

Middle School Supply List 2026-2027

Below you will find an essential list of supplies that are needed for all students. In July, families will receive course schedules and a required textbook list to order course-specific books and/or materials. Students will also be given specific instructions for supplies needed (beyond the basics listed below) in their classes during the first week of school.

PRS MS Basic Supply List:

- PRS Uniforms (see [MS Handbook \(25-26\)](#) for full description):
 - PRS Logo Shirts (all MS students will be given one spirit shirt at Orientation).
 - Solid Colored Bottoms (should not be frayed; should cover the buttocks fully).
 - PRS Outerwear - optional (students' sweatshirts should have a PRS logo)
 - PRS uniform items can be purchased on the [Believe In Signs](#) or Lands' End websites.
- PE Bag for PE uniform, shoes, and/or equipment
 - Backpacks are not to be brought into the locker room.
 - One PE uniform will be provided in the fall. Additional PE uniforms, PRS logo PE bags, and accessories can be purchased on the [Believe In Signs](#) or Lands' End websites. These are optional.
- Backpack
- Water Bottle with a name on it
- Headphones that connect to their computer (corded preferred)
- One 3" Three-Ring Binder
 - Paper (lined & graph)
 - Dividers without pockets
- Pens, pencils, a set of colored pencils, and a pencil case
- Calculator requirements are course-dependent.
 - Check the list of textbook requirements sent in July to see if there is a required model for your child's class.
- Laptop
 - ***Does not have to be a high-end MAC or other laptop. Many less expensive laptops will meet our needs. Please avoid Chromebooks or iPads because they do not support some of the platforms we use.*
 - Consider purchasing an extra charging cord just for use at school to avoid dead laptops during the school day. Add a piece of tape with a name on it.
 - Installing Google Chrome is required for the internet browser. This works best with the platforms we use at school.
- PRS will provide each student with a customized planner of our unique schedule and school year.
