services.
- The District previously completed bargaining agreements with both Hillsboro Classified United and Hillsboro Education Association for the 2024-27 Agreement. The outcomes of those agreements have been included in the 2026-2027 budget.
- The District will target a 4.0 percent General Fund ending balance.
- The District will continue to utilize Special Revenue Funds such as the Construction Excise Tax, SB1149 (Senate Bill 1149, est. 2002, public purpose charge for energy conservation strategies), and Bond funds for eligible expenses to reduce the impact of operational budget requirements to instruction.
- Federal program revenues are based on historical trends and estimates provided by the [Oregon Department of Education](#).

EXTENDED PROJECTION ASSUMPTIONS

The following assumptions describe the extended budgetary outlook.

Revenues

- General Fund revenue will decrease by approximately 1.92 percent due to an estimated reduction in state school fund allocation. Future General Fund revenues are estimated to increase by an average 3.39 percent per year (includes property and income taxes) and will be held harmless from further “carve-out” grant designations.
- Measure 98 funds for College and Career Readiness and Drop-out Prevention will continue and are accounted for as a Special Revenue Fund.
- The Student Investment Account will be fully funded per statute and revenue availability.
- Federal grant funds will be based on historical funding levels and estimates from the Oregon Department of Education, if they are available.
- The District is facing another estimated decrease in enrollment that will impact funding from the State School Fund allocation.
- Enrollment is based on trend analysis and includes projected impact of new residential development and student yields¹.
- The Nutrition Services Program will continue to operate without subsidy by the General Fund.

Expenditures

- The budget assumes full school years, with the same number of school days and continued investment areas within the Arts, Athletics, Activities, TAG, STEM/STEAM, or serving students in poverty.
- PERS payroll rate is consistent with current year rates.
- Premiums for Oregon Paid Family Leave will be co-funded by employee and employer contributions as specified in statute.
- The District will continue to charge indirect rate to Special Revenue funds as allowed by grant agreements to offset the administrative and operational overheads generated by targeted funds.
- Debt service requirements are calculated on a consolidated schedule based on current obligations, assessed property values, and collection rates.

¹ Oregon Department of Education (historical annual ADM) and 2024/25 MGT Student Population Report (February 2025)

- Staffing projections are based on the 2025-26 current service level and aligned with Student Investment Act and full funding of Measure 98. Licensed staffing will be reduced in 2026-27 according to student enrollment and revenue estimates. Class size targets are tiered by grade level: Kindergarten, 26:1; Grades 1-6, 28:1; and Grades 7-12, 31.25:1
- The General Fund end balance minimum threshold will remain at the 4.0 percent target. However to increased local collections the end balance will be closer to 9.0 percent although this will cause a state school fund reduction in 2026-27 which will subsequently reduce this end fund balance over the duration of that year.

BUDGET SUMMARY AND FORECAST - ALL FUNDS

The forecast for all funds is decreasing by 1.52% in 2026-27 due to the complete utilization of Construction funds in the 2025-26 year.

Budget Summary – All Funds Table*

History and Projections	Prior Year Actual	Current Year Budget	Next Year Budget	Current to Next Year	Year 1 Forecasted	Year 2 Forecasted	Year 3 Forecasted	6 Year Average Annual
Fund	FY 2024-25	FY 2025-26	FY 2026-27	% Change	FY 2027-28	FY 2028-29	FY 2029-30	% Change
General (Operational)	\$291,380,940	\$316,005,374	\$309,922,434	-1.92%	\$317,526,692	\$329,562,546	\$342,477,923	3.11%
Special Revenue	\$89,703,267	\$81,388,871	\$84,215,956	3.47%	\$86,286,115	\$88,413,941	\$90,601,111	0.15%
Debt Service	\$60,626,451	\$63,202,255	\$65,283,750	3.29%	\$38,959,922	\$34,507,401	\$35,653,944	-7.46%
Construction	\$11,339,691	\$5,898,934	\$0	-100.00%	\$0	\$0	\$0	-3.25%
Internal Services	\$8,500,000	\$0	\$0	0%	\$0	\$0	\$0	-0.52%
Total	\$461,550,349	\$466,495,434	\$459,422,140	-1.52%	\$442,772,729	\$452,483,888	\$468,732,978	0.25%

***Notes:**

General Fund: Includes projected reduction at -1.92 percent versus the 2025-26 adopted budget (at \$11.36B Current Service Level State School Fund).

Special Revenue Funds increasing 3.47 percent from the 2025-26 adopted budget. SIA funds expected to hold steady.

Debt Service: Estimated to grow by 3.29 percent over 2025-26 adopted budget per debt schedule and tax collection rates.

Construction: Complete the spending down of bond proceeds according to project plans as the current bond should be exhausted in 2025-26.

Ending Fund Balance – All Funds Table

History and Projections	Prior Year Actual	Current Year Budget	Next Year Budget	Year 1 Forecasted	Year 2 Forecasted	Year 3 Forecasted
Fund	FY 2024-25	FY 2025-26	FY 2026-27	FY 2027-28	FY 2028-29	FY 2029-30
General (Operational)	\$11,919,375	\$11,537,126	\$11,920,094	\$12,232,934	\$12,716,010	\$13,320,950
Special Revenue	\$10,400,517	\$1,688,537	\$14,202,675	\$14,249,543	\$14,575,339	\$14,909,890
Debt Service	\$2,278,051	\$2,220,047	\$2,000,000	\$2,000,000	\$2,000,000	\$2,000,000
Construction	\$5,768,934	\$0	\$0	\$0	\$0	\$0
Total	\$30,366,877	\$15,445,710	\$28,122,769	\$28,482,477	\$29,291,349	\$30,230,840

Major factors for General Fund Balance included stability of the State School Fund and property tax collections. The unassigned fund balance of \$11.92 million represents 4.0 percent of the total General Fund Expenditures which is a target of the Budget Committee.

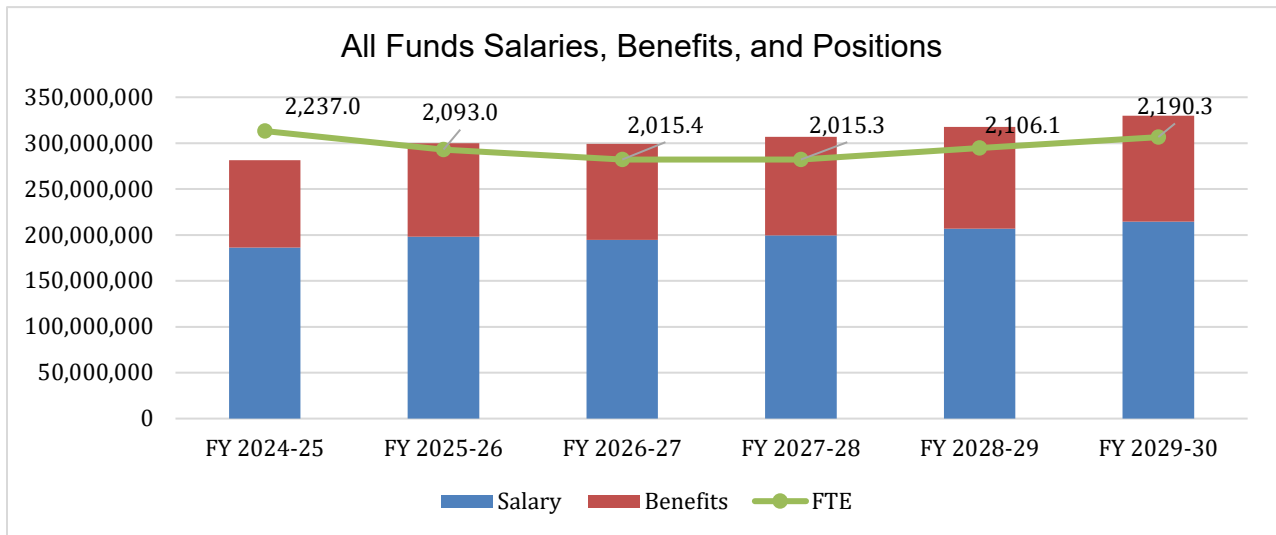

The Special Revenue Fund Balance increases from 2025-26 to 2026-27 at \$1.69 million and \$14.20 million respectively. Estimates for various grants, Block 56 and Print Shop revenue are expected to increase in 2026-27.

The Debt Service Fund remains stable at a projection of \$2.0 million for 26-27 and beyond based on historical growth trends.

The Capital Project Fund balance reduced to zero with expense of all remaining funds in 2025-26.

ALL FUNDS SALARIES, BENEFITS AND POSITIONS – HISTORY AND BUDGET

The District is experiencing a decrease of 1.75 percent in the “all funds” appropriation for salaries for the 2026-27 budget year from the 2025-26 adopted budget. Payroll Costs including associated benefits have increased by 2.96 percent in 2026-27 compared to the 2025-26 adopted budget, due associated payroll costs increasing at a higher percentage per year in comparison to salaries.

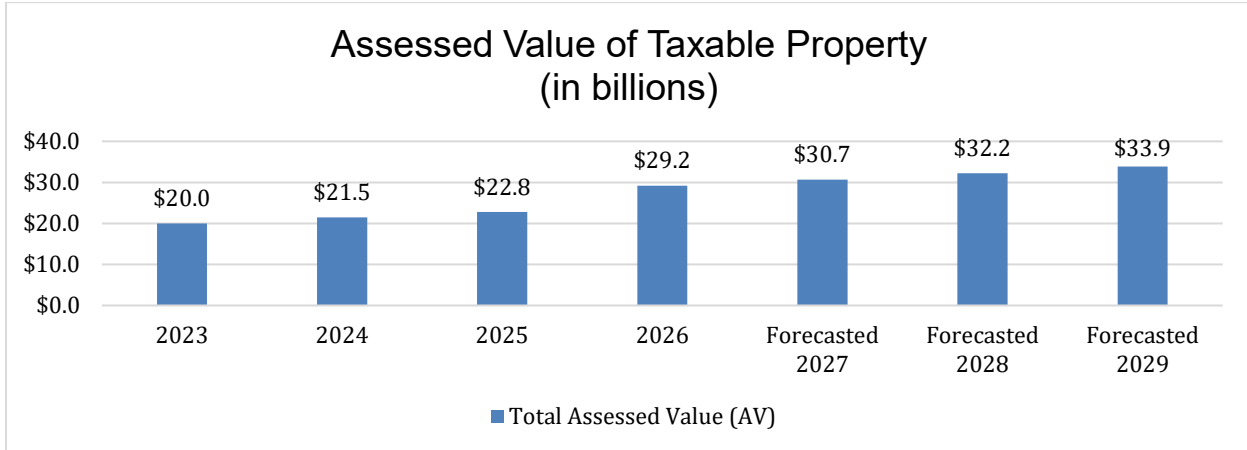

ASSESSED VALUE AND PROPERTY TAX SUMMARIES

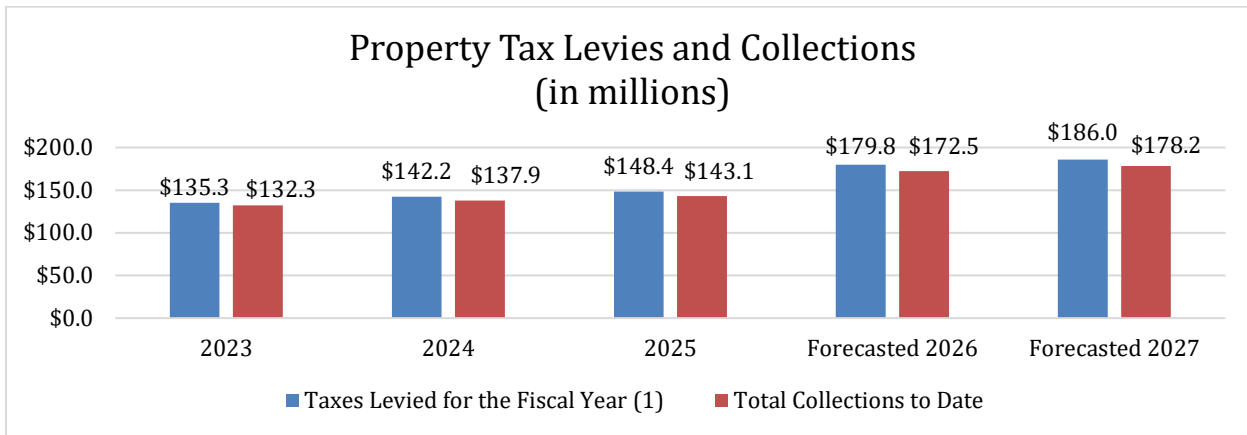

The permanent tax rate is determined by the State of Oregon Constitution and State Statutes. Existing districts cannot increase their permanent rate authority. Rates for debt services are set based on each year’s requirements.

Tax Rates	2022-23	2023-24	2024-25	2025-26	Forecasted 2026-27
Permanent Tax Rate per \$1,000 of AV	4.9749	4.9749	4.9749	4.9749	4.9749
Bond Tax Rate per \$1,000 of AV	1.9920	1.9707	1.9290	1.5221	1.4382
Average Assessed Value ²	308,138	318,581	328,283	339,000	347,837

(1) Amounts are based upon tax collection year July 1 to June 30.

DEBT SUMMARY

General Obligation Bonds – In November 2017, the District passed a \$408 million capital project levy. In December 2017, the District issued a \$268.4 million general obligation bond series and realized an unamortized premium of \$51.6 million, with an interest rate of 3.0 to 5.0 percent. In February 2020, the District issued a \$139.6 million general obligation bond series and realized an unamortized premium of \$27.7 million, with an interest rate of 1.5 to 5.0 percent. In October 2020, the District refinanced the 2012 General Obligation Bonds and issued \$40.4 million in General Obligation Bonds, refunding \$37.1 million for a difference of \$3.3 million, with an interest rate of 0.22 to 0.75 percent. The proceeds were used to refund the Callable Portion only of the District’s 2012 Bonds and to pay the costs of issuance. The Bonds helped the District obtain a benefit of savings in total debt service requirements. The present value of the economic gain resulting from the refunding was \$1.6 million. The district is currently in the planning stages to bring a general obligation bond proposal for voter consideration in the fall of 2026 to replace expiring bond funds.

Pension Obligation Bonds – During the 2004-05 fiscal year, the District participated in pooled issuances of taxable pension obligation bonds to pay off a portion of the District’s unfunded actuarial liability. The District issued \$102.9 million in debt as part of a pooled issuance of \$458.6 million. In May 2015, the District issued \$39.86 million in taxable pension obligation bonds to finance the District’s estimated PERS unfunded actuarial liability. Bond proceeds were paid to the Public Employee Retirement System (PERS). An intercept agreement with the State of Oregon was required as a condition of issuance; therefore, a portion of State School Support is withheld on a monthly basis to repay debt. Annual principal and interest payments are made each June 30, ending on June 2034.

Qualified Energy Conservation Bonds – In March 2016, the District entered into a direct placement agreement for an Energy Conservation Bond in the amount of \$3.4 million. The bond has an interest rate of 3.46 percent, which is offset by tax rebates to the issues as a participant in the Quality Energy Conservation Bond program. If an Event of Default occurs, the Lender may exercise any remedy available by law or in equity. However, the amounts due from the District under this Agreement shall not be subject to acceleration. Upon the occurrence and continuance of an Event of Default, the Lender may, in addition to pursuing other remedies, at its election, increase the interest rate by 3.0 percent.

Changes for the long-term obligations for the year are as follow:

Governmental Activities Description	Outstanding July 1, 2026	Increases	Decreases	Outstanding June 30, 2027	Due Within One Year
General obligation bonds	\$332,585,000	\$ -	\$31,300,000	\$301,285,000	\$13,810,000
Unamortized Premium	48,539,805	-	3,965,117	44,574,688	-
Total General obligation bonds, net	381,124,805	-	35,265,117	345,859,688	13,810,000
Pension obligation bonds	41,870,000	-	14,625,000	27,245,000	7,935,000
Notes from direct placements and borrowings:					
Qualified energy conservation bond	1,012,726	-	152,385	860,341	158,667
Total	\$424,007,531	\$ -	\$50,042,502	\$373,965,029	\$21,903,667

STUDENT ENROLLMENT

The District's adopted budget requirements are based on the number of projected students. State School Funding, the primary source of district revenue, is calculated based on the number and demographic of students enrolled. Staffing is adjusted by staff to student ratios for class size and caseload. Support staff that are not linked directly to students are also adjusted to control costs while maintaining safe and stable operations.

October 1, 2025, Enrollment Report Highlights.

On October 1, 2025, the Hillsboro School District had 18,318 registered students. This is a decrease of 409 students from October 1, 2024, and represents a 2.18 percent decrease in student growth.

A total of 711 students transferred out of the Hillsboro School District as follows: 576 to virtual charter schools outside of the District; 48 to be homeschooled; 18 to private schools; and 69 to other school districts.

The average number of kindergarten students over the past three years was 1,286, which was used for the 2025-26 projected kindergarten enrollment. Kindergarten enrollment has increased by 5 students as of October 1, 2025, in comparison to the May 2025 enrollment. These figures do not include City View Charter School. Another 56 students have transferred into the Hillsboro School District.

The October 2025 enrollment data was provided to Davis Demographics, an MGT company that has provided annual updates to 10-year enrollment forecasts. The most recent report included the following highlights.

- Overall, the resident student population for HSD is expected to decrease by 2.5 percent over the next five years and 5.1 percent over the next ten years.
- The kindergarten class is expected to remain stable, in addition to stable birth rate trends within the district.
- Overall, the upper grade levels will graduate and be replaced by smaller class sizes, which is a large contributor to the decreasing resident student population.
- The K-6 resident grade group is expected to decrease by 1.2 percent in the five-year forecast, then flatten for a ten-year decrease of 1.8 percent. The largest percentage decreases in resident population are expected within the attendance areas of Patterson ES, Quatama ES, and Tobias ES, while the greatest gains are expected at Tamarack ES, Atfalati Ridge ES, and West Union ES.

- The middle school resident student population is expected to decrease by 6.0 percent in the five-year projection then flatten in the second half of the forecast, for a total ten-year decrease of 8.4 percent. The largest declines are expected at RA Brown MS, while small gains are expected at South Meadows MS in the ten-year forecast.
- The high school resident student population is expected to experience a decline of 2.9 percent in the five-year forecast and 8.5 percent in the ten-year horizon as larger 12th grade cohorts are replaced by smaller incoming freshman cohorts. The largest losses are expected at Century HS followed by Glencoe HS, while small gains are expected at Hillsboro HS.
- Forecast factors:
 - Birth rates across district zip codes have shown steady declines until the year 2020. After 2020, the district shows an increase and flattening which will likely result in slight gains in the kindergarten cohorts five years later. In addition, the capture rate of births-to-kindergarten is showing slight growth that will likely provide stability to the kindergarten cohorts in the future.
 - The district experiences notable influxes of students entering 1st, 9th, and 12th grades. These increases are likely due to students joining after private preschools (1st grade), transferring from parochial schools (9th grade), and seniors remaining an additional year before graduation (12th grade). Outside of these specific transitions, overall inward mobility across grades is declining.
 - There are 33 active or planned projects in Hillsboro School District, totaling 3,489 units incorporated into the ten-year forecast.
- The Student Yield Factor (SYF) for Hillsboro School District measures the number of school-aged children residing in housing units built within the last five years. For Hillsboro School District, the SYF is 0.309 for single-family detached (SFD) homes, 0.171 for multi-family attached (MFA) homes, and 0.127 for apartments (APT). This means that for every 100 single-family detached homes constructed in the past five years, the District gains approximately 31 school-aged children. For multi-family attached homes, such as townhomes, the District gains about 17 students for every 100 homes built. In the case of apartments, the SYF indicates a gain of 13 students for every 100 apartments constructed in the last five years. Moving forward with the forecast, the Hillsboro School District can anticipate an increase in student enrollment from upcoming residential developments based on the Student Yield Factors (SYF).

