Discussed safe school environment: doors locked at all times and officer on duty all days that students are present.

Health News : finishing up health and vision screenings. Flu season is hopefully near the end, some stomach viruses noted but all is well.

Cafeteria news: 2 health inspections done and did very well on them. 3 meals to choose from at lunch. 2 breaks for students for breakfast . Snacks still available for PK, K and 1st grade.

Board approved wellness policy: policies reviewed during the summer to see if changes are needed.

Open discussion: Mrs. Luna added that we have health teachings compliant with TEKS.

Students had no concerns or suggestions.

With no further concerns, the meeting adjourned at 0741am.
