Schoolwide Incentives for Completing Your Reading and Math Logs!!

Beanstack – Provided by the Burlington County Library System

*Accessible through mid/late August. Platforms will be unavailable after that date as they are prepped for the new school year.

**Read Fun Books!
Rate Your Books!**

**Log Your Reading
in Fun Challenges!**

Summer Reading Starts the Last Day of School!

Why Continue to Learn Over the Summer?

- Summer should not mean taking a break from learning, especially reading and math skills!
- Efforts should be made during the summer to help children sustain reading and math skills, practice reading and math skills, and read for enjoyment!
- Summer reading and math programs have been shown to be the most important factor in avoiding the decline in reading skills educators refer to as “Summer Slide”.
- Summer reading and practicing math skills can bridge the gap between the end of one school year and the beginning of the next.
- Many studies indicate that the best readers are those who read a lot.
- Summer reading and math skills will help to promote student learning in accordance with the New Jersey Student Learning Standards.

What Can Parents Do To Help?

- Read and discuss books with your child.
- Ask your child questions about the characters, setting, plot, and problem/solution for fiction books.
- Have your child share interesting facts for non-fiction books.
- Make real-life connections with the story whenever possible.
- Share and discuss everyday activities that include math, such as: cooking, measuring, geometrical shapes, sorting, adding, subtracting, multiplying, dividing, etc.
- Encourage your child to read additional books this summer and complete the Reading Log for prizes in September!
- Share real-life math problems with your child.
- Visit the Burlington County Library Website at <https://bcls.lib.nj.us/locations/8/> to stay up to date on news from the Pemberton Library. Additional student resources can be found at <https://bcls.lib.nj.us/resources-for-students/>

Pemberton Township Schools
Summer Enrichment (2026) Students Entering Grades K-5

Name: _____ Gr: _____

Dear Pemberton Families,

One of the true joys of summer is having extra time to enjoy stories together. Whether it's reading under a shady tree or sharing a bedtime book, we encourage you to find joy in reading whenever you can.

This summer's reading theme is *Unearth A Story*. We invite you to kick off your summer by exploring books that brighten your imagination and rock your world. To help get you started, we've included a variety of suggested reading experiences—but feel free to explore your own choices or visit the Pemberton Library for even more inspiration!

When school resumes in September, we'd love to hear about your reading adventures! Students who return their completed summer reading and math logs to their school by Thursday, September 17, 2026, will be celebrated for their accomplishments.

Have fun reading and practicing those math skills!!

Summer Math Log 2026

_____ 's 2026 Summer Math Log

As you work on Reflex Math, Frax Math and Redbird Math over the summer, complete the log below. Return the log to your classroom teacher by **Thursday, September 17th**. You will be acknowledged for your efforts.

You can access your accounts below by logging into your Clever Portal: <https://clever.com/in/pemberton>

Week	Reflex Math (for students entering grades 2-5)  Directions: Shade in 1 circle for each day that you earn a green light in Reflex Math.	Frax Math (for students entering grades 4-5)  Directions: Shade 1 star for each day you work in Frax.	Redbird Math  (for students entering grades 1-5) Directions: Shade in 1 bird for each day that you complete 15 minutes or more in Redbird Math.
6/21-6/27			
6/28-7/4			
7/5-7/11			
7/12-7/18			
7/19-7/25			
7/26-8/1			
8/2-8/8			
8/9-8/15			

- Reminders:**
- 1) Online programs will no longer be accessible starting in mid-August due to scheduled maintenance.
 - 2) If you complete Reflex or Frax, the system will not automatically switch to the next module. If that occurs, please continue practicing the fluency or fraction games.
 - 3) If you forget how to access your Clever Portal at home, scan the QR code for instructions:

Reading Buddies

PRACTICE READING AT THE LIBRARY

This program is designed for children entering preschool up to 3rd grade to encourage reading and build self-esteem while practicing to read with a volunteer for 15 minute reading sessions in the Children's area of the library.

Kids ages 10+ can be VOLUNTEER READERS and will be paired with a child in preschool to grade 3 to help them practice reading aloud or reading to them. Look for the Volunteer Reader Application to sign up!

**Mondays,
August 3, 10, 17 & 24
6-7 pm**

**Wednesdays,
August 5, 12, 19 & 26
3-4 pm**
