Student-Parent Handbook 2026-2027

Academic Grading Policy

The following grading system and accompanying guidelines, rules and regulations have been developed to meet the needs of grading consistency throughout the school district and individual instructor freedom assigning marks.

Meaning of Marks 4-1

- 4 Deep Understanding
- 3 Standard Met
- 2 Partial Understanding
- 1 Limited Understanding

Citizenship Mark

The citizenship mark is determined by a student's citizenship, study skills, and effort. Factors considered include behavior towards staff and students, promptness to classes, and class participation. Marks for citizenship, study skills, and effort shall be reported as follows:

- O Outstanding
- S Satisfactory
- N Needs Improvement
- U Unsatisfactory

Activities and Eligibility

Student participation in events beyond the normal school day is considered a privilege. Not all students will be allowed to participate, and those students disregarding the appropriate behavior policies will be excluded. Students may be excluded from activities for any of the following reasons:

- Poor citizenship marks
- Failing grades on last grade report
- Excessive discipline
- Poor attendance

Attendance

Every absence from school must be cleared, whether it is excused or not excused. Absences must be cleared within 5 days. (AR 5113) The law defines an excused absence as illness, quarantine by health officials, medical appointment, dental appointment, optometry appointment, chiropractic appointment, mental health, court appearance for the child, or attendance at a funeral for an immediate family member. Absences must be cleared in one of the following three ways: a) Provide a written note signed by a parent/guardian explaining absence, b) Parent/guardian may call or email the attendance clerk, or c) respond via ParentSquare to the absence notification.

Chronic Absences and Truancy

- Chronic absentee means a student who is absent for any reason 10 percent or more of the school days in the school year, when the total number of days the student is absent is divided by the total number of days the student is enrolled.
- Truant means a student who is absent from school without a valid excuse three full days in one school year, or tardy or absent for more than any 30-minute period during the school day without a valid excuse on three occasions in one school year, or any combination thereof.
- California Education Code allows that an attendance supervisor, a peace officer, a school administrator, or any probation officer may arrest or assume temporary custody of a minor if found away from home and absent from school without a valid excuse. At the third truancy in the same school year, the pupil will be classified as a habitual truant and the pupil is referred to and required to attend a SARB meeting. Upon the fourth truancy, the student may be referred to the jurisdiction of the juvenile court.

ARRIVAL AT SCHOOL- Parents/Guardians should have ample time to get to school but not extra time to loiter.

AFTER SCHOOL - Only students enrolled in an after-school program (ELOP) or attending a school-sponsored event are allowed on campus after regular school hours. No other students should remain on campus.

Balloons on Campus

Balloons and other celebratory items, such as flowers, are not allowed on campus. These items can trigger allergic reactions and can be a distraction from the learning environment. This specifically includes latex balloons which can cause a significant allergic reaction upon contact.

Bicycles/Skateboards/Scooters (including electric conveyances)

Bicycle racks are provided on the school grounds, but students must provide their own locks. The bicycle rack area is OUT OF BOUNDS during school hours. Students must not loiter in the rack area before or after school. Bicycles, skateboards, scooters, etc., are not to be ridden on campus. Students must wear helmets, as required by law.

- Electric Bikes and Electric Scooters. If a student is not legally permitted to use an electric bike or electric scooter, they may not use it for transportation to/from school. It is a parent/guardian's responsibility to know and understand local ordinances and laws.
- Students will be required to complete a safety course prior to riding electric conveyances to and from campus.

Bus Regulations

Bus transportation is considered a privilege. Students riding school buses are expected to arrive at their stops ready for boarding 5 minutes prior to scheduled pick up and will observe all school, district and safety rules on the bus and at the bus stop. Failure to comply with the rules and regulations for bus riders in the district shall be sufficient reason for a student to be denied transportation and subject to school discipline. A copy of the bus safety rules will be available for all riders. District buses may be fitted with cameras and, if so, are recording on a continuous basis while the buses are in operation. This is to ensure student and driver safety.

