Highlights from the Class of 2024 Graduate Survey of Undergraduate Students

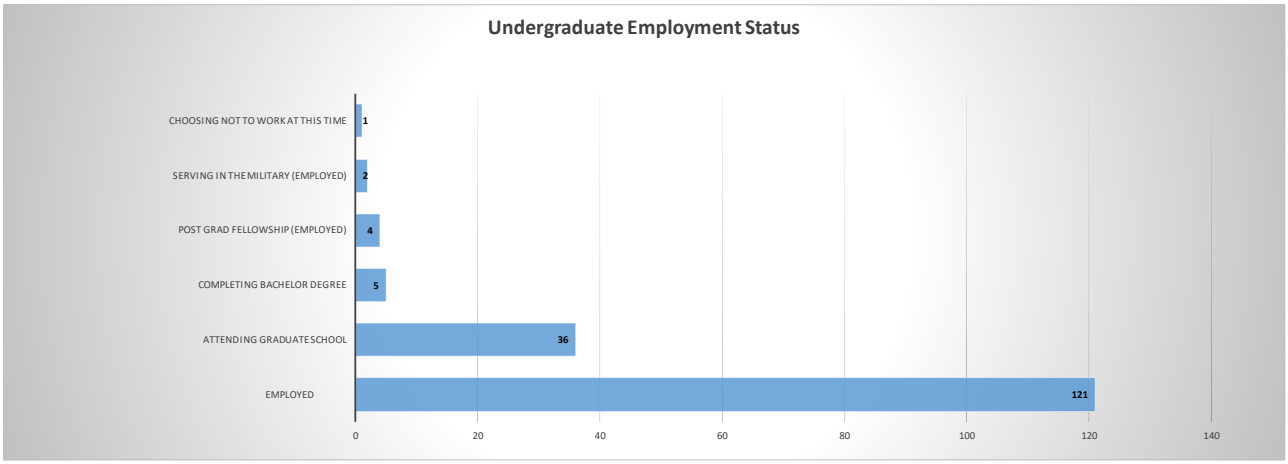

- Survey delivered [end] Oct., 2024, data collected Nov. 2024 through March 2025;
- Of our 213 graduated undergraduate students, the data in this report is based on 74 completed graduate surveys and additional data collected from CSC faculty and professional social media sites (primarily *LinkedIn*) on 72 additional graduates, therefore, providing data on a total of 146 graduates from our undergraduate program; data gathered on 69% of our undergraduates.
- 83% of our alumni are employed, 25% are in graduate school; 96% employed and/or in graduate school.
- 98% of our alumni employed are working in an industry directly or somewhat directly related to their major.
- 59% of our alumni were offered a job from their experiential learning site (internship, clinical, practicum, or field experience site), this does not assume they accepted those offers.
- Of those employed and offered job by experiential learning site, 68% of undergraduate alumni accepted job offer at their experiential learning site.
- Of those employed, 33% of alumni work with partner, Dartmouth Health.
- 9% of alumni receive an annual salary between $30k - $40k, 15% between $40k-$50k, 4% between $50k-$60k, 30% between $60k-$75k, 19% between $75k-$100k, and 2% over $100k.
- 71% of our undergraduate alumni are working within NH, 28% are working outside NH domestically, and 1% are working internationally.
- 63% of alumni felt that they “very much” achieved having met CSC’s learning outcomes; another 33% felt that they “somewhat” achieved meeting CSC’s learning outcomes.
