School Board Appreciation Month provides an opportunity to honor the dedication and public service of Idaho's local school board members.

Board members, who are unpaid elected volunteers, devote countless hours to overseeing budgets, guiding the governance of our schools, and serving their communities.

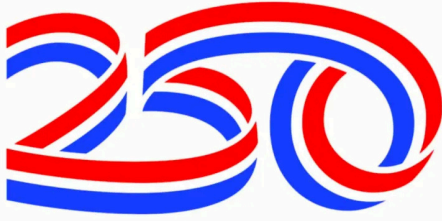

PCSD 25 extends its sincere gratitude to our Board of Trustees and to the more than 800 school board members across Idaho for their commitment to public education and the success of every learner.

SCHOOL DISTRICT 25

Tonight, we are pleased to recognize several prize winners from our "America Through the Eyes of Our Learners" Fine Arts Competition, part of PCSD 25's celebration of America's upcoming 250th anniversary, an important milestone in our nation's history.

This competition marks just one component of the Board's broader goal to ensure our schools and learners have meaningful opportunities to participate in and commemorate this historic national milestone.

Learners from across the district shared their perspectives on our nation's past, present, and future through art, demonstrating exceptional creativity, talent, and thoughtfulness.

Thanks to the generous support of the Pocatello/Chubbuck School District 25 Education Foundation, prize money was awarded to outstanding entries in recognition of their achievement.

We are proud to celebrate these learners and the unique voices they bring to the American story.
