Class of 2022

Annul Report of Graduate Outcome Data (6-months post-graduation)

Prepared by Jennifer Tockman Harrington Center for Experiential Learning, Data collection collaboration with Tracey Austin, Office of Advancement.

Photo features Kara Fortier '22, business administration, shares thoughts on the business program: "[the program] has prepared me to succeed in a finance career after college through small classes that collaborate and encourage engagement."

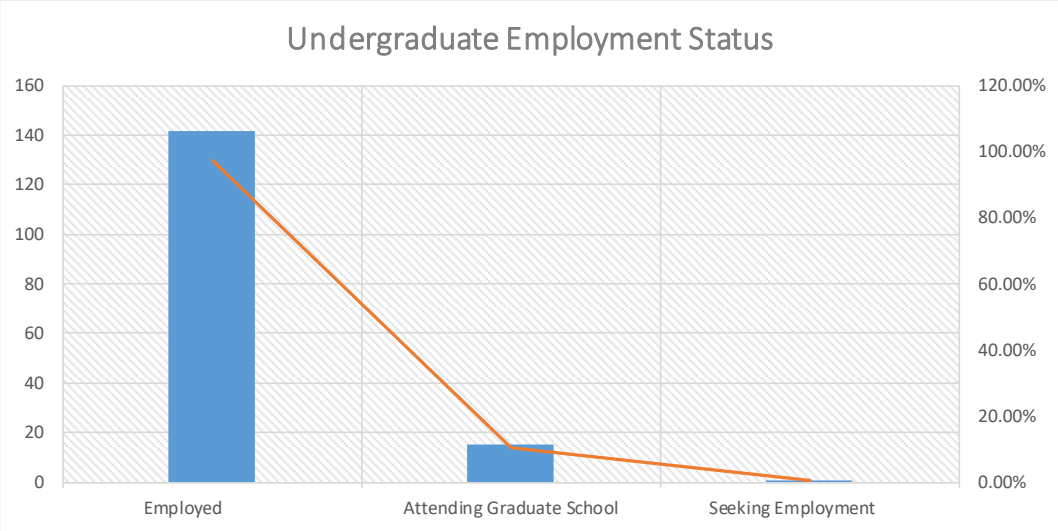

Highlights from the Class of 2022 Graduate Survey of Undergraduate Students

- Survey delivered [end] Oct., 2021, data collected Nov. 2022 through March 2023;
- Of our 207 graduated undergraduate students, the data in this report is based on 82 completed graduate surveys and additional data collected from professional social media site (primarily *LinkedIn*) on 64 additional graduates, therefore, providing data on a total of 146 graduates from our undergraduate program; data gathered on 71% of our undergraduates.
- 97% of our alumni are employed, 10% are in graduate school; 100% employed and/or in graduate school (as there is overlap between the two).
- 98% of our alumni employed are working in an industry directly or somewhat directly related to their major.
- 61% of our alumni were offered a job from their experiential learning site (internship, clinical or field experience site), this does not assume they accepted those offers.
- Of those employed, 14% of undergraduate alumni are working in their experiential learning site.
- Of those employed, 35% of alumni work with partner, Dartmouth Health, at one of their sites.
- 33% of alumni receive an annual salary between $30k - $40k, and 47% of alumni are receiving above a $40k range, of which 12% are making between $60k - $75k.
- 36% of our undergraduate alumni are working outside of NH, 64% are working within NH.
- 54% of alumni felt that they “very much” achieved having met CSC’s learning outcomes; another 40% felt that they “somewhat” achieved meeting CSC’s learning outcomes.

Highlights from the Class of 2022 Graduate Survey of Graduate Students

- Survey delivered [end] Oct., 2021, data collected Nov. 2022 through March 2023;
- Of our 26 graduated graduate/master level students, the data in this report is based on 6 completed graduate surveys and additional data collected from professional social media site (primarily *LinkedIn*) on 11 additional graduates, therefore, providing data on a total of 17 graduates from our undergraduate program; data gathered on 65% of our undergraduates.
- 100% of our alumni are employed.
- 100% of our alumni are working in an industry directly or somewhat directly related to their major.
- 88% of our alumni were offered a job from their experiential learning site (internship, clinical or field experience site), this does not assume they accepted those offers.
- Of those employed, 11% of alumni, are working in their experiential learning site.
- Of those employed, 19% of alumni work with partner, Dartmouth Health, at one of their sites.
- 17% of our alumni receive a salary between $40k - $50k, 17% between $50k - $60k, 17% between $60k - $75k, and 50% receive between $75k - $100k.
- 31% of our alumni are working outside of NH and 69% are working within NH.
- 89% of our alumni felt that they "very much" achieved having met CSC's learning outcomes, and another 5% felt that they "somewhat" achieved meeting CSC's learning outcomes.