BUDGET PLANNING CALENDAR

Hillsboro School District Budget Development activities are listed in the table below.

Date	Activity
November 18, 2025	Appoint Budget Committee Members to Vacant Positions
December 19, 2025	Budget Planning Calendar Approved
January 27, 2026	Budget Development Update: Preliminary Outlook
February 24, 2026	Budget Development Update: Investment Plan
Interim Period	Gather input and update projections for Proposed Budget
April 28, 2026	Budget Committee Meeting: Committee members review proposed budget documents, receive Budget Message, and may approve the budget for Hearing. If needed, a Supplemental Budget for the Current Year will also be proposed
May 7, 2026	Additional Budget Committee Meeting (if needed)
May 21, 2026	Additional Budget Committee Meeting (if needed)
June 16, 2026	Budget Hearing: Board Adopts Budget, Makes Appropriations, Declares the Levy
July 1, 2026	Implement Budget
July 15, 2026	Levy Certified to Assessor, and Adopted Budgets distributed per Local Budget Law and district best practice

THE BOARD OF DIRECTORS

Hillsboro School District is governed by a Board of Directors, comprising seven elected members serving four-year terms. Board members are community volunteers and do not receive compensation for their work. The Board has legal authority over all public schools in the Hillsboro School District, within the framework set by the Oregon Legislature and the State Board of Education. The Board acts to interpret the educational needs of the District, then meets those needs with policies and facilities that motivate students and stimulate the learning process. The Board is also responsible for employing the Superintendent to administer the district. Public meetings notices and documents can be found here: <https://www.hsd.k12.or.us/board>.

The ongoing duties of the Board include allocating resources, formulating policies, and interacting with the community in support of the District’s mission and the objectives of the Strategic Plan. The Board members and their terms are as follows:

<p><u>Position 1</u> Yessica Hardin Mercado July 2025 - June 2029</p> 	<p><u>Position 2</u> Mark Watson July 2026 - June 2029</p> 	<p><u>Position 3</u> Nancy Thomas July 2026 - June 2029</p> 	<p><u>Position 4</u> See Eun Kim July 2023 - June 2027</p> 
<p><u>Position 5</u> Ivette Pantoja July 2023 - June 2027</p> 	<p><u>Position 6</u> Katie Rhyne July 2026 - June 2029</p> 	<p><u>Position 7</u> Patrick Maguire July 2023 - June 2027</p> 	<p><u>Student Representatives</u> Nicole Ayala Congachi Jocelyn Trejo-Reyes Hazel Cleveland</p> 

SUPERINTENDENT'S CABINET

Superintendent Travis Reiman was appointed by the Board to serve as the Chief Executive Officer of the District. The Superintendent is a professional educator employed to advise the Board on all matters concerning management of the schools, and to administer laws, regulations, and policies adopted by the Board.

As the leader for teaching and learning in Hillsboro School District, the Superintendent is responsible for guiding the development of the curriculum and educational programs that address the needs of students and providing leadership and advocacy for education. The Superintendent is accountable for the fiscal management of the District, guiding the direction of employees, and ensuring their ongoing professional development.

Cabinet

J. Scott Harrison – Chief Financial Officer

Audrea Neville– Assistant Superintendent for Schools

Brooke Nova – Assistant Superintendent for Academic Services

Beth Graser – District Communications Officer

Francesca Sinapi – District Equity, Access & Engagement Officer

Saideh Haghighi Khochkhou – District Operations Officer

Kona Lew-Williams – District Human Resources Officer

Derek Brown – District Information & Technology Officer

The Chief Financial Officer oversees preparation, delivery, and monitoring of the district budget in accordance with Local Budget Law, district policy, and at the direction of the Superintendent. The full cabinet is actively involved in budget development to ensure program fidelity with resources and for planning student success.

THE DISTRICT AND THE COMMUNITY

Hillsboro School District, a unified school district, is the fourth largest of 197 districts in Oregon, enrolling approximately 3.4 percent of the total Kindergarten through 12th Grade student population. The District will serve approximately 17,891 students during 2026-27 and operates four high schools, four middle schools, twenty-seven elementary schools, one alternative education school, one online academy, and one charter school.

Hillsboro is conveniently located 18 miles west of Portland (Oregon's largest metropolitan city), 60 miles east of the Oregon coast, and 80 miles from the ski slopes of the Cascade Mountains. Encompassing more than 200 square miles, Hillsboro School District serves families from the communities of Hillsboro, North Plains, Cornelius, Aloha, and a portion of Sherwood. District property is located in three separate counties: Washington, Multnomah, and Yamhill.

From high-tech companies to institutions of higher education, strong community partners provide extensive resources to the District through grants, volunteering, and donations. The City of Hillsboro is a key partner with Hillsboro School District, providing an abundance of parks, recreation, and after-school and summer programs for children.

Hillsboro's government takes pride in its business-like efficiency, concern for livability, and careful planning for residential and industrial growth. Professionally advanced police and fire departments provide comprehensive emergency response service to community residents. In addition, residents of all ages have access to parks, libraries, and community centers that provide recreational, educational, and social opportunities.

Hillsboro School District 1J was formed in July 1996 through the unification of a union high school district and its six feeder elementary school districts. This unification was accomplished under a plan developed and approved by each of the seven prior district governing bodies in response to a unification deadline mandated by Oregon State Statutes. The seven previously independent districts were Hillsboro Union High School District and the Farmington View, Groner, Hillsboro, North Plains, Reedville, and West Union Elementary School Districts.

The District, a fiscally independent entity, is organized with a seven-member elected Board of Directors and a Board-appointed budget committee. In 2025-26, management staff consisted of 1 superintendent, 2 assistant superintendents, 8 executive directors, 11 directors, 2 coordinators, 1 financial officer, 1 human resources officer, 1 communications officer, 1 operations officer, 1 information and technology officer, 1 equity, access, and engagement officer, 37 principals, and 17 assistant-principals. The Board of Directors approves the hires of all management staff members. The District also employs approximately 1,222 teachers and 1,285 support staff, including instructional assistants, secretaries, clerks, bus drivers, cooks, custodians, maintenance workers, and various other professional and technical staff.

The community voted in November 2017 to approve the sale of \$408 million in bonds for capital projects. These bonds were issued in two separate sales in order to align the proceeds with the cash flow requirements of project expenditures as described in the ballot title. The 2017 Bond was defined as a “renewal” levy that replaced expiring debt service items without increasing the tax rate per thousand of assessed value to local constituents. Additional facilities included a replacement of Brookwood Elementary School (2020), Atfalati Ridge Elementary School (2021) in North Plains, and Tamarack Elementary (2023) to accommodate growth due to new residential development.

School Districts in Oregon may ask voters to approve levies to pay debt service on bond sales to raise capital for qualifying projects or an operating levy for a period of up to 5 years. Although 19 Oregon School Districts have asked their voters for and received local option levies ranging from \$0.25 to \$1.99 per \$1,000 of Assessed Value (AV), the Hillsboro School District has continued to focus levy requests on capital project investments in the communities served. Hillsboro School District is planning a capital project related bond for the ballot in November of 2026.

DISTRICT STRATEGIC PLAN

In the Spring of 2022, the Hillsboro School District (HSD) set out to engage in an equity-centered, community-wide strategic planning process that was grounded in students’ voice, informed by data from multiple sources, and engaged the diverse perspectives of the HSD community. The District committed to developing a Strategic Plan¹ for the District in a way that:

- Clarified the goals and measures for student learning, growth and achievement;
- Outlined a roadmap for accomplishing those goals;
- Embraced the diverse voices of all stakeholders; and,
- Mobilized leadership for courageous action.

A primary purpose of planning is to create alignment.

Alignment is the process of reaching shared understanding about common purpose. With mutual understanding, the work of the District has meaning to all stakeholders, enabling the achievement of its vision for all students: - to prepare each student for career, college and life.

To be effective, the planning process must proactively seek out and embrace the diverse voices and perspectives across the District. The District’s planning process included gathering input on students’ experiences, parents’ perspectives, and the quality of the instructional program.

This input, along with complete analysis of student outcome and access data served as the foundation for the plan. A series of teams’ representative of the diverse stakeholders in the community developed the plan over the course of many months.

¹ Complete District Strategic Plan located at <https://www.hsd.k12.or.us/about-us/strategic-plan/overview>

Structure of the Plan

The ultimate goal of our school system remains unchanged: learning, growth, and success for every student, without exception. Those are the “ends” we seek. The means to the ends are organized around two ideas: effective instructional practices and an empowering infrastructure. Keeping “ends” and “means” in proper sequence is essential for a student-centered, results-focused strategic plan.

The plan has three main components:

1. Student Learning
 - a. Our Promise
 - b. Portrait of a Hillsboro Graduate
 - c. Goals for Student Success
 - d. Measure of Student Progress
 - e. Performance Targets
2. Instructional Effectiveness
 - a. “Four Pillars” (Framework for Coherent Action)
 - b. Professional Practices for Effective Instruction
3. Empowering Infrastructure
 - a. Strategy Map
 - b. Strategic Priorities & Key Actions
 - c. Roadmap for Disciplined Implementation

Integrated Guidance and Strategic Investments

The Oregon Department of Education has developed an Integrated Guidance framework to consolidate the grant application and reporting for multiple initiatives:

- High School Success (Measure 98 funding)
- Student Investment Account (Student Success Act/Corporate Activity Tax)
- Continuous Improvement Planning (Federal Programs like Title I, II, IIIC)
- Career and Technical Education (Perkins Grant)
- Every Day Matters (unfunded)
- Early Indicator and Intervention Systems (unfunded)

The Integrated Guidance framework requires extensive community engagement and encourages alignment with the District’s Strategic Plan. At the conclusion of the engagement process, the following Goals for Student Success have been identified.

Goals for Student Success	
GOAL #1	 <p>Success in the Early Years Every student will acquire the social-emotional readiness and foundational academic skills for future success.</p>
GOAL #2	 <p>Safe & Supported Learners Every student will develop the habits and skills necessary to confidently demonstrate self and social awareness, and access available resources and supports.</p>
GOAL #3	 <p>Access & Opportunity Every student will receive equitable treatment and needed supports and services in order to eliminate barriers and increase predictability of future success.</p>
GOAL #4	 <p>Critical Thinking & Problem Solving Every student will be an empowered, engaged, critical, creative thinker who demonstrates proficiency across content areas.</p>
GOAL #5	 <p>Graduate Ready for Career, College and Life Every student will successfully navigate significant transitions with access to supports to graduate from high school ready for career, college and life.</p>

Under each Goal are three metrics to track growth overall and by Focal Student Groups. For all HSD goals, students who identify as Native American, Latina/o/x, Black, African, African American, Native Hawaiian/Pacific Islander, Multiracial, Emerging Bilinguals, students who are identified as talented and gifted, and students who experience disabilities, foster care, poverty, and/or houselessness, and students who identify as LGBTQ2SIA+ will get the support they need, ensuring that the rate of improvement (as measured by our metrics and performance targets) for our traditionally underserved students allows them to achieve at the same levels as students who have traditionally benefited from our school system.

Performance Targets have been identified for general and Focal Student Groups for the four year period of the Plan. Activities will be reviewed annually to determine effectiveness and may change in an effort to meet (or exceed) the Performance Targets. Data will inform areas of investment which may include retiring ineffective programs, repurposing available resources within funding limitations, and expanding pilot programs that are impacting student experience in a positive way.

Smarter School Spending

The Hillsboro School District joined the Alliance for Excellence in School Budgeting in 2017. The alliance consists of school districts across the nation participating in a budget development process called Smarter School Spending (S3), which was founded on best practices and is endorsed by the Government Finance Officers Association.

The Strategic Plan identifies resources required to remain focused on investments that increase student achievement. The five phases of budget development are listed in the table below, as are the District activities under way to move this work forward.

Smarter School Spending	Action	Timeline
Plan and Prepare	<ul style="list-style-type: none"> Budget Development Cycle 	<ul style="list-style-type: none"> Annual
Identify Priorities	<ul style="list-style-type: none"> Strategic Plan Components 	<ul style="list-style-type: none"> 4 years with annual targets
Pay for Priorities	<ul style="list-style-type: none"> Identify/allocate resources in alignment with Strategic Plan Apply Academic Return on Investment 	<ul style="list-style-type: none"> Annual, continuous Ongoing with annual updates
Implement Plan	<ul style="list-style-type: none"> Central- and Building-Level Staffing Discretionary Budget Allocation 	<ul style="list-style-type: none"> Annual Annual
Ensure Sustainability	<ul style="list-style-type: none"> Implement Cost Analysis Action Plan Analyze implemented action items for actual savings yield 	<ul style="list-style-type: none"> Conduct in alignment with the Strategic Plan

Aligning Resources with Strategic Plan Goals

Student Investment Account Area	Investments	Impact	Metrics
Class Size Reduction	Class Size & Caseload	-Student contact time -Inclusive schools -Student engagement -Interventions and extensions -Additional FTE to lower class size and caseloads	-3rd grade reading -9th grade on-track -Grad rates -Diversity of staff
	Professional Development		
Student Health & Safety	Mental and Behavioral Health	-More counselors, nurses, and school psychologists -Direct services to students	-3rd grade reading -9th grade on-track -Grad rates -Regular attenders ↑
Learning Time	After School Partnerships	-Academic supports -Extracurriculars, Co-curriculars -Equitable access	-3rd grade reading -9th grade on-track -Grad rates -Regular attenders ↑
Well-Rounded Learning	Curriculum	-Tools for teaching -Tools for learning	-3rd grade reading -9th grade on-track -Grad rates -Regular attenders ↑ -Diversity of staff
	Educator Pathways	-Inclusive schools -Student engagement	

Other Smarter School Spending Strategies

The District has completed additional analysis to ensure alignment of resources to student achievement. In 2018, a Cost Analysis Action Plan was completed identifying potential opportunities to reallocate resources. The formalized assessment of 31 potential opportunity areas with three main types of resource reallocation opportunities are targeted in the Cost Savings Analysis:

1. Can the District free up funds for its strategic priorities?
2. Can the District increase the impact of current spending at little or no additional cost, thereby reducing the need to free up funds for priorities?
3. Some opportunities are a combination of both.

As part of the Continuous Improvement Process, District staff may conduct the analysis again in alignment with the development of the next Strategic Plan.

The District engaged in a thorough technical Review of Services for Struggling Learners in February and March 2019 with [District Management Group](#) (DMGroup). After gathering data through interviews and other collections, DMGroup developed a list of recommendations for

District staff to use for a custom action plan to ensure resources for struggling learners are in alignment with best practices. See below for review highlights.

Commendations:

1. The District is committed to improving the quality of education for all students.
2. The District has made efforts to develop systems that will support students' social, emotional and behavioral needs by creating wellness centers and hiring student success coaches.
3. The District has instituted common interim assessments for elementary schools.
4. The District has expanded supports for English Language Learners (EL) students.
5. The District developed a system for more closely monitoring the use and hiring of regular and special education assistants.
6. District leaders are open to making bold, significant changes to support all students.

Recommendations:

1. Ensure that general education teachers are well equipped to meet the needs of nearly all students, including students who struggle.
2. Create a model intervention plan, for both elementary and secondary schools, that schools can opt into and receive additional supports for.
3. Ensure sufficient mental health expertise at each school by revisiting current staffing levels and proactively pursuing community partnerships.
4. Refine and streamline the District's approach to providing supports to EL students by codifying implementation practices at all levels.
5. Encourage special education staff to align their strengths whenever possible to improve work satisfaction and student outcomes.
6. Develop an inclusive planning process that identifies concrete steps, ownership, and measures of success with disciplined, monitored implementation over a 5-year period².

² Extended to 5 years from the original 3 year period due to COVID 19 pandemic delays in implementation.

Academic Return on Investment³ (A-ROI) is the practice of scientifically evaluating the cost-effectiveness of academic programs and using that information to allocate resources accordingly. Put more simply, A-ROI is a structured approach to getting the highest value in terms of student achievement and has six conceptual foundations:

1. Reconsider your knowledge of what really works.
2. Define the problem before seeking its solution.
3. Follow the scientific method.
4. Seek out the greatest net benefit.
5. Ignore costs that have already been incurred and cannot be recovered.
6. Pay attention to opportunity costs.

Practitioners, including school district leaders and professional education researchers, have learned a great deal about how to be successful with A-ROI. This paper divides their lessons into six categories that represent the stages of progression through A-ROI, as shown in the diagram to the right.

Leadership Approach to Program Changes

New programs provide an opportunity to use the District’s resources to achieve the District’s student learning goals in new and exciting ways. Some programs new to the District have already been successfully implemented in other districts and have data to support their viability. Other programs are ones that the District has developed using research and best practices and is spearheading to lead positive change. In many cases, evidence may not be immediately available, as quality programs take time to implement with fidelity and to produce sustainable results.

Analysis of Expected Costs and Benefits:

The proposal for a new program will be accompanied by a thorough analysis of its expected costs and benefits. Staff shall develop methods to test the strength of the assumptions upon which these expected costs and benefits are based. The proposal for the new program should also clearly identify the goals and criteria that will be used to evaluate the program’s effectiveness.

Preference for Pilot Programs

Whenever possible, new programs will initially be tested on a “pilot” basis. The length of the pilot or experimental period can and will vary according to the nature of the program, but there should be a clearly defined beginning and ending point. This strategy is intended to

³ Foundations and Smart Practices, January 2017, Kavanaugh and Levenson, <https://www.gfoa.org/materials/academic-return-on-investment-foundations-and-smart>

mitigate the risk associated with new programs and maximize the benefit they generate in alignment with the District's Strategic Plan.

Funding for the pilot program is exclusively for the timeframe of the pilot period. After the pilot period ends, the District formally assesses the effectiveness of the program against its stated goals and then makes a formal decision on whether to: 1) Discontinue the program; 2) Continue the pilot or expand its scope for purpose of further study; or 3) Move beyond the pilot to full implementation.

Preference for Measuring Academic Return on Investment

Academic Return on Investment (A-ROI) measures the cost of the program against the benefit the program provides in terms of improvements to student learning, in alignment with the District's Strategic Plan. Whenever possible, and especially for large new programs, staff shall develop the means to collect the data necessary to calculate A-ROI for that program.

BUDGET PRESENTATION

Hillsboro School District is proud to publish and provide budget information to the Budget Committee and our community. The District's goal is to present the budget data in a manner that provides a clear, accurate account of the District's educational programs and services for the 2026-27 fiscal year. The information contained in this budget document has been developed, in part, from a combination of District staff and community feedback.

