PUBLIC COMMENTS

Motion by Ms. Kittles, seconded by Mr. Harper, and unanimously approved by all present to open the floor to public comment.

Ms. Higgs, 131 Lapierre Ave, explained to the Board the support she has provided, meetings she attended, financial support offered to the winner to incentive student support, but why is there still no middle school science fair.

Dr. Johnson explained that all Ms. Higgs input has been appreciated and taken into consideration and the Administration is working over the summer to put on a fair in the fall.

Motion by Ms. Kittles, seconded by Ms. Hurley, and unanimously approved by all present to close the floor to public comment.

BOARD COMMENTS

Vice President Forrest complimented the Administrative team and their efforts made to bring the community together. She spoke about successes of her children who came through the Lawnside school system but cautioned everyone that today's parents are working multiple jobs and parent involvement is not what it use to be when her children were students walking these halls. She passionately asked for everyone on the Board to speak positively about the school to the community and to give positive examples of what is happening. Focus on the positive not the negative. Everyone must do their part.

Mayor Mary Ann Wardlow, expressing agreement with Ms. Forrest, echoed the unique experiences offered to our students and the community is not always the same offerings outside of Lawnside. Mayor Wardlow is hopeful that will continue.
