Call Meeting to Order

Welcome Everyone / Introductions

Andrea Griffith

Principal's Report:

Mr. Roskos

The budget passed with an increase in ready to learn funds. These funds will support full day kindergarten as well as the school resource officer. This also provides more funding to cyber charter school for district students who want that option. The Cyber School has changed some requirements including on camera live streaming from participating students once a week, this will help increase accountability.

The new course catalog for students will be available soon. Lots of dual enrollment options.

We are working on our comprehensive plan now, this is due every 3 years. To aid in this we will be reaching out to parents.

There is a plan, which has been approved by Mr. Roskos, for the NHS to have a full thon event in the spring. The event will support cancer research.

Teacher Representative's Report:

Mrs. Diehl

Marking period 2 has started as well as winter sports.

We had a successful fall sports season: Field Hockey received a Sportsmanship award, the band took 2nd place in the state championship and the football team as well as many of our teachers made national news.