The District annually prepares a budget to control the fiscal operations for one year. Oregon Local Budget Law (ORS 294.305 to 294.565) requires the appointment of a Budget Committee to review and approve the budget. The Budget Committee consists of the seven members of the Board of Directors, and seven electors of the District who are appointed by the Board of Directors. The administration proposes a budget to the Budget Committee, and the Budget Committee may modify or approve the proposed budget. Relevant district policies are provided below.

Policy DB- [District Budget](#)

- The District budget will be prepared in compliance with Local Budget Law. The Superintendent or designee will be designated by the Board as the budget officer and will prepare the budget document.
- The District budget will serve as the financial plan of operation for the District. It will include estimates of expenditures for a given period, purpose and the proposed means of financing the estimated expenditures.
- The District may provide for the budget and budget documents to be prepared on an annual or biennial basis. The fiscal year will extend from July 1 to June 30 inclusive.
- The District's budgeting system will be in accordance with federal and state laws, regulations, and locally adopted procedures.

Policy DBC- [Budget Calendar](#)

- The Board will annually adopt a budget calendar which identifies dates and deadlines required for the legal presentation and adoption of the budget. The District Financial Officer will prepare and recommend a proposed calendar for Board approval.
- The calendar will identify dates and activities to include those needed to comply with state law.
- The announcements of meetings and hearings of the budget, as required by law, and the budget approved by the budget committee shall be published in a newspaper of general circulation distributed in the district.

Other policies available at <https://www.hsd.k12.or.us/about-us/board-of-directors/policies>

Policy DBEA- [Budget Committee](#)

Policy DBG- [Budget Hearing and Notice](#)

Policy DBH- [Budget Adoption Procedures](#)

Policy DBI- [Budget Amendments](#)

Policy DBJ- [Budget Implementation](#)

Policy DBK- [Budget Transfer Authority](#)

Local Budget Law in Oregon requires the District to complete a formal process each fiscal year to set spending limits and levy taxes for District residents. This process begins with a proposed budget prepared by the Budget Officer. Notice of a Budget Committee Meeting is published, and the budget document is made available at or before this meeting. The Budget Committee then conducts at least one public meeting for questions or comments and will continue to meet as needed until the budget and all revisions are approved. Notice of the Public Hearing, along with a summary of the approved budget is published and the governing body conducts a public hearing. Upon completion of public comment and deliberations, the District adopts the budget, enacts resolutions by June 30, and certifies the District's tax to the county assessor by July 15.

Budget changes in expenditures of less than 10.0 percent of appropriation categories (instruction, support services, enterprise and community services, facilities acquisition and construction, debt service, contingency, and transfers) are implemented by a Resolution passed by the School Board. Budget changes in expenditures of more than 10.0 percent of appropriation categories require a supplemental budget adoption. Exceptions to this would be transfers between appropriation categories and up to 15.0 percent of funds budgeted as contingency. The School Board receives reports on cash flow and budget monitoring monthly, as prepared by the Financial Officer.

We welcome the opportunity to discuss any financial information or to answer questions regarding the data presented in this report. Information regarding budget development is available at <https://www.hsd.k12.or.us/departments/budget-and-finance/overview> or by request.

General Fund – The General Fund is the District's primary operating fund and accounts for all revenues and expenditures except those required to be accounted for in another fund. The General Fund end balance will remain at a 4.0 percent target in 2026-27. The the board has expressed interest in growing that balance towards a target of 8.0 percent as funding supports over time.

Expenditure categories include salaries and associated payroll costs, purchased services, supplies and materials, capital outlay and other general expenses. Expenditures are presented by major function categories which contain program descriptions and budgeted positions. In addition, explanations are available for significant variances which exist between the 2025-26 and 2026-27 budgets.

Revenue comes from two main sources: state funding and local property taxes. The state revenue and local property taxes are components of the State School Fund (SSF), which make up approximately 87.2 percent of all General Fund revenue. The SSF is allocated through a school equalization formula that includes initial weighting for the number of students and extra weightings for specific types of students: Special Education, English Language Learners, poverty, foster care and pregnant and parenting. The calculation consists of three grants including: general purpose, transportation, and high-cost disability.

Special Revenue Funds – Special Revenue Funds are used to account for proceeds of specific revenues from federal, state, and local sources that are legally restricted to expenditures for specified purposes.

The Major Grant Funds are described below and there is a full list of Special Revenue Funds in the Financial Section.

- Title I - Improving Basic Programs Operated by Local Education Agencies
- Title IIA - Supporting Effective Instruction
- IDEIA - Individuals with Disabilities Education Improvement Act
- Measure 98 - High School Success
- Student Investment Account
- Nutrition Services
- Other Special Revenue Funds (Student Body Accounts, local/private grants, etc.)

Debt Service Fund – Accounts for the District’s payment of principal and interest on long-term obligations, including General Obligation (GO) bonds, Limited Tax Pension Obligations and Full Faith and Credit Obligations (FFCO). With Voter approval, GO bonds allow the District to finance capital projects such as the construction of new schools, rebuilding schools and purchasing equipment. Limited Tax Pension Obligation bonds were issued to finance the District’s unfunded actuarial liability in the Oregon Public Employees Retirement System in 2005 and 2015. Principal revenue sources are property taxes, construction excise tax, and charges to other funds.

Capital Projects Fund – Accounts for activities related to the acquisition, construction, and improvement of District facilities and equipment. The Capital Construction Fund consists of funds used to complete projects associated with the 2017 bond issue to reaching the goal of an “equitable learning environment” for all students in all schools. Most of the bond funds have been spent on identified projects and the remaining funds will be used by the end of fiscal year 2025-26. Specifically, the funds are earmarked for facilities repair, technology, and a future site purchase. The district is planning to ask voters to consider a new bond offering in the Nov 2026 election as the funds from prior issues will be depleted in the next few years.

Internal Service Fund – A fund that primarily provides benefits, goods, or services to other funds.

Fund Balance – Reported in classifications that comprise a hierarchy based primarily on the extent to which the District is bound to honor constraints on the specific purposes for which amounts in those funds can be spent. Governmental fund type fund balances are classified as follows:

- Non-spendable Fund Balance – represents amounts that are not in a spendable form. The non-spendable fund balance represents inventories and prepaid items.
- Restricted Fund Balance – represents amounts that are legally restricted by outside parties for a specific purpose (such as debt covenants or grant requirements) or are restricted by law (constitutionally or by enabling legislation).
- Committed Fund Balance – represents funds formally set aside by the governing body for a particular purpose. The use of committed funds would be approved by resolution.
- Assigned Fund Balance – represents amounts that are constrained by the expressed intent to use resources for specific purposes that do not meet the criteria to be classified as restricted or committed. Intent can be stipulated by the governing body or by an official to whom that authority has been given by the governing body. The Superintendent and Financial Officer have been granted authority to assign fund balances, pursuant to School Board Resolution dated April 26, 2011.
- Unassigned Fund Balance – is the residual classification of the General Fund. Only the General Fund may report a positive unassigned fund balance. The District is targeting an unassigned Fund Balance of 4.0 percent for 2026-27. Other governmental funds would report any negative residual fund balance as unassigned.

Accounting Policies – Governmental funds are used to account for the District’s general government activities. Governmental fund types use the flow of current financial resources measurement focus and the modified accrual basis of accounting. Under the modified accrual basis of accounting, revenues are recognized when susceptible to accrual, i.e., when they are “measurable” and “available.” “Measurable” means the amount of the transaction can be determined; “available” means collectible within the current period or soon enough thereafter to pay liabilities of the current period.

Expenditures are recorded when the liability is incurred, except for unmatured interest on general long-term debt, which is recognized when due. Interfund transactions and certain compensated absences, claims, and judgments, are recognized as expenditures because they will be liquidated with expendable financial resources.

The accrual and modified accrual basis of accounting, as utilized by Hillsboro School District 1J, are in accordance with Generally Accepted Accounting Principles.

STATE FUNDING OF K-12 EDUCATION

During the 1990s, Oregon voters approved a property tax limitation that shifted major responsibility for funding K-12 programs from local property taxes to Oregon’s General Fund. The voter-approved measures required the Oregon Legislature to replace these property taxes. As property taxes were reduced, the reliance on the State General Fund increased.

The State School Fund (SSF) allocates funding for each attending student in Oregon through a weighted distribution system. A ten-year historical review of the SSF dollars per ADMw (Average Daily Membership) as shown in the chart below.

Without a state sales tax, Oregon’s primary revenue sources are the state income tax and lottery revenues. Therefore, funding levels for K-12 education statewide are significantly affected by fluctuations in the economic climate. In addition, prior to 2007, Oregon’s Kicker Law required the state to return any income tax collections more than two percent of projections to taxpayers. The Rainy-Day Fund established by ORS 293.144 in 2017 represented an attempt to stabilize state funding.

Rising costs in both staffing and operational costs have challenged the Districts ability to continue to maintain CSL without additional revenues. This is a common pattern for both districts and local governments in the region. The District is actively planning to reduce its cost profile through reductions in both staffing and operational costs in the 2026-27 school year to continue to address this funding challenge.

BUDGET PROCESS AND TIMELINE

The District prepares its annual budget in accordance with Oregon Budget Law (ORS 294), which provides standard procedures for the preparation, presentation and administration of budgets. Public involvement in budget preparation is mandated by the law. Oregon Local Budget Law also requires that the budget be balanced, meaning projected resources must equal projected requirements in each fund. Additionally, the District will meet the additional community engagement and accountability requirements under the major grants of High School Success, the Student Investment Account, and the Early Literacy Initiative.

The Hillsboro School District’s Budget Committee comprises all seven Board members and an equal number of community members who are appointed by the Board. Staff members are not eligible to serve on the Budget Committee.

The Budget Committee members are appointed for three-year terms. The terms are staggered so that, as near as practicable, one-third of the appointive members’ terms end each year.

According to Board policy DBEA: Budget Committee, “The Budget Committee shall hold one or more meetings to receive the budget message, receive the budget document, and provide members of the public with an opportunity to ask questions about and comment on the budget document.” Those official meetings occur annually each spring.

Budget Committee Membership:

Designation Position	Elected Board Member	Term Expires	Appointed Community Member	Term Expires
Position 1	Yessica Hardin Mercado	2029	Dustin Rose	2026
Position 2	Mark Watson	2029	Paul Sander	2026
Position 3	Nancy Thomas	2029	Gaby Villegas	2027
Position 4	See Eun Kim	2027	Kristine Adams-Wannberg	2027
Position 5	Ivette Pantoja	2027	Robert Knoke	2028
Position 6	Katie Rhyne	2029	Maria Mondragon-Almy	2028
Position 7	Patrick Maguire	2027	Dinuka Karunaratne	2028
Student Representative	Nicole Ayala Congachi			
Student Representative	Jocelyn Trejo-Reyes			
Student Representative	Hazel Cleveland			

Hillsboro School District Budget Development activities are listed in the table below. The items may be modified as relevant information becomes available. Please watch for new information on the Budget Matters website.

Date	Activity
November 18, 2025	Appoint Budget Committee Members to Vacant Positions
December 19, 2025	Budget Planning Calendar Approved
January 27, 2026	Budget Development Update: Preliminary Outlook
February 24, 2026	Budget Development Update: Investment Plan
Interim Period	Gather input and update projections for Proposed Budget
April 28, 2026	Budget Committee Meeting: Committee members review proposed budget documents, receive Budget Message, and may approve the budget for Hearing. If needed, a Supplemental Budget for the Current Year will also be proposed.
May 7, 2026	Additional Budget Committee Meetings (if needed)
May 21, 2026	Additional Budget Committee Meetings (if needed)
June 16, 2026	Budget Hearing: Board Adopts Budget, Makes Appropriations, Declares the Levy
July 1, 2026	Implement Budget
July 15, 2026	Levy Certified to Assessor, and Adopted Budgets distributed per Local Budget Law and district best practice

Publications:

Per local budget law (ORS 294), the Notice of Budget Meeting will be published in the *Hillsboro News-Times* once and be posted on the District web site prior to the Budget Committee Meeting. The Proposed Document will be available by request on the day of the Budget Committee Meeting.

The Notice of Budget Hearing and Budget Summary will be published once not more than 25 days or less than 5 days prior to the Budget Hearing date.

Bond Development Committee

A cross-functional Bond Development Committee (BDC) of approximately 50 staff, students, Board representatives, community members, partner organizations, and industry experts was convened to help review and recommend items for our 2026 bond package.

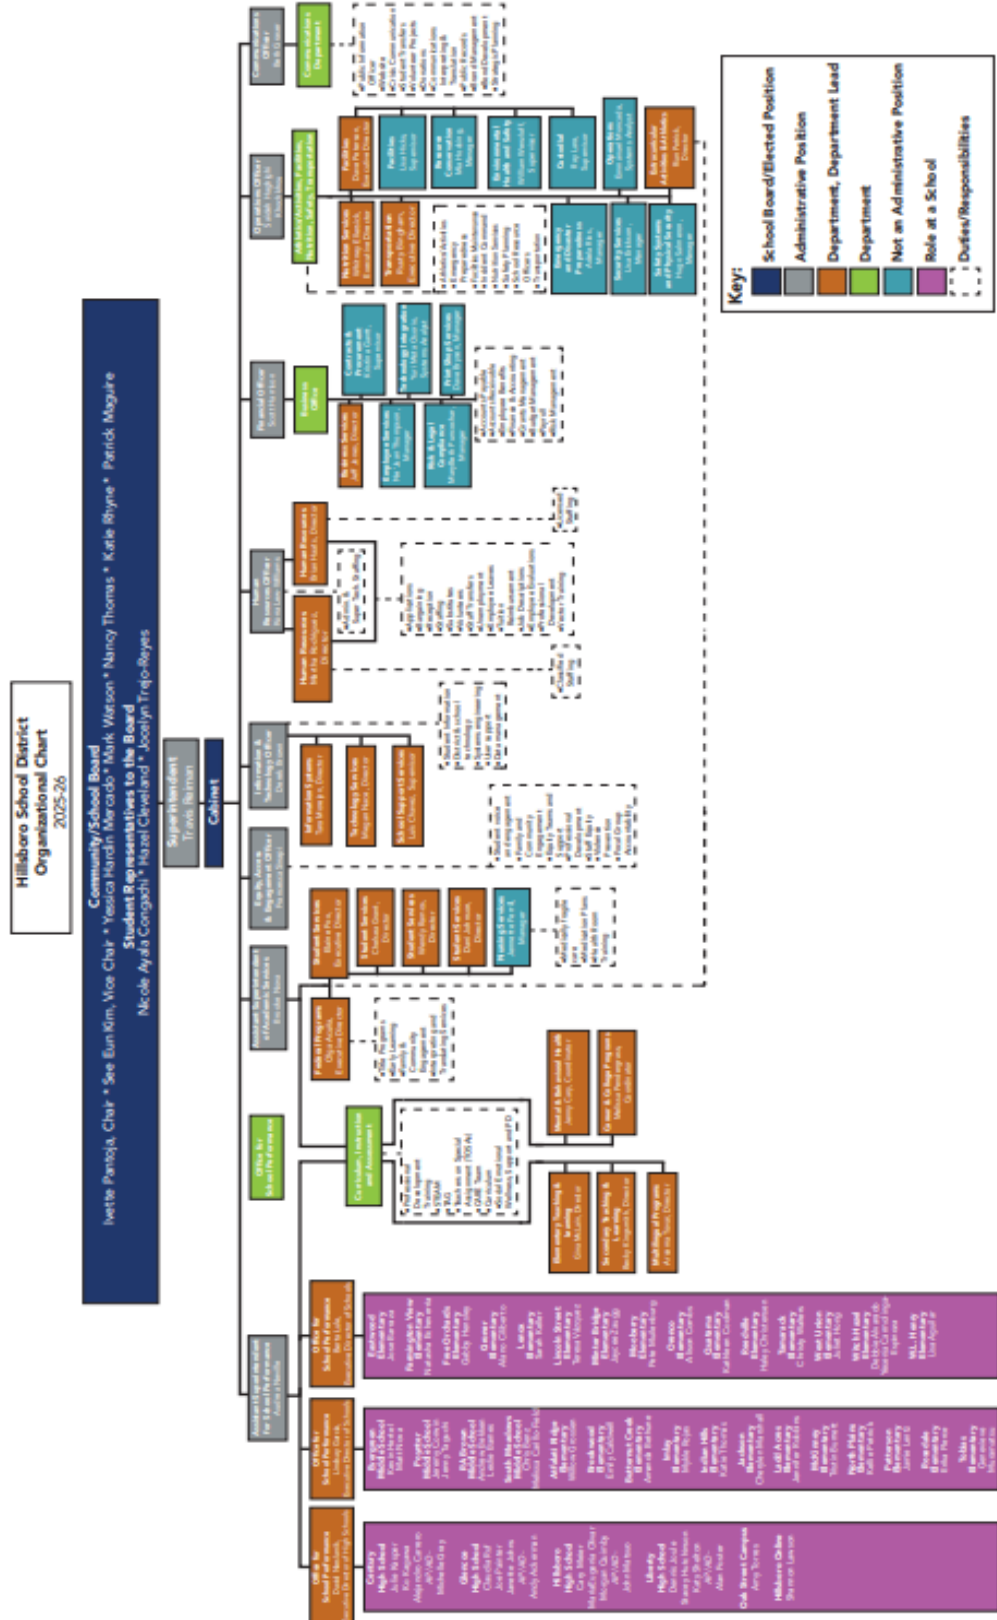

The committee was co-chaired by former Hillsboro Mayor and Hillsboro School District administrator Steve Callaway, and former Hillsboro School Board member and City of Hillsboro staff member Erika Lopez. Hillsboro School District Bond Development Committee planning dates are listed below.

