

World Language Summer Enrichment

Spanish 2

Below is a list of websites that offer instant feedback and correction/explanation on a variety of topics appropriate for **students who have completed Spanish 2** to avoid a lapse in acquisition during the summer. You should also be comfortable with *all* Spanish 1 material. It is highly recommended that students complete the work in preparation for a review assessment within the first week of their new level.

- [Conjuguemos.com](https://www.conjuguemos.com)
Practice any conjugations and get instant feedback.
- [Vocabulary](#)
Extensive list of common vocabulary words.
- [Explanations of Grammar](#)