Celebrations

Birthday and other celebrations will be allowed per teacher discretion. Celebrations will generally be limited to the last 15 minutes of the school day. The teacher must be given a minimum of a 24-hour advance notice. **Food, candy,**

or drinks may not be included as a part of a celebration, including cupcakes, treat bags, etc. Parents will be permitted to bring in non-food favors/gift bags, books games, etc., instead. Or, books, PE equipment, or games can also be donated to the classroom in the student's honor.

Teachers may hold special celebrations or activities involving food items in classrooms. Those events require detailed permission slips being sent home prior with parent signature for consent. The student will not be allowed to participate if we do not have a signed permission slip prior to the event.

Closed Campus

All Lake Elsinore Unified School District schools have a CLOSED CAMPUS policy. Students must remain at school once they arrive on campus in the morning until they are dismissed at the end of the school day. Students who leave campus without permission shall be classified as truant and will be subject to appropriate discipline.

Communication

Your child's teacher will communicate with you on a regular basis. Many use programs such as SeeSaw, Class Dojo, or ParentSquare. If you have any questions or concerns regarding your child's academics or social interactions, the first person to contact is your child's teacher. You are always welcome to contact the school principal if you feel a concern has not been addressed. There is also a school and district-maintained website which can be found at www.leusd.k12.ca.us

Mobile Communication Devices (Cell Phones & All Electronic Devices)

- Students shall not use smartphones or other mobile communication devices while at a school site unless under the supervision and control of a district employee.
- The district will not be responsible or liable for a student's mobile communication device which is brought on campus or to a school activity and is lost, stolen, or damaged.

Wearable and Recording-Capable Devices

- Students shall not wear any personal electronic device capable of audio recording, video recording, photography, monitoring, or transmission while present in any instructional setting or privacy-sensitive area, unless expressly authorized by a school employee for a legitimate school purpose or otherwise permitted by law.
- For purposes of this policy, instructional settings include any classroom, library instructional area, testing environment, assembly for instruction, or other location where students are engaged in teacher-directed learning or academic assessment. Privacy-sensitive areas include restrooms, locker rooms, dressing areas, health offices, counseling offices when confidential communications are occurring, and any other location in which a person reasonably expects privacy.
- Students also shall not activate, use, or access the audio, video, photographic, monitoring, or transmission functions of any such device at any time on campus or at a school-sponsored activity in a manner that infringes on the privacy rights of any other person, disrupts instruction, compromises test security, or interferes with school operations.
- The district will not be responsible or liable for a student's mobile communication device which is brought on campus or to a school activity and is lost, stolen, or damaged.

Detention of Students

With parental notification, 24-hours beforehand, educators or administrators may require students to stay in their classrooms or the administrative office during a before or after school session. These detentions serve various purposes such as completing assignments, catching up on missed work, addressing habitual tardiness, and managing disciplinary issues.

Disaster/Emergency

Following a natural disaster/emergency, all students will remain at school until they are checked out by the parent, guardian, or someone on their emergency card. Students are to follow the instructions of the adults on campus. An emergency check-out process will be followed, requiring all adults checking-out a student to have an ID and said adult must be listed on the student's emergency list. LOOK TO PARENT SQUARE FOR DIRECTIONS.

Discipline

Students who display inappropriate behavior may be subject to suspension as outlined in the California State Education Code 48900 and 48915. A student may be suspended or expelled for acts which are related to school activity or attendance while on the school grounds, while going to or coming from school, during the lunch period whether on or off campus, and during or while going to or coming from a school sponsored activity.

Grounds For Suspension and Expulsion-(Education Code 48900)

All dress code violations will be enforced by site administration.

Drugs and Alcohol

Students using, being in possession of, or under the influence of alcohol, drugs, or controlled substances (including over the counter medications) will be subject to suspension, and law enforcement will be notified. Students who furnish alcohol, drugs, or controlled substances will be subject to immediate suspension, contact with law enforcement, and may be recommended for expulsion. Students who sell a controlled substance will be immediately suspended from school, have contact with law enforcement, and will be recommended for expulsion. (EC 48915) In addition, such students may be referred to a counseling program, transferred to an alternative placement, and/or be restricted from extracurricular activities, including athletics.

