Highlights from the Class of 2023 Graduate Survey of Undergraduate Students

- Survey delivered [end] Oct., 2023, data collected Nov. 2023 through March 2024;
- Of our 227 graduated undergraduate students, the data in this report is based on 70 completed graduate surveys and additional data collected from professional social media site (primarily *LinkedIn*) on 106 additional graduates, therefore, providing data on a total of 176 graduates from our undergraduate program; data gathered on 78% of our undergraduates.
- 85% of our alumni are employed, 15% are in graduate school; 95% employed and/or in graduate school.
- 93% of our alumni employed are working in an industry directly or somewhat directly related to their major.
- 79% of our alumni were offered a job from their experiential learning site (internship, clinical, practicum, or field experience site), this does not assume they accepted those offers.
- Of those employed and offered job by experiential learning site, 48% of undergraduate alumni accepted job offer at their experiential learning site.
- Of those employed, 23% of alumni work with partner, Dartmouth Health.
- 17% of alumni receive an annual salary between $30k - $40k, 12% between $40k-$50k, 15% between $50k-$60k, 15% between $60k-$75k, and 6% between $75k-$100k.
- 52% of our undergraduate alumni are working outside of NH, 48% are working within NH.
- 69% of alumni felt that they “very much” achieved having met CSC’s learning outcomes; another 27% felt that they “somewhat” achieved meeting CSC’s learning outcomes.

Highlights from the Class of 2023 Graduate Survey of Graduate Students

- Survey delivered [end] Oct., 2023, data collected Nov. 2023 through March 2024;
- Of our 13 graduated graduate/master level students, the data in this report is based on 6 completed graduate surveys and additional data collected from professional social media site (primarily *LinkedIn*) on 7 additional graduates, therefore, providing data on a total of 13 graduates from our undergraduate program; data gathered on 100%.
- 100% of our alumni are employed.
- 100% of our alumni are working in an industry directly or somewhat directly related to their major.
- 100% of our alumni were offered a job from their experiential learning site (internship, clinical or field experience site), this does not assume they accepted those offers based on those from which data was collected on this survey question (5 graduates).
- Of those employed, 23% of alumni work with partner, Dartmouth Health.
- 31% of our alumni are working outside of NH and 62% are working within NH.
- 83% of our alumni felt that they "very much" achieved having met CSC's learning outcomes, and another 17% felt that they "somewhat" achieved meeting CSC's learning outcomes.
