

Welcome from Ms Claydon, Head of Year 7

I am Ms Claydon, and I am delighted to be your Head of Year when you join us in Year 7 this September.

Moving to secondary school is an exciting new chapter in your life. It is a big change, and it is completely normal to feel both excited and a little nervous.

Please remember that and your tutor team and I are here to support you every step of the way as you settle into Slough and Eton School. Our aim is to ensure that every student feels safe, happy, and confident from the very beginning.

Year 7 is a fantastic opportunity to make new friends and meet lots of new people. You will also experience a huge range of subjects, taught by different teachers in different classrooms, with different groups of students (so plenty of opportunity to make new friends). We hope you will discover new interests and talents you may not have realised before. There will also be many opportunities to get involved in school life, both inside and outside the classroom, including clubs, sports, trips, and school events like the School Musical!

We are very proud of our school community and the welcoming environment we work hard to create. We cannot wait for you to become part of our community; I look forward to meeting you all and supporting you through a successful and enjoyable first year and through your time at Slough and Eton.