Emergency Contacts

If emergency contact information changes at any time during the year, it is imperative that the office be notified. The more complete the contact information (including family and neighbors) the more likely we can reach someone, in the event of an emergency, if you are unable to be contacted.

Fragrance Free

The RRE office is a fragrance-free zone. If you are wearing fragrance and need office assistance, please call (951) 253-7650 and an office staff member will meet you outside the front office to assist you. We have numerous students/staff members with allergies/health issues and highly encourage all school visitors, including classroom volunteers, to refrain from wearing fragrance as it may trigger a person's medical condition.

Gum

All LEUSD schools have a "No Gum" policy. Students who choose to bring and/or chew gum at school will be assigned a consequence and/or discipline.

Health Services

Students must have a pass from their teacher or campus supervisor before going to the Health Office unless an emergency occurs at which time the Health Office needs to be notified by phone or radio. Students are welcome to discuss health problems with the nurse or health clerk. The nurse or health clerk will administer first aid; if a student needs further treatment or care, and the student requires transportation home or to a doctor, an identified emergency contact person will be notified by, or under the supervision of, school personnel. Parents are required to provide the school with emergency information and to notify the school should name, address, and telephone number change.

Independent Study Contracts

If it is absolutely necessary for parents to keep their children out of school for five or more days an Independent Study Contract must be completed. See the Attendance Clerk to obtain the contract at least one week prior to the absence so the teacher has ample time to prepare assignments for the student. The contract will provide lessons to complete while that student is away from school, so that he/she will not fall behind in class work. The contract will

be given to the student and is to be returned with the completed work, to the teacher, upon return to school. Failure to complete/return work will result in absences becoming designated as unexcused absences or trancies.

Library

Students are encouraged to use the school library. The library is available for study, research, and checking out books. Families will be charged for lost or damaged books.

Lost and Found

Every year, students leave valuable articles of clothing, lunch boxes, water bottles, and backpacks at school. Please put your child's first and last name on all personal articles with permanent ink markers. Parents/guardians as well as students, are encouraged to check the lost and found area several times during the course of the year. Unclaimed items are donated to charities every two months.

Mandated Reporter

All school personnel are mandated reporters. This means that they must report suspected instances of child abuse or they will lose their authorization to work with children. While it is a staff member's duty to report, it is the job of the Department of Public Social Services to investigate. We do not investigate. Staff members who file reports are not required to notify administration.

Medication

Students are not to have any medication in their possession, including both prescription and over-the-counter (OTC) medication. If it is necessary for a student to take medication during school hours, obtain the proper forms in the Health Office and have them completed by parents/guardians and physician. The forms are to be returned to the nurse or health clerk with the medicine in the prescription bottle. Medicine will be administered according to the physician's directions in the Health Office.

Messages to Students

In order to ensure quality instruction, classrooms will not be contacted for the purpose of relaying messages or delivering items. In the event of an emergency arising during the day, office staff will make the exception to interrupt the classroom. Please be sure to plan and communicate your plans to your child before s/he goes to school. This includes where you are picking them up after school or who is picking them up.

Non-Discrimination

Lake Elsinore Unified is committed to making schools free from unlawful discrimination and providing equal opportunities for all individuals in education. The district prohibits discriminatory practices whose purpose or effect has a negative impact on the student's academic performance, or of creating an intimidating, hostile or offensive educational environment. The district promotes programs that ensure that discriminatory practices are eliminated in all district activities. Any student who engages in discrimination of another student or anyone from the district may be subject to disciplinary action up to and including expulsion. Any employee who permits or engages in discrimination may be subject to disciplinary action up to and including dismissal. Any student or parent/guardian who believes that discrimination has occurred should immediately contact the principal for resolution at the site.

