RIGHT TRACK

has child development consultants ready to work with you.

Our consultants will meet with you in the privacy of your home and can provide:

- Developmental screenings
- Information on child growth and development
- Ideas on supporting your child's development
- Information on various childhood concerns, including sleep, nutrition, toileting and challenging behaviors
- Information and referrals to local, state and national organizations

DN #259 (Rev 5-2025)

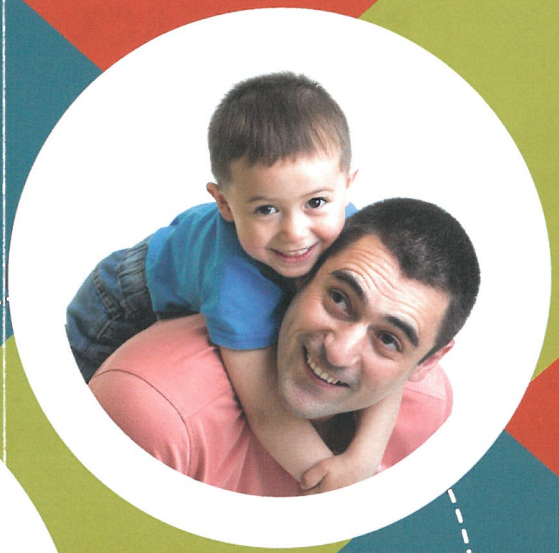

EVERY PARENT

WANTS TO START THEIR CHILD ON THE...

RightTrack

NORTH DAKOTA

A **FREE** developmental screening and follow-along program for you and your child, birth to three years of age.

Children experience the ***greatest*** amount of growth and development in their first three years of life.

NORTH Dakota | Health & Human Services
Be Legendary.

1237 W Divide Ave, Suite 1A
Bismarck, ND 58501

Provided by the North Dakota Department of Health & Human Services with funding through the Federal Individuals with Disabilities Act, Part C for Infants and Toddlers.

RIGHT TRACK

wants every child to have the best possible start in their physical, cognitive, communication, and social emotional growth. **That's why we support parents as their child's first, and most important teacher.**
