

MEMORIAL OPPORTUNITIES

Establishment of an Endowment

A wonderful way to create a legacy for a family member or friend is by establishing an endowed fund. The endowed fund may be used to establish a tuition assistance grant or it may also be used to benefit a particular program or department.

The creation of an endowment requires a minimum gift of \$25,000.

Annual or One-time Tuition Assistance Grant

A wonderful way to create a legacy for a family member or friend is by establishing an annual or one time tuition assistance grant in honor or memory of the person.

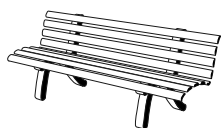

The minimum contribution required to create a named annual tuition assistance grant is \$2,500. There is no minimum requirement for a one-time grant.

Memorial Trees

Planting a tree to remember a loved one adds to the campus beauty while also memorializing a loved one or friend of Cathedral High School.

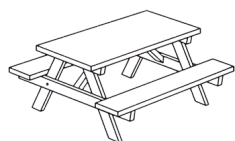

Cathedral will work with you to establish an appropriate location and tree to honor or memorialize someone. In addition to the tree, a bronze plaque will mark the location with a special message. A charitable contribution of \$1,250 allows the school to acquire the tree and the brass marker plaque.

Memorial Benches

A permanent bench provides a functional option that offers an enduring way and enhances the beauty of the Cathedral High School campus. Benches have proved very popular locations for students to study while providing an opportunity for students to immerse themselves in the campus.

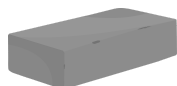

A charitable contribution of \$2,500 covers the expense of the bench and the engraving of a special message.

Memorial Picnic Tables

A picnic table on the campus of Cathedral High School is a perfect way to remember a loved one. A picnic table will serve as a gathering spot for our community to share a meal, further their studies, as well as enjoy each other in fellowship.

A charitable contribution of \$500 covers the expense of the picnic table and the engraving of a special message.

Memorial Brick

Have the name of a friend or loved one added to our brick patio. A charitable contribution of \$500 allows a brick to be inscribed. Each brick can include the individual's full name and class year.
