

Roanoke Chowan Community Health Center

School -Based Health Center

Dear Parents and Guardians,

Welcome to RCCHC School-Based Health Center (SBHC) at Hertford County Public Schools! We are excited to partner with you to support the health and well-being of your child throughout the school year.

Our SBHC is a convenient way for students to receive high-quality healthcare, right at school. This helps reduce missed school days, limits time away from work for parents, and ensures your child can quickly return to the classroom feeling their best.

Please know that enrolling your child in the SBHC **does not replace your child's primary care provider**. Instead, we work alongside your child's doctor to provide care when your child is at school and needs timely attention.

What We Offer

Our team provides a wide range of services for students in grades K-12, including:

Medical Services

- Sports physicals
- Sick visits and treatment for acute illnesses
- Basic laboratory services
- In-house pharmacy services
- Immunizations

Nutrition Services (Telehealth)

- Virtual counseling with a registered dietitian
- Support for healthy eating habits and nutrition goals

Dental Services

- Dental cleanings
- X-rays
- Sealants to help prevent cavities

Behavioral Health Services

- Mental health assessments

- Individual counseling services
- Coping skills and interventions to support emotional well-being
- Substance use prevention education

Why Choose SBHC?

- Care is provided during the school day—no need to miss class or work
- Quick access to healthcare when your child needs it
- Focus on keeping students healthy, in school, and ready to learn

Getting Started

- Enrolling is simple. Once your child is enrolled, they can access services as needed during the school day. We will always keep you informed about your child's care and involve you in important decisions.

We are honored to serve your family and support your child's success both in the classroom and beyond. If you have any questions or would like to enroll your child, please contact your school or the SBHC team.

Thank you for trusting us with your child's care.

Sincerely,
School-Based Health Center Team
