1. 5:00 Softball Coaches Meeting – Jeff Conn & James Pyne

This season's team finished in second place with the West Pac Championship game 7-8. Coach Conn and Coach Pyne stated that they thought the season went well and that the team improved. There are 12 players signed up for next season. Both Coaches plan on returning next season. Equipment needed for next season will be softballs and one bat. The Coaches stated that the field needs work and could use a nail drag. The baseline is off and the back and infield have rolls. The dug outs need to be painted and need gravel, limestone or cement floors.

2. 5:15 Baseball Coaches Meeting – Melanie Ryan & Eric Swank

Coach Ryan said it was a frustrating season due to no shows and games being forfeited. The team lost the leadership of four key seniors. There were attendance issues with two players. Coach Ryan said the young players are doing great. Pitching was good and is getting better. The Coaches stated that 22 games were too much. Eighteen would be ideal. Equipment needed for next season is a new catcher's mitt and baseballs. Coach Ryan said she saw a book that would be useful that explains where players should move and when during the game. There are 15 players signed up for the next season.

3. 2026 Athletic Handbooks Discussion

Discussion was held regarding the minimum number of players required for each sport to qualify as a team with a paid Coach and transportation. It was requested that Jr. High be added to the handbook. A recommendation was made to increase the Varsity coaching requirements to include being at least 4 years post-graduation to be eligible to coach. Existing Coaches would be grandfathered in and eligible. It was requested to add that fundraising must be submitted when requested in May and that this statement should be highlighted in the handbook so it is not overlooked.

4. 2026 Coaching Positions Discussion

Open coaching positions are Jr. High Volleyball, Assistant Volleyball, Jr. High Girls' Basketball, Assistant Girls' Basketball, Jr. High Boys' Basketball, Assistant Boys' Basketball. An ad will be placed requesting letters of interest about the positions.

5. Other Discussion

Rifle and Cross Country had no interested students. The rifles have been stored for some time and need to be checked and the required maintenance done. Discussion was held regarding the possibility of TVASD playing Rockwood. It will be added to the Board agenda for further discussion. A suggestion was made regarding soliciting sponsors who might be interested in having their names placed on the school uniforms. The need for a clock keeper for all sports held in the gym was mentioned and it was suggested that the position be advertised internally.

Meeting adjourned at 6:45 p.m.
