

ACCESSING DUAL ENROLLMENT TRANSCRIPTS

The links to access transcripts from our participating dual enrollment institutions are located by clicking the dropdown for each course. The button to access the transcript request link for each college appears directly above each course registration link.

Students and parents are advised that all course grades must be posted before transcripts can be issued. Grades for the Fall semester are due by the end of January. Grades for the spring semester course are due by June 30. Once the colleges receive grades, it will take about 14-21 days for all grades to be entered into the student accounts, making transcripts accessible by mid-July.

For additional questions or clarifications, please contact Assistant Principal Noreen Andrews at nandrews@unioncatholic.org or College Collaborations Coordinator Dr. Marla James at mjames@unioncatholic.org.