- September 18, 2025
- October 2, 2025
- October 15, 2025
- October 30, 2025
- November 13, 2025
- December 3, 2025
- March 5, 2026
- April 9, 2026

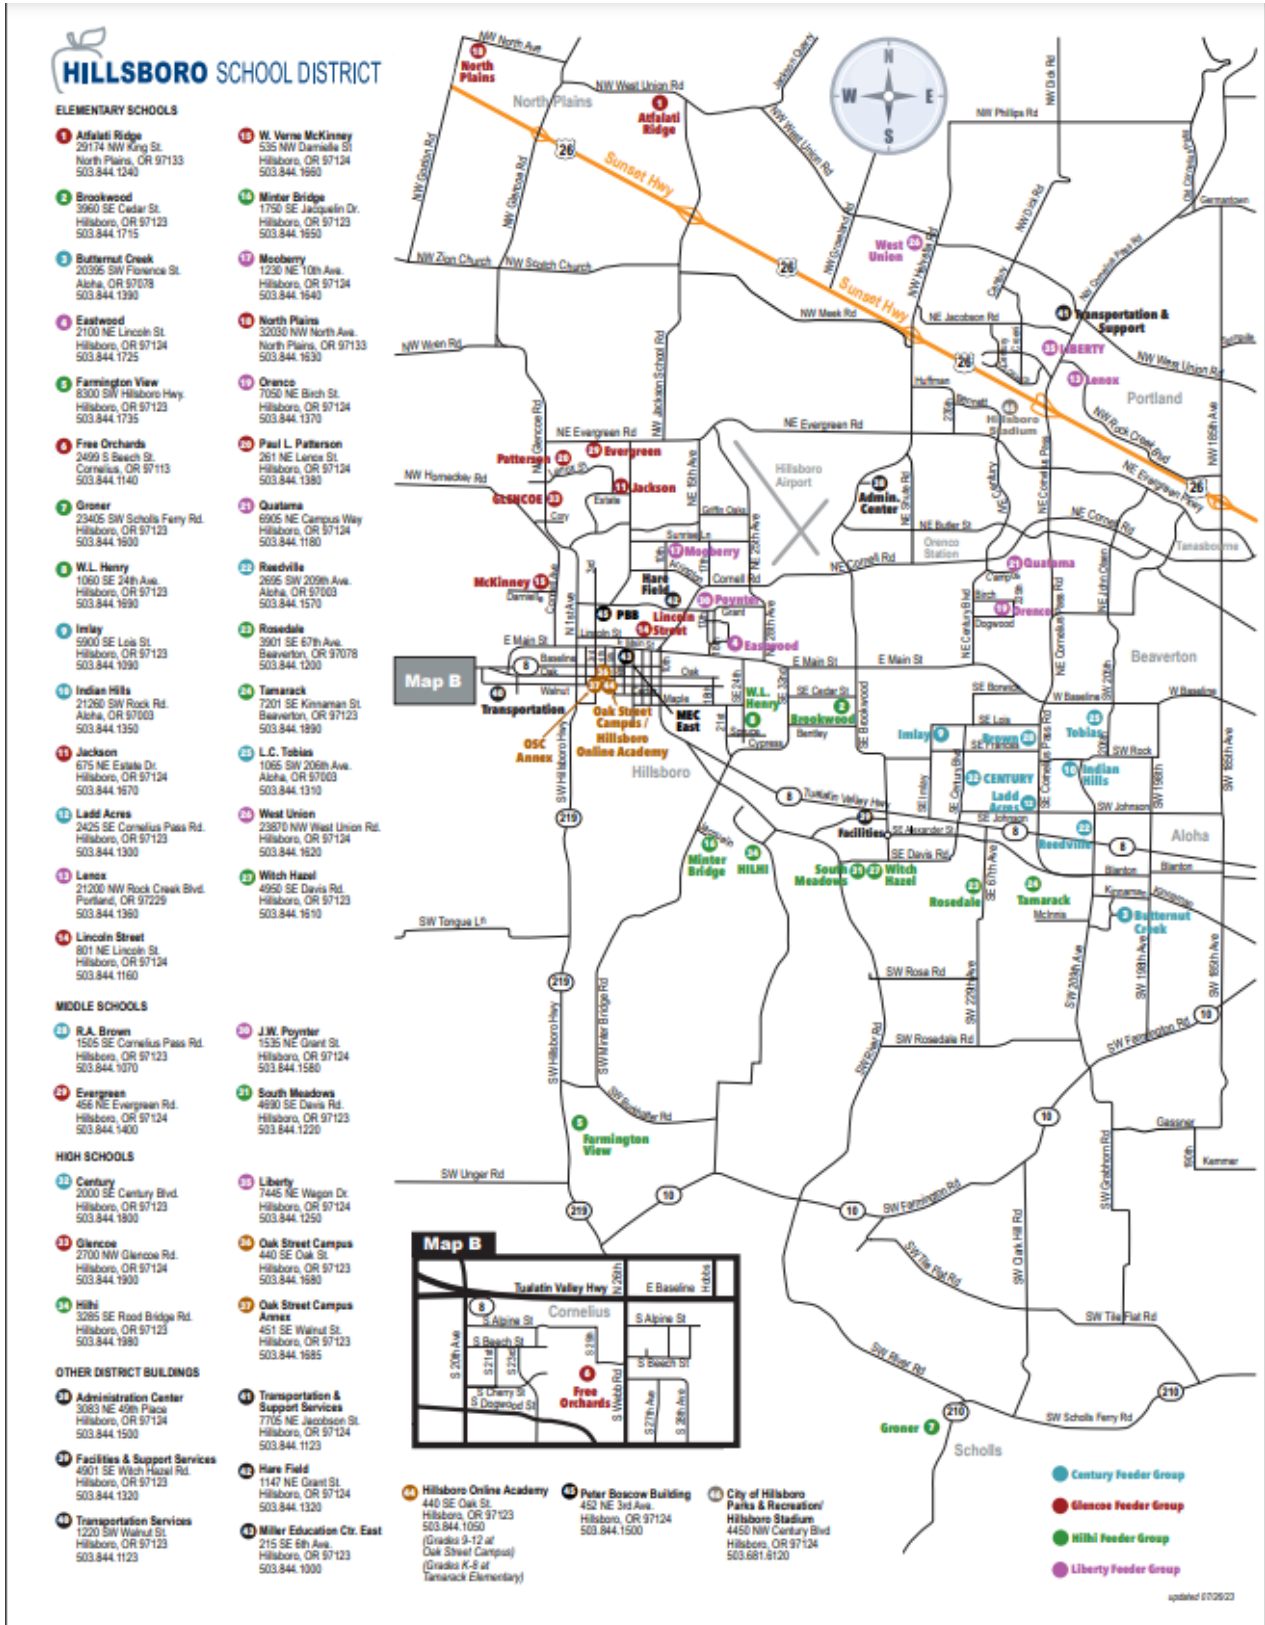

Additional information can be found at the bond website <https://bond.hsd.k12.or.us/2026-bond-development-committee/overview>

DISTRICT ORGANIZATIONAL CHART

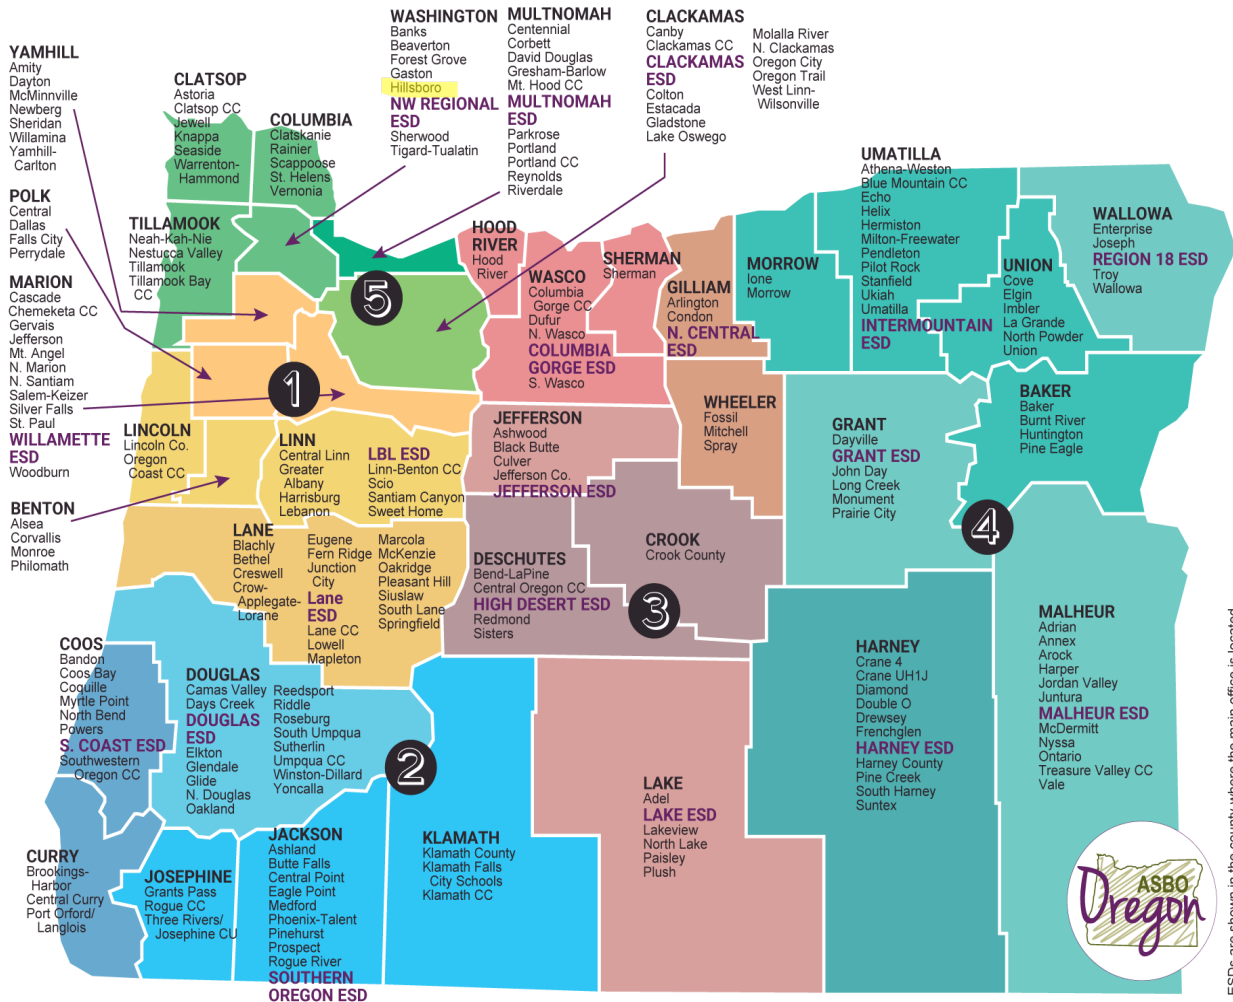

DISTRICT SCHOOL ZONE MAP

DISTRICT LOCATION RELATIVE TO STATE

Hillsboro School District is located in the northwestern part of Oregon in Zone 5. Encompassing more than 200 square miles, Hillsboro School District serves families from the communities of Hillsboro, North Plains, Cornelius, Aloha, and a portion of Sherwood. District property is in three separate counties: Washington, Multnomah, and Yamhill.

FINANCIAL OVERVIEW

The Financial Section contains detailed information on Hillsboro School District revenues and expenditures in the 2026-27 budget. The initial part of this section is a summary for all funds. The remaining portion of this section includes more detail with narratives and financial reports for revenues and expenditures by fund.

Classification Structure

The primary elements used to classify revenues and expenditures are fund, function and object. Funds represent the highest level of the classification structure. Functions are group-related activities aimed at accomplishing a major service. The seven major categories are Instruction, Support Services, Enterprise & Community Services, Facilities Acquisition & Construction, Long-Term Debt Service, Transfers and Contingency (Other Uses of Funds). Under Oregon Budget Law, budgets are appropriated (adopted) at these levels. Objects are used to describe the type of good or service and are broken down into eight categories: Salaries, Associated Payroll Costs, Purchased Services, Supplies & Materials, Capital Outlay, Other Expenses, Transfers and Contingency.

All Funds Forecast Methodology

Revenue

The 2026-27 school year is the second year of the biennium, with a 51 percent share against the Governor's Budget of \$11.3 billion. This allocation equates to an estimated revenue growth of approximately 5.6 percent for Hillsboro School District. An estimated enrollment decline of approximately 0.6 percent will have a slight negative effect on revenue growth. The District anticipates the continuation of the State granted Student Investment Account and High School Success. Additionally, Federal programs are anticipated to remain consistent with prior years trends and decrease slightly. The District will maintain a 4.0 percent General Fund Reserve target but will target a long-term goal of 8.0 percent per Board Budget Guidelines.

Expenditure

The District has a collective bargaining agreement with both Classified and Licensed Unions for a general salary increase of 4.25 percent for Licensed, Administrative and Supertech staff, 5.0 percent for Classified staff and 3.0 percent for step increases. Associated payroll costs are estimated to equal 52.0 percent of salary expenditures on average. The District is assuming a 4.0 percent increase for non-staffing costs, consistent with last year's budget assumption, which is up from the 3.0 percent historically used due to increased costs for services and supplies. Liability insurance will increase 14.0 percent in 2026-27 compared to 2025-26.

All Funds Revenue

The 2026-27 revenue budget includes federal, state, intermediate and local sources. Other sources include interfund transfers and beginning fund balance. In 2026-27, proposed revenue for all funds totals \$459.4 million, a decrease of \$7.1 million or 1.5% compared to the 2025-26 adopted budget. This decrease in all revenue is primarily due to the decrease in Beginning Fund Balance in the Capital Projects Fund as all major projects from the 2017 capital bond program were completed during the 2025-26 school year. The primary source

of revenue for all funds in 2026-27 is Local Revenue at \$220.1 million or 47.9% of all sources. The largest portion of the Local Revenue is local property tax revenue. Starting in 2025-26 the District's local property tax increased by approximately 30.0 percent due to the expiration of Strategic Investment Program tax exemption for the Intel Corporation. This is followed by State Sources totaling \$170.1 million or 37.0% of all sources. Together, State and Local Sources comprise \$390.2 million or 84.9% of all sources.

All Funds Expenditure

The 2026-27 proposed budget expenditures for all funds have decreased by \$7.1 million or 1.5% when compared to the 2025-26 adopted budget. Expenditures are categorized by objects. Salaries are the largest budget category at \$194.7 million or 42.4%. Associated Payroll Costs are the second largest budget category at \$104.6 million or 22.8% of all funds. The third largest component of the expenditure budget is Other Expenditures at \$68.4 million or 14.9%. This is primarily due to outstanding debt payments. These three areas account for \$367.7 million or 80.1% of the budget.

0500	Capital Equipment	\$5,046,928	\$5,501,459	\$5,692,116	\$5,887,577
0600	Other Expenditures	\$68,430,931	\$42,222,715	\$37,937,243	\$39,231,406
0700	Transfers	\$400,000	\$400,000	\$400,000	\$400,000
0800	Reserves	\$28,122,769	\$28,482,477	\$29,291,349	\$30,230,840
Total Expenditures		\$459,422,140	\$442,772,729	\$452,483,888	\$468,732,978

Assumptions:

General Fund: Includes projected growth (at \$11.4B Current Service Level State School Fund).

Special Revenue Fund: SIA and HSS projected steady at full funding for 2025-26 and beyond.

Debt Service Fund: Estimated to grow by historical 1.33 percent annually per debt service schedule and tax collection rates.

Construction Fund: Steady spending down of bond proceeds according to project plan.

FUND BALANCES

Oregon Budget Law requires a balanced budget where total resources equal total expenditures, therefore no ending fund balance is budgeted in 2025-26 or 2026-27. The ending fund balances by fund are listed in the following table for the last three years.

Significant changes that can be noted below are:

Major factors for General Fund Balance included stability of the State School Fund and property tax collections. The expenditure analysis for the year indicates both prudent operational management and leveraging federal support via other agencies.

As of June 30, 2025, the assigned and unassigned fund balance decreased by \$1.8 million during the current fiscal year for a total fund balance of \$12.8 million. The assigned and unassigned fund balance combined represented 4.9 percent of total General Fund expenditures. The unassigned fund balance of \$10.6 million represents 4.1 percent of the total General Fund Expenditures which is a target of the Budget Committee. The assigned portions of the fund balance represent insurance pool balances for Hillsboro Education Association members and Hillsboro Classified United members, discretionary budget carryover for schools, and future year expenses.

Following the fiscal 2025 deficit, available general fund balance is at 4.4 percent. Management is actively addressing structural deficits through staffing adjustments. The board has directed management to gradually rebuild general fund reserves to 8.0 percent.

The Special Revenue Fund Balance decreased due to the expiration of federal program resources.

The Debt Service Fund remains stable with a slight increase due to assessed property values growing than anticipated based on historical growth trends.

The Capital Project Fund balance continues to decline as resources are utilized towards items authorized under the ballot title and schedule.

Fund Number	Description	Ending Fund Balance		
		2022-23	2023-24	2024-25

Total Budget For All Funds		\$459,422,140

GENERAL FUND REVENUES

The General Fund is used to account for all transactions related to the District's operations, except those required to be accounted for in other funds. Major revenue sources include local property taxes and the State School Fund.

General Fund expenditures encompass the day-to-day operations of the District, except for those expenditures related to programs funded by federal, state, and local sources for designated purposes, payment of bonded debt, capital facility acquisition and construction, food service, internal services, and trust/agency.

General Fund expenditures are subject to appropriation. Year-end unreserved fund balances are carried forward to the following year as Beginning Fund Balances.

Current Year's Taxes

The current tax levy is one of the main sources of revenue for funding the operation of the Hillsboro School District. It is based on the assessed valuation of all taxable property within the District. It is collected by the County Treasurer and includes current taxes, prior year taxes, and any penalties or interest paid.

The tax amount remains stable due to property tax limitation Ballot Measures 5, 47, and 50. The current rate is \$4.9749 per \$1,000 of assessed value to support the General Fund.

2022-23 Actual	2023-24 Actual	2024-25 Actual	2025-26 Budget	2026-27 Approved
\$92,785,505	\$96,770,208	\$100,869,366	\$134,860,199	\$136,851,400

Interest on Investments

Interest on investments is interest earned from the investment of District revenue. Investment of all funds is the responsibility of the District Financial Officer and follows the District investment policy.

2022-23 Actual	2023-24 Actual	2024-25 Actual	2025-26 Budget	2026-27 Approved
\$1,912,304	\$2,443,382	\$1,925,651	\$3,349,081	\$2,906,945

Other Local Revenue

Other local revenue consists of fees, building rentals, rebates, refunds, and gate receipts.

2022-23 Actual	2023-24 Actual	2024-25 Actual	2025-26 Budget	2026-27 Approved
\$4,166,156	\$4,110,426	\$5,557,087	\$4,884,150	\$5,175,274

County School Fund

An act of Congress granted roughly 6.0 percent of acquired state lands for the support of K-12 education. Revenue comes from state leasing rights, unclaimed property, forest management, and gifts. The funds are invested, and the earnings are distributed to K-12 districts.

2022-23 Actual	2023-24 Actual	2024-25 Actual	2025-26 Budget	2026-27 Approved
\$502,104	\$343,362	\$629,171	\$437,000	\$434,000

ESD Pass-Through Dollars

The Northwest Regional Education Service District (NWRES D) provides a menu of services for districts to purchase using service credits. Revenue from the state flows through the NWRES D to the individual districts as either service credits to be used for support in special education, curriculum planning, or professional development, or as cash (up to 90.0 percent).

2022-23 Actual	2023-24 Actual	2024-25 Actual	2025-26 Budget	2026-27 Approved
\$3,956,207	\$4,632,719	\$3,350,000	\$3,821,300	\$3,380,300

Other Intermediate Sources

Other sources comprise revenue from Washington County Heavy Equipment Rental Tax (HERT) turnover.

2022-23 Actual	2023-24 Actual	2024-25 Actual	2025-26 Budget	2026-27 Approved
\$77,379	\$84,648	\$81,584	\$97,086	\$107,897

State Sources

State sources make up approximately 43.0 percent of all revenue received in the General Fund. The State School Fund, Common School Fund, state timber taxes, and transportation reimbursement comprise state sources. The Oregon Department of Education is required to provide districts with estimates of State School Support in March of each year. The current estimate is based on a \$11.4 billion K-12 allocation for the 2025-27 biennium.

