

CORE VALUES IN THE AGE OF AI

1. COMMITTED

Dedicated to equity, ensuring AI tools never perpetuate bias or disadvantage any student group.

2. LEARNER-CENTERED

Customizing educational paths and learning experiences to support every unique student.

3. INNOVATIVE

Safely integrating cutting-edge technologies within classrooms and operational workflows.

4. NURTURING

Prioritizing educational equity, safety, inclusion, and the overall well-being of our school community.

5. TRANSPARENT

Providing open disclosure regarding how AI systems function and when they are used.
