Attendance cycles coincide with Discipline cycles. After the 'Reports Due' date each cycle will be locked for Attendance and Discipline entries. Any changes that need to be made in closed cycles will need to be emailed to Suzanne Hartmann at Central Office. This will help ensure prompt Attendance and Discipline coding and reduce regenerating cycle Attendance reports to document/verify ADA and PEIMS data. All reports should be **saved in the PEIMS TEAM drive.**

****** 2.3.4 Reconciliation of Teacher's Roster Information and Attendance Accounting Records end of the **first and fourth six-week** reporting periods.