2022-23 Actual	2023-24 Actual	2024-25 Actual	2025-26 Budget	2026-27 Approved

\$274,261,949	\$271,479,870	\$291,380,940	\$316,005,374	\$309,922,434

BEGINNING FUND BALANCE AND FINANCIAL STABILITY

With the uncertainty in state funding, an important element in maintaining sustainability from one year to another is the Beginning Fund balance. The Beginning Fund balance is used to maintain a positive cash flow until tax revenues are received in November, and to smooth out unexpected shortages of revenues.

The District is targeting an unassigned Fund Balance of 4.0 percent for 2026-27. The budget includes \$27,932,919 as the Beginning Fund balance, which is an increase of \$16.0 million from the 2025-26 adopted budget beginning fund balance. The unassigned balance of \$11.4 million represents 4.0 percent of the total General Fund Expenditures which is a target of the Budget Committee. The board has also given guidelines to increase this balance to an 8% goal over time as funds allow. The assigned portions represent insurance pool balances for Hillsboro Education Association members and Hillsboro Classified United members.

Notable Revenue Changes between budget years:

- Object 1980 Fees Charged to Grants – the indirect rate of 3.77 percent will be charged to major grant programs to cover operational overhead incurred for program activities.
- Object 3101 State School Fund – the amount is based on \$11.4 billion state school fund allocations by the legislative session for the 2025-27. Actual revenue is based on a per-student formula and changes with number and types of students.
- Object 5400 Fund Balance remains targeted at 4.0 percent.

GENERAL FUND EXPENDITURES

Each year, the Oregon Department of Education (ODE) calculates the spending per student for the General Fund, based on actual data compiled from District audits reported to ODE.

At the end of the 2024-25 fiscal year, the average operational cost of educating a student in the Hillsboro School District was \$15,035. This figure is determined by dividing total General Fund expenditures for 2024-25, \$279,461,565, by our total Average Daily Membership (ADM) of 18,587 ($\$279,461,565 / 18,587 = \$15,035$). The breakdown of the \$15,035 is as follows:

Instruction (\$7,061 per student). Staffing, materials, and supplies for classroom instruction, alternative education, ESL, Youth Corrections program, summer school, and Talented and Gifted (TAG) program.

Special Education (\$3,322 per student). Staffing, materials and supplies for students with disabilities in less restrictive programs, and students with disabilities in restrictive programs is in addition to the general “Instruction” amount per student.

Student Services (\$121 per student). Staffing and office supplies for attendance, guidance, health services, media services, assessment, testing, and instructional staff development.

Central Services (\$389 per student). Expenditures related to the Board of Directors, Superintendent, Business Office, Print Shop, and Human Resources.

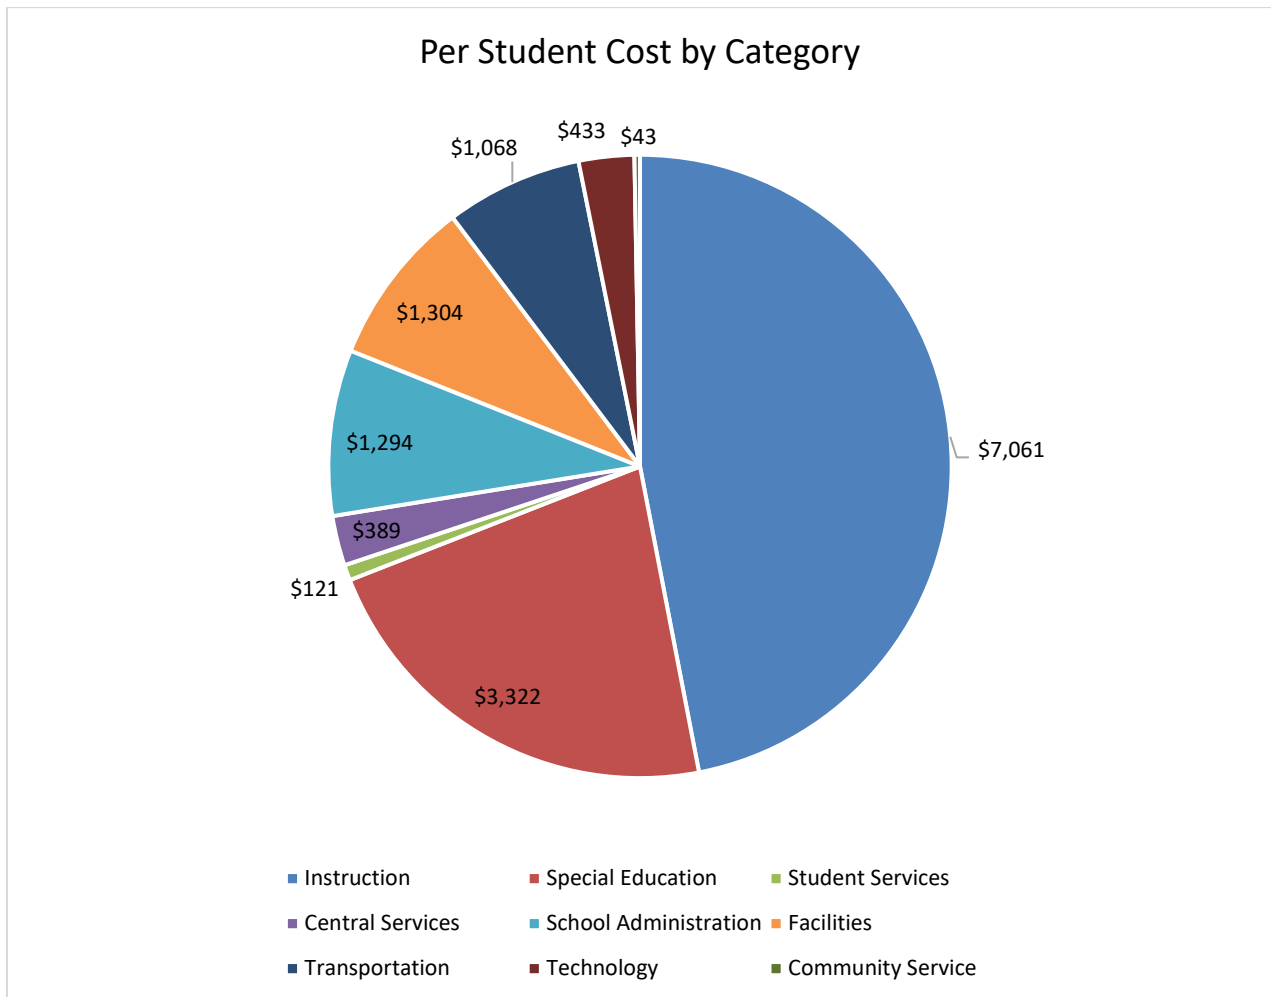

School Administration (\$1,294 per student). Principals, assistant principals, teachers on special assignment (TOSAs), supplies, materials, purchased administrative services, and support at each campus.

Facilities (\$1,304 per student). Personnel and supplies for custodial and maintenance services, plus major maintenance projects district wide.

Transportation (\$1,068 per student). Transportation costs for home-to-school, special education, and athletic/activity events. 70.0 percent of eligible transportation costs are reimbursed by the state.

Technology (\$433 per student). Staffing and new technology for classroom instruction.

Community Service (\$43 per student). Personnel and supplies used to perform a variety of community services, primarily the Office of Hispanic Outreach.

BUDGET FUNCTION DESCRIPTIONS

According to the [Oregon Department of Education Program and Accounting Manual](#), the “Function” is the second dimension of numbers in the standardized account code. Budget expenditures are reported by the following dimensions:

Fund: xxx

Function: xxxx

Object: xxxx

The “Fund” is the first dimension and represents the type of management accounts represented in the following account detail. The “Function” describes the activity for which a service or material object is acquired and are listed below. The “Object” describes the type of item purchased and definitions are self-evident. The “Functions” are described in more detail below.

1111 Elementary, K-5 or K-6

Learning experiences concerned with knowledge, skills, appreciation, attitudes, and behavioral characteristics of life within our culture and the world of work and which normally may be achieved during elementary school years.

1113 Elementary Extracurricular

School-sponsored activities, under the guidance and supervision of district staff, designed to provide students such experiences as motivation, enjoyment, and improvement of skills. Staff stipends for after-school activities.

1121 Middle/Junior High Programs

Learning experiences concerned with knowledge, skills, appreciation, attitudes, and behavioral characteristics considered to be needed by all students in terms of understanding themselves and their relationships with society and various career clusters, and which normally may be achieved during the middle and/or junior high school years.

1122 Middle/Junior High School Extracurricular

School-sponsored activities, under the guidance and supervision of district staff, designed to provide students such experiences as motivation, enjoyment, and improvement of skills. Extracurricular such as activities and athletics.

1131 High School Programs

Learning experiences concerned with knowledge, skills, appreciation, attitudes, and behavioral characteristics considered to be needed by all students as they achieve graduation requirements.

1132 High School Extracurricular

School-sponsored activities, under the guidance and supervision of district staff, designed to provide students such experiences as motivation, enjoyment, and improvement of skills. Extracurricular such as activities and athletics.

- 1133 Saturday School – High School**
Extended contract time to staff high school for Saturday school programs.
- 1140 Pre-Kindergarten Programs**
Educational programs that are designed for the education and training of children, who are enrolled in pre-kindergarten programs.
- 1200 Special Programs**
Instructional activities designed primarily to deal with students having special needs.
- 1210 Programs for the Talented and Gifted (TAG)**
Special learning experiences for students identified as gifted or talented.
- 1220 Restrictive Programs for Students with Disabilities**
Special learning experiences for students with disabilities who spend one-half or more of their time in a restricted setting.
- 1221 Learning Centers – Structured and Intensive**
Learning experiences for students with disabilities who spend one-half or more of their time in a restricted setting, such as Life Skills Centers or Social Communications Centers.
- 1223 Community Transition Centers**
Learning experiences for students with disabilities who are 16 years of age or older, and who spend a portion of their school day in a community-based program, such as Portland Community College.
- 1224 Life Skills with Nursing**
Learning experiences for students with disabilities who work primarily on functional skills and who receive nursing services, such as health impaired classrooms.
- 1225 Out-of-District Programs**
Programs for students placed outside District schools, such as ESD programs or private schools.
- 1226 Home Instruction**
Home tutoring services for students who are temporarily unable to attend school due to disability, illness, injury, or for an alternative placement.
- 1227 Extended School Year Programs – as defined in OAR 581-015-2065(7)**
Learning experiences for students with disabilities who show significant regression during non-instructional periods, and do not recoup the skills within a reasonable time. Students receive extended opportunities, such as summer school.
- 1230 Early Childhood Special Education**
Provide services and support to children with disabilities from birth to age five.

- 1250 Less-Restrictive Programs for Students with Disabilities**
Special learning experiences for students with disabilities outside the regular classroom. Students spend certain periods of the school day in this program to receive remedial instruction in specific subject areas or other remedial activities.
- 1260 Treatment and Habilitation**
Services designed to address a child's developmental deficits in sensory, motor, communication, self-help, and socialization areas.
- 1272 Title IA/D**
Title IA/D instructional activities.
- 1280 Alternative Education**
Learning experiences for students who are at risk of dropping out of school; who are not succeeding in a regular classroom setting; or who may be more successful in a non-traditional setting. Includes middle school, high school, and other programs.
- 1288 Charter Schools**
Payments made to City View Charter School, a District-sponsored charter school.
- 1289 Other Alternative Programs**
District non-traditional instructional programs, including the Hillsboro Online Academy.
- 1291 English Language Learner (ELL) Programs – as per ORS 336.079**
Instructional activities for ELL students used in acquisition of the English language.
- 1292 Teen Parent Program**
Instructional programs designed to accommodate the needs of teen parents.
- 1293 Migrant Education**
Instructional programs designed to meet the needs of migrant students.
- 1294 Youth Corrections Education**
Instructional programs delivered to youths in detention.
- 1295 English Language Learner (ELL) – not related to ORS 336.079**
Instructional activities, not related to ORS 336.079, for ELL students used in acquisition of the English language.
- 1296 Academic Interventions**
Instructional programs delivered to youths in support of academic interventions.
- 1299 Other Designated Programs**
Instructional programs for students that do not fall in other categories.

- 1300 Adult/Continuing Education Programs**
Learning experiences designed to develop knowledge and skills to meet immediate and long-range educational objectives of adults who, having completed or interrupted formal schooling, have accepted adult roles and responsibilities.
- 1400 Summer School Programs**
Instructional activities as defined under functions 1111, 1121 and 1131 carried on during the period between the end of the regular school term and the beginning of the next regular school term.
- 2110 Attendance and Social Work Services**
Activities which are designed to improve student attendance at school and which attempt to prevent or solve students' problems involving the home, the school and/or the community.
- 2112 Attendance Services**
Activities such as prompt identification of attendance patterns, promotion of positive attendance attitudes, response to attendance problems and enforcement of laws.
- 2113 Social Work Services**
Activities such as investigating and diagnosing student problems; casework and group work for students and parents; interpretation of student problems for other staff members; advocacy for change in circumstances surrounding the individual student which are related to the student's school problem(s).
- 2115 Student Safety**
Activities associated with campus monitors, school police, crossing guards, and other direct expenses associated with services intended to enhance student and campus safety.
- 2116 Behavioral Services**
Student Success Coaches and all activities associated with behavioral services.
- 2117 Identification and Recruitment of Migrant Children**
Includes costs that help to identify and recruit children identified as "Migrant."
- 2118 Limited Student Support**
Includes staff and sub costs to support students in need of additional assistance.
- 2119 Other Attendance and Social Work Services**
Attendance and social work services other than those described in attendance services and student safety.
- 2120 Guidance Services**
Those activities of counseling students and parents.

2122 Counseling Services

Activities centered upon all student relationships for the purpose of assisting students to understand their educational, personal, and occupational strengths and limitations.

2126 Placement Services

Activities organized to: (1) help place students in appropriate educational situations and/or in appropriate part-time employment while they are in school, and in appropriate educational and occupational situations after they leave school, and (2) help students make the transition from one educational or occupational experience to another.

2130 Health Services

Physical and mental health services which are not direct instruction.

2132 Medical Services

Activities concerned with the physical and mental health of students, such as health appraisal, including screening for vision, communicable diseases, and hearing deficiencies; screening for psychiatric services; periodic health examinations; emergency injury and illness care, and communications with parents and medical officials.

2134 Nurse Services

Those nursing activities which are not instruction, such as health inspection, treatment of minor injuries, and referrals for other health services.

2139 Other Health Services

Other health services not classified in functions 2130, 2132 or 2134.

2140 Psychological Services

Activities concerned with administering psychological tests and interpreting the results, gathering and interpreting information about student behavior, working with staff members in planning school programs to meet special needs of students as indicated by psychological tests.

2150 Speech Pathology and Audiology Services

Activities which have as their purpose the identification, assessment, and treatment of students with impairments in speech, hearing, and language.

2160 Other Student Treatment Services

Activities associated with providing services such as occupational therapy, physical therapy, adaptive physical education, etc.

2190 Service Direction, Student Support Services

Activities concerned with direction and management of student support services (e.g., special education director and at-risk programs).

- 2210 Improvement of Instruction Services**
Activities designed primarily for assisting instructional staff in planning, developing, and evaluating the process of providing learning experiences to students.
- 2213 Curriculum Development**
Activities designed to aid teachers in developing, preparing and utilizing curriculum materials.
- 2219 Other Improvement of Instruction Services**
Activities for improving instruction other than those classified above.
- 2220 Educational Media Services**
Activities concerned with the use of all teaching and learning resources, including hardware, software, print and non-print content materials, online and other distance learning resources.
- 2222 Library/Media Center**
Activities such as selecting, acquiring, preparing, cataloging, circulating print and non-print materials; and networking with other entities to offer a wide array of these materials to students and staff.
- 2223 Multimedia Services**
Activities such as selecting, preparing, maintaining and circulating to instructional and administrative staff all multimedia equipment and materials.
- 2230 Assessment and Testing**
Activities to measure individual student achievement. Includes district-wide testing and evaluation services to monitor individual and group progress in reaching District and state learning goals and requirements.
- 2240 Instructional Staff Development**
Activities specifically designed for instructional staff, including educational assistants, to assist in preparing and utilizing special/new curriculum materials, understanding and utilizing best teaching practices, and any other activity designed to improve teacher performance.
- 2310 Board of Education Services**
Activities of the legally elected or appointed body vested with responsibilities for educational planning and policy making.
- 2321 Office of the Superintendent Services**
Activities performed by the superintendent, and assistants, in the general direction and management of all affairs of the district.

- 2410 Office of the Principal Services**
Activities concerned with directing and managing the operation of a particular school or schools.
- 2490 Other Support Services—School Administration**
Other school administration services which cannot be recorded under function 2410.
- 2510 Director of Business Support Services**
Activities concerned with directing and managing the business support services group.
- 2520 Fiscal Services**
Activities concerned with the fiscal operations of the district.
- 2524 Payroll Services**
Activities concerned with paying periodic salaries and wages to employees for services rendered; paying related payroll taxes, assessments, and withholdings.
- 2525 Financial Accounting Services**
Activities concerned with maintaining records of the financial operations and transactions of the district which include such activities as accounting and interpreting financial transactions and account records.
- 2527 Property Accounting Services**
Activities concerned with preparing and maintaining current inventory records of land, buildings, and movable equipment.
- 2528 Risk Management Services**
Activities involving the systematic identification and evaluation of exposure to loss within the district and selection of the most appropriate method for managing those exposures.
- 2529 Other Fiscal Services**
Fiscal services which cannot be classified under the preceding functions.
- 2540 Operation and Maintenance of Plant Services**
Activities concerned with keeping the physical plant open, comfortable, and safe for use, and keeping the grounds, buildings, and equipment in an effective working condition and state of repair.
- 2546 Security Services**
Activities concerned with maintaining security and safety of school property.
- 2550 Student Transportation**
Activities concerned with the transportation of students between home and school, as provided by state law, including trips to school activities.

- 2570 Internal Services**
Activities concerned with buying, storing, and distributing supplies, furniture, and equipment; and those activities concerned with duplicating and printing for the district.
- 2574 Printing, Publishing, and Duplicating Services**
Activities of printing and publishing administrative publications such as annual reports, school directories, and manuals.
- 2610 Direction of Central Support Services**
Activities concerned with directing and managing the central support services group.
- 2620 Planning, Research, Development, Evaluation Services, Grant-Writing, and Statistical Services**
Activities, on a system wide basis, associated with conducting and managing programs of planning, research, development, evaluation and grant writing for a district.
- 2630 Information Services**
Activities concerned with writing, editing, and other preparation necessary to disseminate educational and administrative information to pupils, staff, managers, or the general public through direct mailing, various news media, or personal contact.
- 2640 Staff Services**
Activities concerned with maintaining an efficient staff for the district including such activities as recruiting and placement, staff transfers, health services, and staff accounting.
- 2642 Recruitment and Placement Services**
Activities concerned with employment and assigning personnel for the district.
- 2645 Employee Health Services**
Activities concerned with medical, dental, and nurse services provided for district employees. Included are physical examinations, referrals, and emergency care.
- 2660 Technology Services**
Activities concerned with all aspects of technology which includes computing and data processing services, such as networking, and telecommunications costs.
- 2670 Records Management Services**
Activities concerned with retention and disposal of district records.
- 2680 Interpretation and Translation Services**
Use for language and interpretation services not related to the acquisition of the English Language.
- 2690 Other Support Services – Central Office**
Central Services not classified above.

