

TUSKER TRACKS

A weekly, trunkated note from Dr. B

The Bronstein Brief

Happy Thursday, Somers!

We're officially in the home stretch of the 2025-2026 school year! As we spend the next week winding down and wrapping up loose ends, I wanted to thank the entire community for their continued support of our students, faculty and staff.

We look forward to celebrating our SHS Class of 2026 as they officially conclude their time here in the Somers Central School District and look forward to seeing all they accomplish as they step out into the world.

Congratulations to all!

Around the District

Ahead of prom, students and staff at Somers High School had the opportunity to experience the Westchester County Police Department's DWI Simulator, hosted by Student Assistance Counselor Jessica Pereira in partnership with Somers Partners in Prevention and Chairperson Kathy Cucchiarella.

The simulator provided a powerful, hands-on demonstration of how alcohol and other impairing substances can affect driving ability, reaction time, and decision-making. Open to students in all grade levels, this interactive experience encouraged thoughtful conversations about making safe and responsible choices behind the wheel.

Thank you to the Westchester County Police Department and Somers Partners in Prevention for helping to promote a safe and memorable prom season.

'Tails' of Triumph

Congratulations to the Somers Broadcasting Club on a remarkable achievement!

Last month, club members participated in the inaugural Westchester Broadcast Alliance for Senior High (BASH) Awards at the Jacob Burns Film Center and earned 1st Place for Best Short Broadcast. Their work stood out among submissions from 11 schools and was evaluated by professionals in the broadcast and journalism industries.

This outstanding recognition is a testament to our students' creativity, storytelling, technical skills and dedication. We are incredibly proud of their accomplishments and look forward to seeing what they create next!

Tusker Pride

Congratulations to Somers Middle School students Molly Miale, Iris Campo, and Luke Giangrande, winners of the Veterans of Foreign Wars Patriot's Pen Essay Contest!

Last fall, SMS seventh graders were invited to respond to the thought-provoking prompt, "How Are You Showing Patriotism and Support for Our Country?" Through their outstanding essays, these students demonstrated a deep understanding of citizenship, service and community.

Former Somers VFW Post Commander and town resident Tim McArdle visited SMS to recognize the winners and present certificates and awards for their exceptional work. We are proud of these students for sharing their voices and representing our school community so well!
