Creekside Middle PTO

Hello Creekside Families,

It's going to be an exciting year! It is an honor to serve as Creekside's PTO President in its 2nd year. Some may wonder, "What exactly is PTO?" PTO is an organization of parents and teachers collaborating to foster a sense of community and to support the vision and mission of the school. Part of my role is to help you get plugged in at your child's school and to support you in getting as involved as you would like to be.

You can be involved in different ways. One way is to be hands-on. There will be opportunities throughout the year to volunteer in different capacities. A few of these opportunities include helping teachers, providing food or supplies for events, or helping at fall carnival. Another way to be involved is by becoming a Creekside Booster. Boosters show their support by making a one-time financial contribution to help fund various events throughout the year. (Please see attached forms.)

No matter how you choose to get involved we want you to stay connected. Join our PTO volunteer email list and like our Creekside Middle PTO Facebook Page to stay in the know on upcoming events about ways that you can be involved. You can also email any time at CreeksideCardinalsPTO@gmail.com.

PTO membership is $5. Your membership qualifies you to be a voting member and your dues go toward funding PTO-sponsored activities. We will have monthly meetings that you are encouraged to attend. Evenings are full of family time and other activities, so these meetings will be held during the school day. I realize this is not conducive to everyone's schedule and apologize in advance for any scheduling conflicts. We intend to do our best to keep you informed by keeping our meeting agendas and minutes available via email as well as FB.

We're looking forward to a great year! Please feel free to contact PTO anytime with questions or comments about ways that you can be involved.
