ACKNOWLEDGEMENT

Saturday was just another day for Earl Huskamp. Like any average 12 year-old, he probably got up late, watched a few cartoons, looked over his homework he didn't want to do, and saved his brother's life.

"I was in my room when Mom hollered for me to get the neighbors," Earl said. "She said Brett went into convulsions."

"Mom said that he stopped breathing, so I gave him artificial respiration." Earl's 2 year-old brother Brett is in the hospital now and "doing just fine," according to Marilyn Huskamp, the boy's mother.

Only a day after the near tragedy, Brett was calm as he talked about the incident, now more interested in television than life-saving.

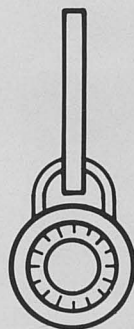

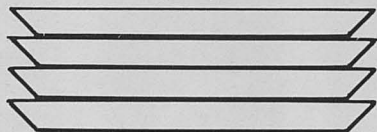

"She said he stopped breathing," he said. "I just went over to the sofa, held his nose, breathed into his mouth and he started to breathe again."

The Robidoux Middle School seventh grader attributes his life saving skills to first aid procedures he learned in the Boy Scouts three years ago, and the training he received as a junior deputy while enrolled at Humboldt School last spring.

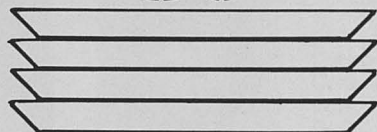

The Buchanan County Junior Deputy program, sponsored by the Sheriff's office, provides training and special education for all students in the sixth grade.

The seventh grader was honored at a special assembly on January 25, 1980, and presented with several awards by the Sheriff's Department, the mayor's office and other distinguished persons. Robidoux is proud of Earl!
