Wells Fargo Bank Scholastic Cup

The Wells Fargo Scholastic Cup recognizes performance in the classroom as well as on the playing surface. Schools that finish at the top of their respective classifications in state athletic competition receive points, as do schools that finish at the top in team academic performance. Sportsmanship is also a factor, with substantial points deducted for ejections from contests. At the end of the year, the school with the most points in their classification will be awarded the prestigious **Scholastic Cup**!

Congratulations 2004-05 Champions!