- 3110 Food Services – Service Area Direction**
Activities of directing and managing the Nutrition Services Program.
- 3120 Food Services – Food Preparation and Dispensing Services**
Activities concerned with preparing and serving regular and incidental meals, lunches, or snacks to students and staff in a school or district.
- 3130 Food Services – Food Delivery Services**
Activities related to delivering food to the school or district.
- 3300 Community Services**
Activities which are not directly related to the provision of education for pupils in the district.
- 3390 Other Community Services**
Services provided for the community which cannot be classified above, such as parental involvement and college scholarship expenditures.
- 3500 Custody and Care of Children Services**
Activities pertaining to the provisions of programs for the custodial care of children in residential day schools.
- 4150 Building Acquisition, Construction, and Improvement Services**
Activities concerned with building acquisition through purchase or construction and building improvements.
- 4180 Other Capital Items**
Activities concerned with major capital expenditures that are eligible for general obligation bonding like textbooks and technology.
- 5110 Long-Term Debt Service**
Expenditures for debt retirement exceeding 12 months.
- 5200 Transfer of Funds**
These are transactions which withdraw money from one fund and place it in another without recourse.
- 6110 Operating Contingency**
Budgeted amount to be transferred by school board resolution to the proper expenditures code.
- 7000 Unappropriated Ending Fund Balance**
An estimate of funds needed to maintain operations of the District from July 1 of the ensuing fiscal year and the time when sufficient new revenues become available to meet cash-flow needs of the fund. No expenditure can be made from the unappropriated ending fund balance in the year in which it is budgeted.

SPECIAL REVENUE FUNDS

Special Revenue Funds are used to account for proceeds of specific revenues from federal, state, and local sources that are legally restricted to expenditures for specified purposes. The Major Grant Funds are described below.

Title IA – Improving Basic Programs Operated by Local Education Agencies

The purpose of Title I, Part A is to provide all children significant opportunity to receive a fair, equitable, and high-quality education and help ensure that all children meet challenging academic standards and assessments. Title I-A provides financial assistance to districts and schools who serve a larger population of children from families experiencing poverty. The funding may be used to provide additional instructional staff, professional development, extended-time programs, and other strategies for raising student achievement in high-poverty schools. The program focuses on promoting school wide reform in high-poverty schools and ensuring students' access to evidence-based instructional strategies and challenging academic content.

Title IIA – Supporting Effective Instruction

The purpose of Title II, Part A is to improve teacher and leader quality and focuses on preparing, training, and recruiting high-quality teachers and principals. The Title II-A program is designed, among other things to provide students from low-income families and minority students with greater access to effective educators. In general, Title II funds can be used to provide supplemental strategies and activities that strengthen the quality and effectiveness of teachers, principals, and other school leaders.

IDEIA – Individuals with Disabilities Education Improvement Act

IDEIA is the Individuals with Disabilities Education Improvement Act. It was passed in 1975 and it describes categories of disabilities that make students likely to get special education and services related to their specific needs.

Measure 98 – High School Success

High School Success is a fund initiated by ballot Measure 98 in November 2016. The spirit of the measure was to provide funding to establish or expand programs in three specific areas: Dropout Prevention, Career & Technical Education, and College Level Education Opportunities. The intent of High School Success is to improve student progress toward graduation beginning with grade 9, increase the graduation rates of high schools, and improve high school graduates' readiness for college and career. The Student Success Act

passed by the 2019 legislature provides for “full funding” of High School Success. The additional funds will be used for eligible services and provide partial funding for the Pathways Center, an expansion of the Oak Street campus.

Student Investment Account

The Student Investment Account is a fund initiated by HB 3427 established in 2019 and funded by the Corporate Activity Tax. The Student Investment Account is established within the Fund for Student Success and consists of moneys transferred to the account from the Fund for Student Success.

The two stated purposes for the funds distributed under the Student Investment Account are to (1) meet students’ mental or behavioral health needs, and (2) increase academic achievement for students, including reducing academic disparities for economically disadvantaged students; students from racial or ethnic groups that have historically experienced academic disparities; students with disabilities; students who are English language learners; students who are foster children; students who are homeless; and any other student groups that have historically experienced academic disparities, as determined by the State Board of Education.

In order to satisfy the purpose of the Student Investment Account, funds can be allocated between expanding instructional time, student health and safety, reducing class size and caseloads, and providing a well-rounded education. The District engages with the community, student families and school employees to identify the District’s need and investments.

Nutrition Services

Hillsboro School District’s Nutrition Services department provides a supportive role in the education environment by offering nutritionally complete breakfast, lunch, supper, and snacks to District students.

Effective March 1, 2024, HSD was able to participate in the Community Eligibility Provision, which offers free meals for all students at approved sites. This new certification expanded free opportunities for all students from fourteen approved sites to all thirty-seven sites.

During the regular school year, the Nutrition Services division operates federally, state, and locally funded meal programs that provide breakfast, lunch, various after-school snacks, and after school supper. Meal services are provided to five high schools, four middle schools, twenty-seven elementary schools, and five Head Start programs. In the summer months the Summer Food Service Program (SFSP) is sponsored offering meals to eligible in-district learning programs and offering free meals to the community at eligible park sites. HSD coordinates with Hillsboro Parks and Recreation and local area organizations to provide meal opportunities for children aged 1-18 years.

Nutrition Services is self-supporting in HSD, drawing funding from local, state and federal sources based on actual program participation. Nutrition Services pays wages and benefits for approximately 139 employees. This includes school-based kitchen workers, warehouse, office, and District maintenance staff. Salary and benefits represent approximately 51.8 percent of the department's expenditures.

Food, paper, and chemical supplies average 43.0 percent of Nutrition Services' expenditures. The department funds also provide for maintenance, repair and/or replacement of capital kitchen equipment as well as other professional service needs.

Nutrition Services operates a warehouse and food distribution program that transports food, government commodities, and supplies to all District schools. The department maintains and operates five transport trucks and three vehicles.

Functions special to HSD are Liberty High School Bakery that supports scratch made foods such as breakfast breads, pizzas, cinnamon rolls, and more. Catering services are based at South Meadows Middle School, and the Nutrition Warehouse supports district-wide vending machines containing Smart Snack compliant snacks and beverages.

An internet payment system for school meals and a la carte options is offered that also allows parents to view student account activity through the service. Payment is not required to view account activity.

HSD's Nutrition Services is also the lead agency of Oregon's largest statewide purchasing cooperative, which is made up of 82 Oregon school districts. The *Oregon Child Nutrition Coalition* (OCNC) combines their purchasing volumes to leverage better pricing with manufacturers and suppliers. The current management contract to HSD is annually renewed.

DEBT SERVICE FUND

The Debt Service Fund is designated for repayment of long or short-term debt from the sale of bonds used to finance capital construction.

The primary revenue source is property taxes that fall outside the limits set for operation. The tax levy for debt service is determined by dividing the bonded debt by the assessed value of the District.

The voters passed a construction levy in November 2006. Since that time, the Board has approved three bond refinancing options and authorized the sale of Pension Obligation Bonds in order to minimize interest expenses and the pending unfunded actuarial liability cost of the District's retirement obligation.

The community voted again in November 2017 to approve the sale of \$408 million in bonds for capital projects. These bonds are being issued in two separate sales in order to align the proceeds with the cash flow requirements of project expenditures as described in the ballot title.

The 2017 Bond was defined as a "renewal" levy that replaced expiring debt service items without increasing the tax rate per thousand of assessed value to local constituents. This section of the budget document identifies both revenue and expenditures for debt service only. Bond project expenditures will be included in the Capital Construction section of the document.

The District collects tax revenues for all outstanding bond issues. The total outstanding principal as of July 1, 2026, is \$332,585,000 in bonded capital project debt, and \$41,870,000 for PERS Pension Obligation Bonds. The debt limit for Hillsboro School District is based on an assessed value of \$29.2 billion. The debt ratio as of June 30, 2025, was 1.28 percent.

ORS 328.245 establishes a parameter of bonded indebtedness for school districts. Aggregates governed by real market value of all taxable properties within the District are based on the following: 1) for each grade from kindergarten to eighth for which the District operates schools, fifty-five one-hundredths of one percent (0.0055) of the real market value. 2) for each grade from ninth to twelfth for which the District operates schools, seventy-five one-hundredths of one percent (0.0075) of the real market value.

The legal debt margin for Fiscal Year 2025 is:

Real Market Value	\$70,626,299,348
Debt Limit (7.95% of RMV)	\$5,614,790,798
Debt Applicable to Limit	\$424,007,531
Legal Debt Margin	\$5,190,783,267
Debt as a Percentage of Debt Limit	7.55%

CAPITAL CONSTRUCTION FUND

The Capital Construction Fund consists of funds used to complete projects associated with the 2017 bond issue. The 2017 Bond Program will assist the District in reaching the goal of an “equitable learning environment” for all students in all schools. While understanding that each school presents physical challenges due to its age and design, bond projects will inspire students to achieve their educational goals, while continuing to provide excellent stewardship of District resources. Achieving an equitable learning environment will be accomplished by ensuring that classrooms are comfortable and safe places for students and staff; by providing flexibility and allowing for implementation of technology and innovation; and ensuring that students are prepared for life after school, whether that is higher education or career.

The bond will accomplish these goals by focusing on the priorities identified during the bond campaign:

Prioritize Safety and Security

- Ensure that all district campuses are equipped with modern safety and security systems
- Provide improved parent/bus/pedestrian traffic flow at all district campuses
- Upgrade all buildings to current seismic code
- Install cameras and GPS systems on District school buses

Renovate and Repair Aging Schools

- Upgrade HVAC systems and add air conditioning to all school buildings
- Replace failing water pipes/Replace/repair roofs
- Remodel Reedville Elementary School
- Remodel Hillsboro High School
- Construct lighted synthetic turf fields at Glencoe, Hillsboro and Century High Schools
- Construct track at Hillsboro High School
- Replace portable buildings in the poorest condition with permanent modular structures
- Other improvements as identified during construction at all school sites

Relieve Crowded Classrooms and Plan for Growth

- Construct new 600-student elementary school to replace Brookwood Elementary School
- Construct new 600-student elementary school in North Plains
- Construct new 600-student elementary school in South Hillsboro
- Build new gymnasiums at elementary schools to replace existing gym-a-cafeterium

Provide a Modern Education for Every Student

- Upgrade classroom technology at all schools
- Upgrade District technology infrastructure including construction of a dark fiber ring to serve all District facilities
- Career-technical education investment at all District high schools
- Purchase of flexible classroom furniture for all District schools

INTERNAL SERVICE FUND

An Internal Service Fund may be established by transfer of one-time resources such as a surplus fund balance with the intent of planning for future spending. Most recently, the District has utilized this function to establish a PERS Reserve Fund to offset pension cost increases. The fund was established and utilized within 5 fiscal years and was exhausted in 2018-19.

Due to the unusual circumstances described in the General Fund Balance section of this section (pages 38-39), there is an opportunity to establish such a fund as noted in the Annual Comprehensive Financial Report as “Future Expenses.” As one-time funds, the District may not use them to sustain long-term operational functions. The Internal Service Fund may be appropriated as transfers to the General Fund by the board during future budget development periods for uses such as:

- Actual Service Level Stabilization
If the general fund resources, specifically the State School Fund is not appropriated at a level to cover the increase in costs to maintain stable service levels for students, the board may access the Internal Service Fund as a temporary supplement.
- Technology Replacement
The District is now on a 1:1 device program that requires access to the internet, replacement of devices on a schedule, and additional licenses for system security and safety for students.
- PERS Reserve
Historically, the District has utilized the Internal Service Fund to offset rising costs of the pension program. Costs include debt service on pension obligation bonds that are stable based on a payment schedule through 2026. The rates that are paid directly to PERS by employers are determined by market returns every odd year, and set employer rates in the upcoming biennium. For example, the pension system earnings for 2019-21 determine the payroll rates for the 2023-25 biennium.
- Strategic Plan Initiatives
The district is entering the process of developing the next 5-year Strategic Plan. Initiatives under the plan may be explored, piloted, and supported by Internal Service Fund resources in future years.
- Curriculum Adoption
The District strives to maintain alignment with the Department of Education curriculum adoptions. Over the course of multiple underfunded years, the District has fallen behind in an effort to preserve student services over purchasing new curriculum. The process for adoption requires a period of discovery and piloting prior to implementation (spanning 2 fiscal years).

TAX RATE EFFECT ON TAXPAYERS

While the District lies in multiple counties, 99.98 percent of the District’s assessed value lies within Washington County. The District’s Operating (Permanent) Tax Rate Limit is \$4.9749 per \$1,000 of assessed property value and calculated in conjunction with the implementation of Measure 50 in 1997.

Tax Rates	Forecasted				
	2022-23	2023-24	2024-25	2025-26	2026-27
Permanent Tax Rate per \$1,000 of AV	4.9749	4.9749	4.9749	4.9749	4.9749
Bond Tax Rate per \$1,000 of AV	1.9920	1.9707	1.9290	1.5221	1.4382
Average Assessed Value	\$308,138	\$318,581	\$328,283	\$339,000	\$347,837
Tax Burden	\$2,147	\$2,213	\$2,266	\$2,202	\$2,231

Measure 5, which introduced property tax rate limits, was passed in 1990 and became effective starting in the 1991-92 tax year. When fully implemented in 1995-96, Measure 5 cut property tax rates an average of 51 percent from their 1990-91 levels. Measure 50 was passed in 1997 and cut property taxes, introduced assessed value growth limits, and replaced most tax levies with permanent tax rates. Permanent tax rate equals the maximum rate without voter approval. When Measure 50 was implemented in 1997-98 it cut effective tax rates an average of 11 percent from their 1996-97 levels.

Measure 5 (M5 limits)

- \$5 per \$1,000 real market value (RMV) for schools
- \$10 per \$1,000 RMV for general government taxes
- Applied only to operating taxes, not bonds
- For each property, school taxes and general government

Measure 50 (M50 limits)

- Annual growth of AV limited to 3.0 percent for existing property
- Assessed value (AV) for 1997-98 was set (at 90.0 percent of 1995-96 AV for each property) and permanent rates were established for taxing districts
- For new property, AV = (RMV) times (AV/RMV of similar property)

GENERAL OBLIGATION DEBT SERVICE (LEVIED)		\$332,585,000	\$31,300,000	\$15,464,450

Long-term obligations for the year are as follows:

Governmental Activities Description	Outstanding July 1, 2026	Increases	Decreases	Outstanding June 30, 2027
General obligation bonds	\$332,585,000	\$ -	\$31,300,000	\$301,285,000
Unamortized Premium	48,539,805	-	3,965,117	44,574,688
Total General obligation bonds, net	381,124,805	-	35,265,117	345,859,688
Pension obligation bonds	41,870,000	-	14,625,000	27,245,000
Notes from direct placements and borrowings:				
Qualified energy cons. bond	1,012,726	-	152,385	860,341
Total	\$424,007,531	-	\$50,042,502	\$373,965,029

General Obligation Bonds – In November 2017, the District passed a \$408 million capital project levy. In December 2017, the District issued a \$268.4 million general obligation bond series and realized an unamortized premium of \$51.6 million, with an interest rate of 3.0 to 5.0 percent. In February 2020, the District issued a \$139.6 million general obligation bond series and realized an unamortized premium of \$27.7 million, with an interest rate of 1.5 to 5.0 percent. In October 2020, the District refinanced the 2012 General Obligation Bonds and issued \$40.4 million in General Obligation Bonds, refunding \$37.1 million for a difference of \$3.3 million, with an interest rate of 0.22 to 0.75 percent. The proceeds were used to refund the Callable Portion only of the District’s 2012 Bonds and to pay the costs of issuance. The Bonds helped the District obtain a benefit of savings in total debt service requirements. The present value of the economic gain resulting from the refunding was \$1.6 million.

Pension Obligation Bonds – During the 2004-05 fiscal year, the District participated in pooled issuances of taxable pension obligation bonds to pay off a portion of the District’s unfunded actuarial liability. The District issued \$102.9 million in debt as part of a pooled issuance of \$458.6 million. In May 2015, the District issued \$39.86 million in taxable pension obligation bonds to finance the District’s estimated PERS unfunded actuarial liability. Bond proceeds were paid to the Public Employee Retirement System (PERS). An intercept agreement with the State of Oregon was required as a condition of issuance; therefore, a portion of State School Support is withheld on a monthly basis to repay debt. Annual principal and interest payments are made each June 30, ending June 2034.

Qualified Energy Conservation Bonds – In March 2016, the District entered into a direct placement agreement for an Energy Conservation Bond in the amount of \$3.4 million. The bond has an interest rate of 3.46 percent, which is offset by tax rebates to the issuer as a participant in the Quality Energy Conservation Bond program. If an Event of Default occurs, the Lender may exercise any remedy available by law or in equity. However, the amounts due from the District under this Agreement shall not be subject to acceleration. Upon the occurrence and continuance of an Event of Default, the Lender may, in addition to pursuing other remedies, at its election, increase the interest rate by 3.0 percent.

Future debt service requirements for governmental activities long-term debt are as follows:

For the Year Ending June 30,	General Obligation Bonds		Pension Obligation Bonds		Notes from Direct Placements	
	Principal	Interest	Principal	Interest	Principal	Interest
2028	\$13,810,000	\$14,006,950	\$7,935,000	\$1,207,972	\$158,667	\$28,398

STUDENT ENROLLMENT

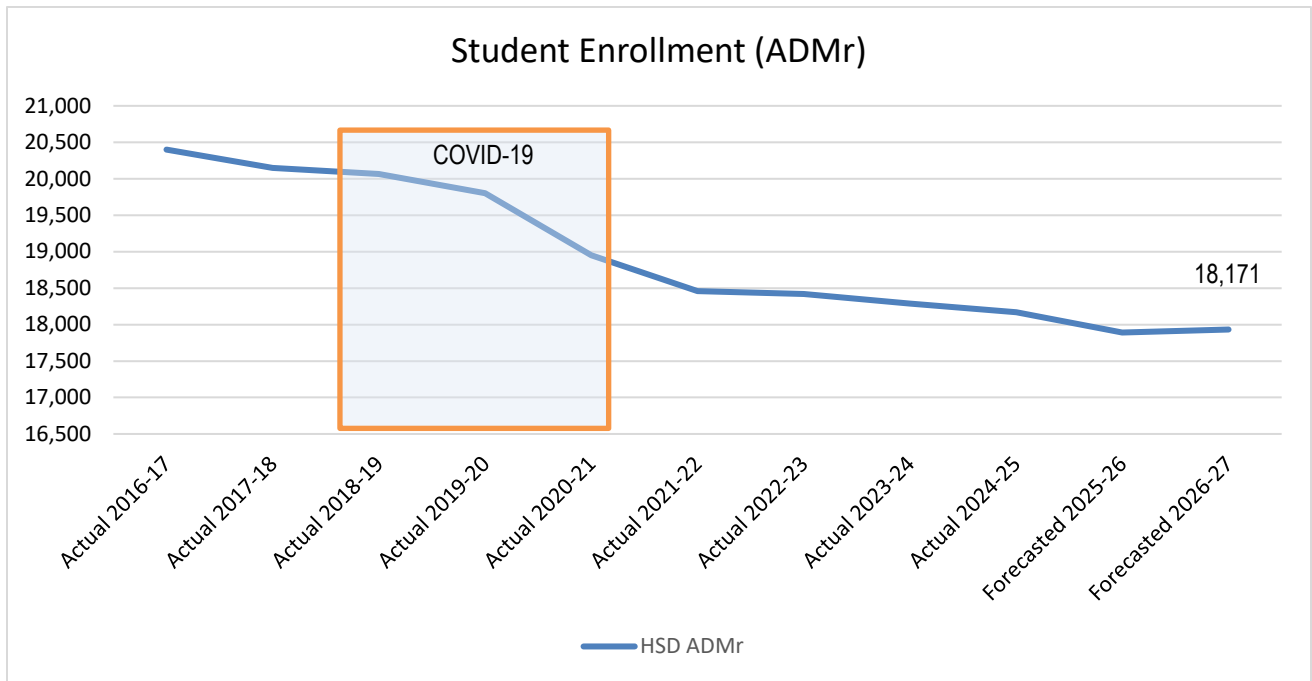

For the 2026-27 school year, the District will operate twenty-seven elementary schools, serving Grades K-6; four middle schools, serving Grades 7-8; and four high schools, serving Grades 9-12. Hillsboro School District also serves students in one alternative school, one online academy, and one charter school.

