

Welcome to Community 1324

My name is Ms. Catherine and I am so excited to be your child's teacher next year! I've been teaching at a neighborhood, public Montessori school since graduating from Xavier University in 2016. This is my second year at Dater Montessori. I am passionate about the Montessori philosophy, building relationships with families and fostering mental health and resiliency in the classroom.

A little about me...

- I love animals! I am always fostering some furry friends, in addition to my two resident pups.
- I am expecting my first baby in the fall. I plan to begin the school year with our community, and will return after maternity leave.
- I have a Master's degree in Clinical Mental Health and worked as a Licensed Professional Counselor in community mental health and private practice.

Contact

Please feel free to reach out anytime--I'd love to hear from you! My email is guimarc@cpsboe.k12.oh.us.

I'm hoping to schedule a summer playdate for students and families to get to know each other! More details will be shared this summer.

Community 1324 Supply List