Nutritional Snacks/Food

Students are encouraged to bring a snack that will help sustain them between breakfast and lunch. We ask that these snacks be nutritional in nature, like fruits, vegetables, cheese, or nuts. In order to avoid health/allergy concerns, no food items will be permitted to share with other students or classmates. Please talk to your child's teacher and/or office staff if you have any questions.

Parent Notification

It is important that parents receive information regarding school activities; therefore, it is the students' responsibility to take all bulletins and notices home to parents. The school web page, school newsletter, and Parent Square (a school communication system) all communicate pertinent information regarding school functions. Parents need to notify the school immediately of any change in address and/or phone number.

P.E.

Students need to wear appropriate clothing and footwear (such as tennis shoes) during P.E. Students participate in P.E. daily with their teachers and on Fridays with the district P.E. Team. If your child wears sandals to school, s/he must bring appropriate footwear to change into for P.E.

Personal Property

Personal property is brought at your own risk. The school and school district are not responsible in the event of loss, theft, or damage of any personal property. Students are encouraged to report any loss, theft, or damage of personal property to the administration office. School administration may investigate the theft, loss, or damage of personal property if reasonably able to do so.

PTA

PTA is a great organization of parents and teachers who work to provide special programs for students and implement exciting activities and events. These events are successful because parents have volunteered their time to make school activities fun for students and their families. Join the PTA! You will meet your neighbors and get to know the teachers. Your help is needed to make the year successful!

Report Cards

Report cards are issued twice per year, at the end of each semester. At Risk Notices and Progress reports will also be sent two times during the semester, notifying the parents of students that are achieving below grade level. Should your child receive an at-risk notice or an unsatisfactory progress report, you should contact the teacher to establish specific objectives to help improve your child's academic achievement in the classroom.

Restrooms

It is encouraged that restrooms be used during lunch and recess, or before and after school. Restrooms are not to be used for changing clothes or visiting with friends. Food and/or drink are not permitted in the restrooms.

Safe Route to School

Parents of children who walk or ride their bikes or scooters to school are required to wear helmets. Students may not take shortcuts through private property. All students are expected to follow good citizenship standards and obey the laws to and from school. Parents, please review safe routes with your child/ren prior to the start of the school year.

School Resource Officer

Deputies from the Riverside Sheriff's Office are assigned to assist all schools. Deputies may assist in a wide variety of functions including, but not limited to, classroom presentations, traffic control, training/prevention, discipline, supervision, and the investigation of any criminal activity on campus.

Search and Seizure

School officials may search individual students, their property, backpacks, and lockers when there is a reasonable suspicion that the search will uncover evidence that the student is violating the law or the rules of the district/school. Any items contained in a backpack, or on their person, shall be considered the property of the student. The Parent/Guardian will be notified of all searches. The school district does contract with canine detection services to help keep our campuses safe.

Selling Food/Merchandise

The only individuals who will be allowed to sell anything on campus will be Food Services and school organizations that follow the process as outlined by the school ASB. There should be no selling of any items during regular school hours without prior approval. These items will be confiscated and may not be returned. In addition, the student may also face disciplinary consequences.

Sexual Harassment

STUDENT SEXUAL HARASSMENT POLICY Lake Elsinore Unified is committed to making the schools free from sexual harassment. This means that the district prohibits harassment made by someone from or in the educational setting. Sexual harassment can be such actions as unwelcome sexual advances; requests for sexual favors; or verbal, visual, or physical conduct of a sexual nature made by someone from or in the educational setting. The district prohibits conduct that has the purpose or effect of having a negative impact on the student's academic performance, or of creating an intimidating, hostile, or offensive educational environment. The district further prohibits sexual harassment in which a student's grades, benefits, services, honors, program or activities are dependent on submission to such conduct. Board Policy 5145.7

Smoking/Tobacco/Vapes/Lighters/Matches

No form of tobacco is allowed anywhere at school. Any student in possession of, or using, any form of tobacco and/or lighters or matches is subject to consequences, up to and including home suspension.

