

Mayor Bobby Sanchez and the City of New Britain
are proud to announce a partnership with

Your Information. Your Safety.

Help first responders better
assist you or your loved one
during an emergency.

Who Should Enroll?

Individuals who:

- Have autism, intellectual disabilities, dementia, Alzheimer's disease, or cognitive challenges
- Are deaf, hard of hearing, or non-verbal
- Have mobility limitations
- Have mental health conditions
- Have medical, behavioral, or communication needs

What Information Can Be Shared?

Your secure profile may include:

- Medical conditions and diagnoses
- Medications and allergies
- Emergency contacts
- Communication preferences
- Behavioral triggers and calming strategies
- Wandering or elopement concerns

BE READY FROM DAY ONE

FREE FOR RESIDENTS

Families, guardians, assisted living facilities, residential programs, and support agencies are encouraged to enroll eligible residents now.
