

Welcome to fourth grade! We are looking forward to meeting you! The Northville Public Schools will provide students with all the books, supplies and materials necessary for the upcoming school year. However, parents and students are welcome to voluntarily provide additional supplies. A suggested list of school supplies can be found below. Please put your child's name or initials on each of their supplies with a permanent marker. Thank you for your support with these materials. It is very helpful if these supplies can be brought to school the first day of school or the first week, as we get organized and get our classroom routines underway.