In order to have the most complete picture possible for projecting enrollment, the District has multiple tools for estimating the number and types of students to serve. Enrollment projections drive the State School Fund formula and predict funding levels. Recent residential development trends also rely on projections. Please see methods described below.

Davis Demographics Reports	This annual report is based on historical student enrollment by school, participation and mobility trends, and regional residential development.	The most recent report shows there are housing projects underway and the District is only beginning to see new students.
Oregon Department of Education¹	(Quarterly) Consolidated student enrollment reports and state school fund estimates provide insight to enrollment and demographics for the District and the state of Oregon.	The District's Student Information System provides the data and staff verify that data prior to use.
Historical Student Data	District staff record and analyze data monthly to project staffing and facility needs for instruction at the targeted class size and caseload ratios.	A five-year annual ADMr average change and class roll-ups determine the enrollment levels for budgeting purposes.

The Average Daily Membership (ADMr) represents the number of resident students in attendance at schools within the district. The district submits a quarterly and annual report generated by the student information system to the Department of Education that drives the base level of state funding, prior to weighting for various types of students. Typically, the first quarter enrollment report from October 1st is higher than the finalized annual report that determines funding.

¹ Oregon Department of Education: <http://www.oregon.gov/ODE/Pages/default.aspx>

In the following chart, ADMr represents Average Daily Membership-Resident or students enrolled. ADMw represents Average Daily Membership-Weighted and includes the students enrolled plus their additional weighting for various eligibilities such as students on individual education plans, students in poverty, etc. Please see [ORS 327.013](#) for more information on student eligibility and weighting.

Annual	2016-17	2017-18	2018-19	2019-20	2020-21	2021-22	2022-23
HSD ADMr	20,400	20,151	20,065	19,802	18,950	18,460	18,421
HSD ADMw	24,998	24,765	24,634	24,519	23,522	22,887	22,976

	2023-24	2024-25	>>>	2025-26	2026-27
HSD ADMr	18,290	18,170	Forecasted >>>	17,891	17,932
HSD ADMw	22,778	22,680		22,174	22,253

Another key piece of data is the October 1st District enrollment report. Historically, the October 1st enrollment marks the highest student count of the year and projections are used for staffing and determining discretionary budgets for schools. The district has experienced declining enrollment over the last eight years. Student growth is anticipated to continue declining due to birth rates trending down (consistent with national trends), and student mobility (students exiting the District across all grades) is a challenge that district staff are focusing on.

PERSONNEL RESOURCE ALLOCATION

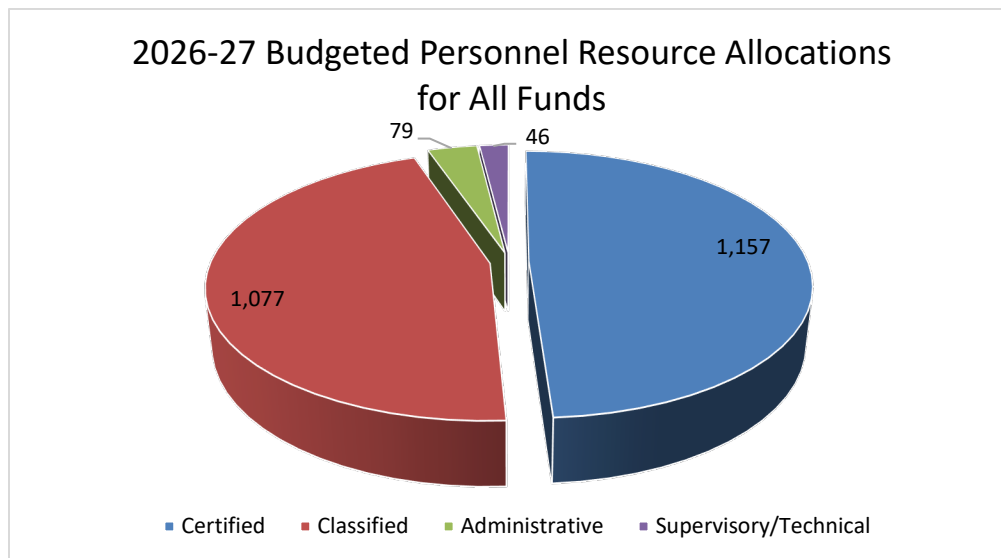

Personnel Type	Full Time Equivalents (FTE)				Approved Budget 2026-27
	Actual 2022-23	Actual 2023-24	Actual 2024-25	Actual 2025-26	
Certified	1,257	1,247	1,226	1,164	1,157
Classified	1,119	1,190	1,143	1,088	1,077
Administrative	82	86	85	86	79
Supervisory/Technical	44	48	49	47	46
Total All Staff	2,502	2,571	2,503	2,385	2,359

Certified – an employee who fills school or educational assignments requiring the issuance of a certificate. Examples are teachers and specialists.

Classified – an employee whose position within the District does not require certification. Examples are clerical, custodial, maintenance, computer tech, etc.

Administrative – an employee involved in the management of school operations at a school or district level. Examples are principals, vice principals, superintendent, executive directors, etc.

Supervisory/Technical – an employee providing management and technical assistance for specialized fields. Examples are department managers, software developers, systems analysts, etc.

PERFORMANCE MEASURES

Drop Out Rates

Drop out data is collected in the Annual Cumulative Average Daily Membership (ADM) Data Collection each year at the end of the school year, which identifies students' enrollment dates and status as of the last day of enrollment for the year. A drop out is a student who withdrew from school and did not graduate or transferred to another school that leads to graduation. Dropouts do not include students who:

- are deceased,
- are being home schooled,
- are enrolled in an alternative school or hospital education program,
- are enrolled in a juvenile detention facility,
- are enrolled in a foreign exchange program,
- are temporarily absent because of suspension, a family emergency, or severe health problems that prevent attendance at school,
- received a GED certificate,
- received an adult high school diploma from a community college.

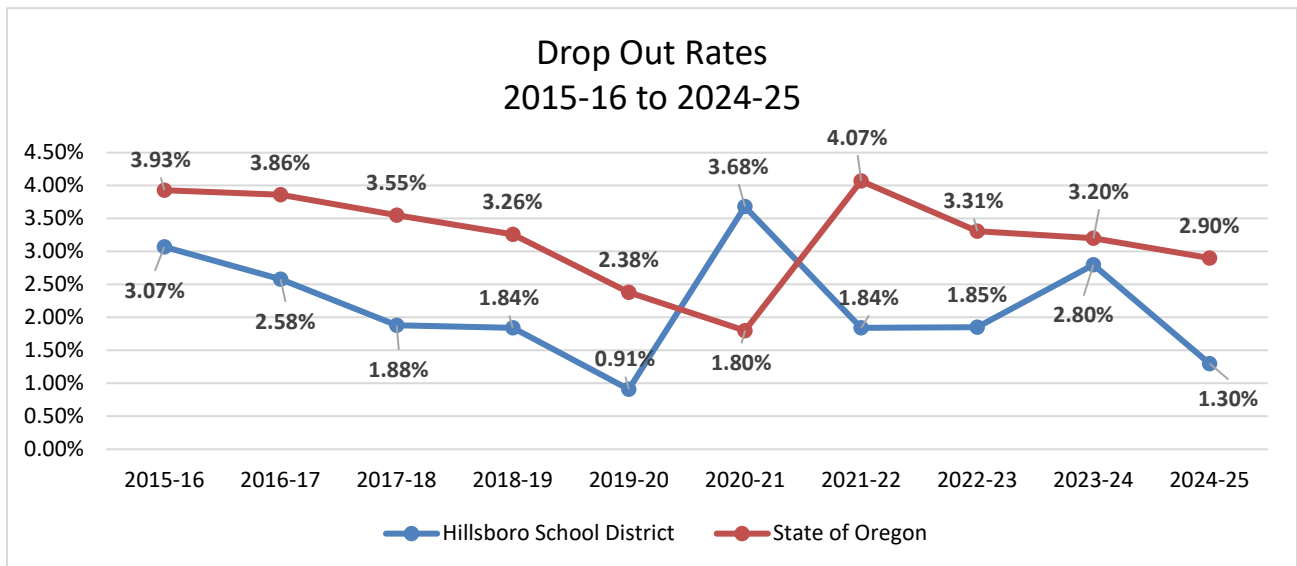

A student is considered a drop out (or push out) who has the four characteristics (for the purposes of the definition, "current school year" means the year being reported on- in this case 2025):

1. Has enrolled for the current school year, or was enrolled in a previous school year and did not attend during the current school year
2. Is not a high school graduate
3. Has not received a GED certificate
4. Has withdrawn from school. These students may have left school before graduation for many different reasons.

Prior to the class of 2020, drop out or push out rates had been on a decline in Hillsboro since 2015-2016. A contributing factor of that decline overall is connected to the District's on track work and effort to create academic options for students not only at comprehensive high schools, but through our work at the Pathways Center as well.

The District is seeing the success of that work pay off as the Class of 2025 experienced a graduation rate over 90 percent for the first time in HSD and a lower dropout rate as well. The District has been able to refocus our efforts on supporting students with on-tack work and credit attainment, and the District has seen dropout rates continue to be below the state level. The District is also working hard to close the opportunity gap of students that are underserved in our district.

The District continues to try and re-engage students through the Pathways Center that have dropped out as well as through our comprehensive high schools. This drop out rate does not account for the students that have returned as fifth year students. The District continues to see an increase in our fifth year rates and support students in earning their high school diploma or GED. Keeping our strategic plan of getting students across the stage if not in four years, then in five years. Also, not shown is the data that accounts for students in a sixth or seventh year, as we have until the age of 21.

Graduation Rates

The Hillsboro School District saw an increase in graduation rates over the prior year, and for the first time in District history, recorded a graduation rate of over 90 percent. This can be attributed to several different factors, including but not limited to a focus on teachers being part of professional learning communities, curriculum adoptions that support all learners, a strategic plan that supports historically marginalized focal groups, professional development around structured language supports, a collective focus on grade-level on-track work, and a targeted academic options program, including summer school, to support students who are credit deficient. In addition, the District is seeing an increase in students reporting a stronger sense of belonging at school, which is positively affecting academic performance.

The following data is 4-year cohort graduation rates for 9th graders entering High School in 2012-13 through 2021-22.

Standardized Test Scores

The Hillsboro School District continues to emphasize the importance of the Oregon State Balanced Assessments. While current data is improving in some areas, there is a gap between district and state passing percentages. The District has placed an emphasis on the importance of students not opting out of the assessments, improving test taking strategies, broadening the opportunities for sophomores in advanced math to take the assessments, and adopting curricula to meet the needs of all learners. In addition, HSD has adopted a strategic plan that supports historically marginalized focal groups, professional development around structured language supports, and a district-wide focus on professional learning communities to support instruction, assessment, and best practices. These targeted moves are showing success across the District, and in turn will have a positive impact on the Oregon State Balanced Assessment data.

Free/Reduced Lunch Statistics

Beginning in the 2020-21 school year the State of Oregon enacted legislative expansion of the free meal eligibility in schools. Increasing the household income limit as well as supplementing revenues for the Community Eligibility Provision, thus promoting more availability and higher participation in school meals. These new provisions are intended to decrease food instability in households throughout Oregon.

During the 2024-25 school year, HSD's percentage of free-and-reduced-price-eligible students totaled 65.46 percent or approximately 11,944 students that were served. These numbers are consistent with prior year due to the District being on the same CEP application.

The graph below depicts the breakdown by level of identified students receiving free/reduced lunches (FRL) in the past three years.

BUDGET SITUATION RETROSPECTIVE

2025-26 Structure deficit in general fund necessitating further personnel reductions and cost savings activities to bring the budget into balance.

HSD made our largest single-year budget cut in history: \$20 million. Savings were realized by taking the following actions:

- Reducing 66.5 full-time equivalent (FTE) licensed positions
- Reducing 77.5 FTE classified (both 10-month and 12-month) positions
- Reducing 5.2 administrative and supervisory-technical positions
- Reducing department (non-school) discretionary budgets by 10%
- Reducing school discretionary budgets by 5%

Continued enrollment declines, and rising expenditures due to both personnel costs and inflationary pressure in operating expenses made for a fiscally challenging environment that the district took proactive measures to offset.

2024-25 Internal Reserve Fund and cost savings utilized to help offset revenue gap and cost increases; further reductions planned for next biennium.

From the 2024-25 Proposed Budget Message:

Due to a decline in enrollment and revisions to the state's Average Daily Membership (ADM) allocation, we received a negative SSF adjustment for the 2022-23 school year of more than \$4 million, as well as revised assumptions for the 2023-24 school year of nearly \$3 million. After running the June payroll, which is when approximately 25 percent of the District's expenditures are made each year, it also became clear that expenditures in 2023-24 were higher than expected in some areas, due in large part to factors outside of our control (e.g. inflation) and the unknown impact of new legislation and associated costs (e.g. Paid Leave Oregon). Because school districts are required to have balanced budgets each year, this burden was shifted to 2024-25.

The continued decline in enrollment leading to reduced state school funding and inflationary cost increases for both staffing costs and operational costs were the headlines for this budgetary cycle. The expiration of remaining ESSER funds in 2024, while anticipated, also put pressure on staffing costs for the full school year. Staffing costs increased after settling retroactive bargaining agreements in 2024-25 with both the licensed and classified unions. We expect these budgetary challenges to continue into the next biennium and planned actions to reducing staffing and operations costs by approximately \$20 million in 2025-26 with ~85% of those reductions being sustaining (staffing).

2023-24 Contingency Plan for Undetermined State Support

From the 2023-24 Proposed Budget Message:

Heading into the 2023-25 biennium, we have approximately \$15 million in ESSER III (Elementary and Secondary School Emergency Relief, round three) fund remaining. Those funds will help us weather the \$10.2 million shortfall we anticipate at the Co-Chairs' current \$9.9 billion State School Fund proposal. However, because they expire on September 30, 2024 and due to their temporary nature, we know that they are not a long-term solution for our funding concerns.

For context, if the District did not have remaining ESSER III funds to help mitigate the \$10.2 million shortfall we would experience over the 2023-25 biennium at the \$9.9 billion funding level, it would be the equivalent of the following:

- 78 teaching positions OR
- 136 support positions OR
- An increase to the ratio of licensed staff to students (average class size increase of 3.92) OR
- 10.1 school days

Although the State School Fund has not yet been finalized as of the time of this writing, we are planning our expenditures assuming the \$9.9 billion level while continuing to advocate for \$10.3 billion, which is broadly determined to be the actual service level requirement statewide. In order to be prepared for any additional funds the Legislature may allocate above the \$9.9 billion level, we have planned for General Fund appropriations at the \$10.3 billion level. That way, we will have secured approval from the School Board in advance and can operate at higher levels immediately.

Note: this was Superintendent Mike Scott’s final budget message before retirement.

2022-23 Stabilization with Supplemental Services

The 2022-23 school year is the second of the 2021-23 biennium and therefore our funding level is already established. The 2021 Legislative Session set the State School Fund at \$9.3 billion, which is \$300 million short of what is necessary to meet the Hillsboro School District’s Actual Service Level. The Student Investment Account (SIA) and the High School Success Plan (Measure 98) will be fully funded for the second year in a row.

Fortunately, there are other funding sources that have been made available to districts through legislative action and federal pandemic relief that will help us weather the coming year without having to make significant reductions to staffing levels or programming.

HSD’s allocations are as follows:

Funding Round	Amount	Expiration Date
ESSER I	\$1.3 Million	Expires 9/30/2022
ESSER II	\$6.4 Million	Expires 9/30/2023
ESSER III/ARP (American Rescue Plan)	\$24.3 Million	Expires 9/30/2024

Due to the modified service models of Comprehensive Distance Learning and Hybrid in the 2020-21 school year, the District did not access ESSER Funds last year. Instead, we have carried the funds forward and allocated them on an annual basis as part of the regular budget development cycle, mapped backwards from their expiration date and targeting both operational and student needs. These funds are considered temporary in nature, and the District is intentionally targeting them to provide temporary supplemental services for learning acceleration, safety and health, and stability in operations over the full length of time available.

In addition, the unique situation caused by COVID-19 in the 2020-21 school year led to a significant decrease in expenditures versus budget expectations. Savings on substitutes, temporary staff, fuel, utilities, and supplies, led to the avoidance of approximately \$11.0 million in expenditures versus what was budgeted. We also received special relief funds from the State (\$431,201) and Washington County (\$1,430,472) for a total of \$1,861,673 in additional revenue.

The 2021-22 school year shows moderate stabilization of enrollment and student attendance. The Hillsboro School District, along with other districts across the state and nation, has seen a decline in enrollment over the past two years due to the combined effects of pandemic uncertainty and decreased birth rates. The 2022-23 budget is based on current enrollment projections and Actual Service Level projections, and will closely monitor enrollment trends to predict our budget needs for the 2023-24 school year and beyond.

2021-22 (-\$3.9 million General Fund, +\$5.25 million Student Investment Account, +\$18.9 ESSER I/II/ARP Funds)

Heading into the 2021-22 school year, we anticipated a general fund shortfall of approximately \$3.9 million. We intended to absorb that shortfall by funding eligible expenses with a portion of the \$16.5 million in Student Success Act/Student Investment Account (SSA/SIA) dollars we expected to receive.

During CDL, a concerted effort was made to keep staff safely working by repurposing some to support students and some to work on maintenance projects, and continuing to utilize the Work Share program for select employees. The Oregon Employment Department Work Share program streamlined unemployment benefits to eligible employees that had a reduction in 20-40% of their regular hours while maintaining a pre-reduction level of insurance benefits.