- **VAPING DEVICES AND ELECTRONIC NICOTINE DELIVERY SYSTEM (ENDS)** The possession or use of any Vaping device or Electronic Nicotine Delivery System (ENDS) or any other device intended to promote use of a vaporized smokeless behavior is prohibited just the same as any tobacco item or device. LEUSD does not in any way promote smoking. Students who violate this rule may be subject to consequences up to and including home suspension and expulsion.

Social Media

LEUSD schools maintain social media platforms to support student learning and to enhance communication between parents/guardians, staff, students and other community members. While we encourage comments and input on district social media platforms, comments that use offensive or vulgar language, share private information, advocate illegal acts, or violate Board policy will be removed. Responsible use of social media by students is expected.

Here are some important guidelines and information regarding use of social media for students:

- **Making Threats:** Threatening a person or group of people in any situation is serious. Posting or forwarding an anonymous, empty threat will raise red flags that both school officials and law enforcement will investigate. Cyber threats can result in serious student discipline as well as action by law enforcement. If you see a threatening post, take a screenshot and report it to school administration or a law enforcement official immediately.
- **Cyberbullying:** Cyberbullying takes many forms and can harm others. This includes offensive text messages, emails, posting rumors or slurs, and circulating embarrassing photos of a classmate online. Cyberbullying can result in serious disciplinary consequences. If you or someone you know is a victim of cyber bullying, please report it to school officials immediately.

Things to Remember:

- There is no such thing as true anonymity. Assume that everything you post is permanent. Even if you delete your account, others can easily print photos or text messages, images, etc.
- Be respectful of others. Don't spread rumors or publish confidential information.
- Think before you post. Offensive, racial or defamatory comments and personal insults may hurt others and disrupt the school learning environment.
- Know who is on your social media network. Be careful about accepting "random" friends.
- Always take PRIDE in being an LEUSD student.

Student Recognition and S.O.A.R

RRE offers a variety of meaningful motivating rewards and recognition programs. Student accomplishment in the areas of academic achievement, effort, citizenship, leadership, and attendance are recognized through Monday Flag Assemblies and grade level assemblies. Teachers also reinforce appropriate behavior through praise and other forms of positive recognition in the classroom. Recognition for good behavior and citizenship is given on a regular basis. S.O.A.R. is our schoolwide expectations acronym that stands for:

- **S**- Be Safe
- **O**- Be Organized
- **A**- Have a Positive Attitude
- **R**- Be Respectful

We utilize S.O.A.R. awards and S.O.A.R. dollars to be used at the S.O.A.R. student store for a variety of prizes.

Surveillance Cameras

In an on-going effort to improve the supervision of students on our campus and to provide a safe and secure campus, the school may use video cameras to monitor and supervise open/public areas of the campus. Signs posted on campus serve as a reminder that cameras may be used to supplement campus supervision.

Telephones

School phones are used by teachers and staff members for school business. Students may use school phones only when provided with prior staff permission and when they are supervised by a teacher or other adult employee.

Textbooks and Equipment

The school furnishes books and equipment for students. Loss of or damage to textbooks, library books, classroom books, school devices, or equipment will result in fines.

Visitors and Visitor Management System

LEUSD utilizes a digital visitor management system (VERKADA) which requires visitors entering any campus to scan their ID before entering. During regular school hours, visitors will be requested to present a form of identification (Drivers License, Military ID, State ID, or district issued badge). The digital visitor management system will issue a temporary visitor badge for those without a volunteer A or B badge or employee badge. This badge is to be worn in a visible location at all times. Students should be friendly and courteous to all adults, including visitors who may be touring the school. Students are not allowed to bring relatives or friends, other than guardians, on campus for visitations during the school day. Any parent/adult visitor to our campus must report first to the front office to receive a visitor badge. Parents are encouraged to visit the campus. A 24-hour notice is required if a parent wishes to sit in on classroom instruction.