Areas of savings during CDL include transportation, utilities (from lack of evening events), and substitutes. Areas of excessive costs include technology (hardware, licensing, training, and support), access to the internet, and meal delivery services.

The state was ultimately able to deliver \$150 million (of the initially-anticipated \$475 million) in SIA funds to school districts, which meant HSD received approximately \$5.25 million to help support eligible expenses in the categories of instructional time, student health and safety, reducing class size, and well-rounded education.

HSD expects to receive approximately \$38 million in federal coronavirus relief funds (Elementary and Secondary School Emergency Relief Funds, or ESSER Funds). A group of cross-functional administrators created an Accelerated Learning Spending Plan that will guide investments of the temporary federal aid or ESSER funds, ODE Summer Grants, Student Investment Account, and High School Success/Measure 98 funds. These funds will be central to our efforts to mitigate the negative impacts of the pandemic and successfully transition students back to full-time in-person instruction.

We intend to continue advocating at the state level for additional funding for K-12 education through the SSF. It is a delicate exercise, as we certainly do not want to appear ungrateful for the historic investment in education that was realized through the SSA/SIA; however, for the SSA/SIA to be a true investment, it needs to be in addition to - not a substitute for - a stable base of funding.

2020-21 (-\$4.6M, +\$3M (cost savings), +\$5.25M (SIA), - ~\$4M (increased operational expenses, + \$4M COVID relief funds)

Heading into the 2020-21 school year, we anticipated a shortfall of approximately \$4.6 million. We intended to absorb that shortfall by funding eligible expenses with a portion of the \$16.5 million in Student Success Act/Student Investment Account (SSA/SIA) dollars we expected to receive. As the spring wore on, however, there was increasing uncertainty over the impact COVID-19 would have on our funding situation, including the availability of SIA dollars, so HSD implemented three cost-saving measures in late spring 2020:

1. Spending freeze
2. Hiring freeze
3. Participation in Work Share program for all employees from May 15, 2020, through July 24, 2020, in which employees were furloughed one to two days per week, rather than being laid off. Employees received their regular pay for the days they worked and Work Share unemployment pay for the furlough days. Employees also received \$600 per week from the federal CARES Act.

These measures saved the District approximately \$3 million that was then available for operational expenses in 2020-21.

HSD also staffed schools at a three percent reduction in anticipation of enrollment loss due to extended school closures and the Comprehensive Distance Learning (CDL) model. (2020-21 enrollment is down approximately 1,000 students from the 2019-20 school year.)

During CDL, a concerted effort was made to keep staff safely working by repurposing some to support students and some to work on maintenance projects, and continuing to utilize the Work Share program for select employees.

Areas of savings during CDL include transportation, utilities (from lack of evening events), and substitutes. Areas of excessive costs include technology (hardware, licensing, training, and support), access to the internet, and meal delivery services.

The state was ultimately able to deliver \$150 million in SIA funds to school districts, which meant HSD received approximately \$5.25 million to help support eligible expenses in the categories of instructional time, student health and safety, reducing class size, and well-rounded education.

It is anticipated that HSD will end the year with a balanced budget. Partners such as Washington County and the Hillsboro Schools Foundation brought additional support for students and their families during the public health emergency. The District will also have access to additional COVID-19 relief funds that can be spent over the next biennium; funding will be used to address long-term recovery from the pandemic that will benefit the greatest number of students with the highest levels of need.

2019-20 (-\$9,612,175 + \$480,000 + -\$1.5 million)

The 2019 Legislative Session was one the education community was extremely excited about. With a democratic supermajority in the House and Senate, the opportunity for a generational fix for education funding was within reach. Indeed, the Legislature passed the Student Success Act- a piece of legislation designed to generate \$2 billion each biennium through a corporate activities tax (CAT). This provided the funds to lower class sizes, support students' mental health needs, offer extended learning opportunities and enriched educational experiences. CAT also fully funded Measure 98- the career-technical education, graduation attainment, and dropout prevention measure which passed overwhelmingly by voters in 2016.

But the Legislature also allocated what was for many large districts, including HSD, an insufficient amount to the State School Fund (SSF). At the time we needed to present a budget proposal to our budget committee, the statewide K-12 budget was thought to be \$8.972 billion; therefore, we planned for reductions of \$9.6 million from our 2019-20 to cover our shortfall for the biennium. However, on June 4, 2019, the Governor signed a budget that increased K-12 funding to \$9.0 billion. The additional \$28 million statewide translated to approximately \$480,000 for HSD. Rather than allocate those funds, we opted to use the funds to ensure high school student success coaches remained whole, address class size hot spots, and meet other student support needs.

By winter, it was clear that decreasing enrollment and an increase to the cost of utilities beyond historical averages had caused an additional shortfall in the current year of approximately \$1.5 million. That shortfall was managed by restricting discretionary spending and utilizing other funding to cover general fund expenses, where possible.

2018-19 (-\$3,679,289 + -\$2,000,000)

Relatively flat state revenue projections and this being the second year of the biennium meant there were no changes to the 2017-19 K-12 budget during the 2018 short session. That, coupled with the fact that our student enrollment has fallen short of projections for the last two years and that student enrollment across the state has increased, thereby reducing the amount provided per-student, meant that we were in a reduction mode again for 2018-19.

We estimated our shortfall to be \$3,679,289, which already accounted for the utilization of the last \$1 million in our PERS Reserve Fund and the further reduction of our Ending Fund Balance to 4.0 percent after the 2018-19 school year. We proposed managing the shortfall in the following ways:

- Use Construction Excise Tax funds to pay principal and interest on our administration center - \$530,000
- Pay for certain technology and equipment expenses out of bond funds - \$700,000
- Reduce roll-up cost estimates for staffing, salaries, and benefits reductions - \$2,449,289

In early 2019, it became clear that the reductions heading into the school year hadn't gone far enough, based on our declining enrollment and changing student demographics. So we implemented mid-year spending reductions to affect an additional \$2 million in savings.

2017-18 (-\$7,713,000)

The State Legislature met for their full session starting in February 2017. Facing the state was a \$1.6 billion shortfall versus what would have been needed to simply roll costs up from 2016-17.* On the K-12 side, we were also looking at a significant increase to PERS employer rates beginning in the 2017-18 school year (approx. 6.0 percent).

We built our budget assuming an \$8.15 billion allocation to K-12 education, which meant making cuts of approximately \$7.5 million. We ultimately had to stick to those cuts- even though the final allocation was \$8.2 billion- because the money was split 50/50 rather than 49/51, which meant higher costs in the second year of the biennium.

To reach our target, we did the following: 1) Used reserves and adjustments: State School Fund adjustments for 2015-16 and 2016-17- \$1 million; PERS Reserve Fund- \$1 million; Construction Excise Tax to offset Facilities budget- \$1 million; Reduce Ending Fund Balance to 4.5 percent- \$1 million; and 2) Implemented efficiencies/reductions: Central Office reductions and efficiencies- \$2,258,000; Student Services reductions- \$455,000; Better align staffing to enrollment- \$1 million. Total reductions were \$7,713,000.

Efforts to pass bills around revenue reform and cost containment were not successful in the 2017 session, but will hopefully be addressed again in the 2019 session.

(*The \$1.6 billion shortfall was largely filled by the implementation of a healthcare provider tax, which would not only bring in revenue from the tax, but also federal matching dollars. A successful signature-gathering campaign in the summer/fall of 2017 led to this item's referral to a special election in January 2018. It was defeated and the tax was initiated as planned.)

2016-17 (-\$2.33 million)

As we budget for the 2016-17 school year, we are feeling the effects of a still-volatile economy. Modifications to the laws around Gain Share mean that the District is no longer receiving "pass-through" money of approximately \$1.2 million per year from the City and County. Also, though the region saw significant growth and districts around us experienced increasing enrollment, Hillsboro's enrollment did not meet projections. Furthermore, a majority of the PERS reforms that were passed in the 2013 session were deemed unconstitutional by the State Supreme Court and were nullified.

A positive is that we were able to secure three-year contracts with both our licensed and classified employee groups, which provides a measure of certainty when budgeting. Negotiated increases through those contracts included an annual cost of living adjustment (COLA) and insurance cap increase (total value equivalent to 3.0 percent COLA and \$25/month/year insurance cap increase).

Our efforts to contain costs for 2016-17 included “trueing up” the staffing ratio to align with actual enrollment (loss of 14.42 licensed FTE positions), and reducing district-level department budgets (discretionary) by 2.0 percent. We were able to add 2.0 FTE classified custodial positions to reduce the pressure on some of our buildings with half-time night custodians. Net reductions/savings of approximately \$2.33 million.

More information regarding budget years prior to 2016-17 are provided on the District website at <https://www.hsd.k12.or.us/Page/2060>.

GLOSSARY OF TERMS AND ACRONYMS

ACCRUAL BASIS

The basis of accounting under which transactions are recognized when they occur regardless of the timing of related cash flows.

ACFR

Annual Comprehensive Financial Report

ADMw

Average daily membership, weighted for additional student characteristics

ADOPTED BUDGET

Financial plan adopted by the governing body for the fiscal year or budget period that is the basis for appropriations (ORS 294.456).

APPROPRIATION

A legal authorization to make expenditures and incur obligations for specific purposes. Total appropriations include the adopted budget and any supplemental budget(s). The legal appropriation is the amount authorized by the board (ORS 294.311(3)).

APPROVED BUDGET

The budget that has been approved by the budget committee.

ARO

Academic Return on Investment

ASBO

Association of School Business Officials International

ASSESSED VALUE (AV)

The value placed on real and personal property as a basis for imposing taxes. It is the lesser of the property’s maximum assessed value or real market value.

AVERAGE DAILY MEMBERSHIP (ADM)

The year-to-date average of daily student enrollment.

AVID

Advancement Via Individual Determination

BALANCED BUDGET

Projected resources equal projected requirements within each fund.

BALLOT MEASURE 98 (HSS)

High School Success is a fund initiated by ballot Measure 98 in November 2016 to aid in increasing graduation rates and ensuring high school graduates are ready for their next step. The measure passed with 65% voter support and allowed the Oregon Department of Education (ODE) to disperse funds during the 2017-19 biennium among districts and charter schools that serve students in grade 9 through grade 12. All areas of eligibility must be fully in place by the end of the 2020-21 school year.

BASIS OF ACCOUNTING

Methodology and timing of when revenues and expenditures or expenses are recognized and reported in the financial statements.

BOARD OF EDUCATION

Seven member elected board, created according to state law and vested with responsibilities for educational activities in a given geographical area, who establishes policy, hires a superintendent and governs the operations of the district.

BOND

A written promise, generally under seal, to pay a specific sum of money, called the face value, at a fixed time in the future, called the date of maturity and carrying interest at a fixed rate, usually payable periodically. The difference between a note and a bond is that the latter usually runs for a longer period and requires greater legal formality.

BUDGET COMMITTEE

A statutorily (ORS 294.414) defined committee composed of the School Board and an equal number of citizen members appointed by the Board. The committee is responsible for reviewing the budget as proposed, recommending changes and approving the final budget presented to the School Board for adoption.

BUDGET DOCUMENT

Written report showing the school district's comprehensive financial plan for one fiscal year. It must include a balanced statement of actual revenues and expenditures for each of the last two budgets and estimated revenues and expenditures for the current and upcoming budget.

BUDGET MESSAGE

Written explanation of the budget and the school district's financial priorities. The Superintendent of the school district prepares and presents the message.

BUDGET

A plan of financial operation embodying an estimate of proposed expenditures for a given period or purpose and the proposed means of financing them.

CAPITAL OUTLAY

Items which have a useful life of one or more years and exceed a dollar threshold established by the district, such as land, buildings, furniture, and equipment.

CAPITAL CONSTRUCTION FUND

Accounts for resources, usually bond sale proceeds, used for activities related to the purchase or construction of major capital assets.

CARES ACT

Coronavirus Aid, Relief and Economic Security Act

CASH BASIS

System of accounting under which revenues are accounted for only when received in cash, and expenditures are accounted for only when paid.

CCR

College & Career Readiness

CET

Construction Excise Tax

CIP

Construction in Progress

COLA

Cost of Living Adjustment

CONTINGENCY

An estimate in an operating fund for unforeseen spending that may become necessary.

COST CENTER

An administrative subdivision of the school district, which is charged with carrying on one or more specific purposes such as a school, department or special program.

COVID

A mild to severe respiratory illness caused by a coronavirus first identified in Wuhan, China in December 2019. In 2020, the virus was declared a global pandemic.

CTE

Career and Technical Education

CURRENT BUDGET PERIOD

The budget period currently in progress.

CURRENT SERVICE LEVEL (CSL)

Determined by the Confederation of School Administrators and the Oregon Association of School Business Officials.

DAS

Distributed Antenna System

DEBT SERVICE FUND

A fund established to account for payment of general long-term debt principal and interest.

DISTRICT STRATEGIC PLAN

Articulates the District's mission, goals, and focus areas as it strives to increase the achievement of all students.

DMGroup

District Management Group is an independent consultant that helps school district leaders combine the most effective educational best practices with proven management techniques to bring about measurable, sustainable improvements in student outcomes. The District works with DMGroup on AROI.

EL

English Learner

ELA

English Language Arts

ELL

English Language Learner

ELPA

English Language Proficiency Assessment for the 21st Century

ENCUMBRANCE

An obligation chargeable to an appropriation and for which part of the appropriation is reserved.

ES

Elementary School

ESD

Education Service District

ESL

English Second Language

ESSA

Every Student Succeeds Act

ESSER

Elementary and Secondary School Emergency Relief Fund

EVERY STUDENT SUCCEEDS ACT (ESSA)

Federal law governing the United States K-12 public education policy. Like the No Child Left Behind Act, ESSA is a reauthorization of the 1965 Elementary and Secondary Education Act, which established the federal government's expanded role in public education.

EXPENDITURES

Total amount incurred if accounts are on an accrual basis; total amount paid if accounts are on a cash basis.

FEMA

Federal Emergency Management Agency

FFCO

Full Faith & Credit Obligation

FFE

Furniture, Fixtures, and Equipment

FICA

Federal Insurance Contributions Act

FISCAL YEAR

A 12-month period from July 1 through June 30 to which the annual operating budget applies.

Forecasted

Estimate, calculation, or prediction of a future event or condition by analyzing historical data and trends.

FULL TIME EQUIVALENT (FTE)

The term used to note the percentage of the job employed based on one full time employee being the norm. One FTE is one employee 100% of the time for the entire year. (0.5) FTE is one employee working one-half of the day in that position.

FUNCTION

A group of related activities aimed at accomplishing a major service or regulatory program for which a government is responsible.

FUND BALANCE

The excess of assets of a fund over its liabilities and reserves. During the fiscal year prior to closing, it represents the excess of the fund's assets and estimated revenues for the period over its liabilities, reserves & appropriations for the period.

FUND TYPE

Any one of seven categories into which all funds are classified in governmental accounting. The seven fund types are: general, special revenue, debt service, capital projects, enterprise, internal service, and trust and agency.

FUND

A fiscal and accounting entity with self-balancing accounts to record cash and other financial resources, related liabilities, balances and changes, all segregated for specific, regulated activities and objectives.

FYE

Fiscal Year End

GAAP

Generally Accepted Accounting Principles

GASB

Governmental Accounting Standards Board

GEER

Governor's Emergency Education Relief Fund

GENERAL FUND

A fund used to account for most operating activities, except those activities required to be accounted for in another fund.

GFOA

Government Finance Officers Association

GO

General Obligation Bond

GOVERNING BODY

County court, board of commissioners, city council, school board, board of trustees, board of directors, or other managing board of a local government unit.

GRANT

A donation or contribution in cash which may be made to support a specified purpose or function, or general purpose.

HB

House Bill

HB 3427

House Bill that established the SSA and allocated funding to education including the SIA.

HSD

Hillsboro School District

HVAC

Heating, Ventilation, and Air Conditioning

IASA

Improving America's Schools Act

IDEIA

Individuals with Disabilities Education Improvement Act

IEP

Individualized Education Program

INSTRUCTION

The activities dealing directly with the teaching of students or improving the quality of teaching.

INTERNAL SERVICE FUND

PERS Reserve available for transfers to offset increasing pension costs in the General Fund.

LEVY

Amount or rate of ad valorem tax certified by a local government for the support of governmental activities.

LIABILITIES

Debt or other legal obligation arising from transactions in the past which must be liquidated, renewed, or refunded at a future date; does not include encumbrances.

LSS

Limited Student Support

MEASURE 5 CONSTITUTIONAL LIMITS

The maximum amount of tax on property that can be collected from an individual property in each category of limitation.

NWRES

Northwest Regional Education Service District

OBJECT CLASSIFICATION

A grouping of expenditures, such as personal services, materials and services, capital outlay, debt services, and other types of requirements.

OCNC

Oregon Child Nutrition Coalition

ODE

Oregon Department of Education

ORS

Oregon Revised Statutes. Oregon laws established by the legislature.

PD

Professional Development

PERMANENT TAX RATE LIMIT

The maximum rate of ad valorem property taxes that a local government can impose. Taxes generated from the permanent rate limit can be used for any purpose. No action of the local government can increase a permanent rate limit once it is established.

PERS

Public Employees Retirement System

PROGRAM

A group of related activities to accomplish a major service or function for which the local government is responsible.

PROPERTY TAXES

Ad valorem tax certified to the county assessor by a local government unit.

PROPOSED BUDGET

Financial and operating plan prepared by the Budget Officer. It is submitted to the public and the budget committee for review.

PURCHASED SERVICES

Includes such items as conference fees, mileage paid, consultant fees, fees of subcontractors, utilities including electricity, telephone, water, refuse and gas, liability, property and fleet insurance.

REQUIREMENT

The sum of all appropriated and unappropriated items in a fund. Total requirements must always equal total resources in a fund.

RESERVE FUND

Established to accumulate money over time for a specific purpose, such as purchase of new equipment.

RESOLUTION

A formal order of a governing body.

RESOURCE

Estimated beginning funds on hand plus anticipated receipts.

RMV

Real market property value

S3

Smarter School Spending

SB

Senate Bill

SB 1049

Senate Bill effective in 2020 redirecting a portion of PERS employee contributions to an employee pension stability account.

SIA

Student Investment Account, the account by which the State of Oregon has divided approximately 50% of the resources of the Student Success Act.

SLC

Structured Learning Center

SLP

Speech Language Pathologist

SPECIAL REVENUE FUND

A fund used to account for proceeds of specific revenue sources (other than special assessments, expendable trusts, or major capital projects) that are restricted to expenditure for specific purposes.

Teacher on Special Assignment

TRANSFERS

Amounts moved from one fund to finance activities in another fund. They are shown as expenditures in the originating fund and revenues in the receiving fund.

UAL

Unfunded Actuarial Liability in reference to the PERS system and employer rates.

UNAPPROPRIATED ENDING FUND BALANCE

Amount set aside in the budget to be used as a cash carryover to the next fiscal year or budget period. It provides the local government with cash until tax money is received from the county treasurer in November. This amount cannot be transferred by resolution or used through a supplemental budget, unless necessitated by a qualifying emergency.
