Parking Regulations & Application

Permit Placement

Your student parking permit must be permanently affixed to the lower left-hand corner (driver's side) of the windshield. Remove the protective cover on the back and adhere to the inside of your windshield. Temporary application with tape etc. is not allowed.

Alternate Vehicle

If you drive an alternate vehicle, please leave a note on the dash or taped to the windshield, with 1) Your name, 2) Your Grade, and 3) Permit Number. All alternate vehicles must be registered.

Replacement Permits

If you replace your primary vehicle or the windshield is replaced, you may receive a replacement permit at no cost if you remove the original permit and turn it in. We will not replace lost permits.

Senior Parking (Juniors, please read as well)

We have a **senior-only** parking area (the first 4 rows after staff parking in front of the north building). Seniors may park in any unmarked stall (no parking in visitor, staff, theater, etc.). Juniors may **not** park in the senior area along with aforementioned areas.

Lake Washington School District Parking Policy

By issuance of this permit, the Lake Washington School District does not assume liability for any property damage to any private automobile parked on its property. The owner-operator (s) of all private vehicles accepts responsibility for their own property and agrees that they are parking at their own risk.

Lake Washington High School Parking Policy

- A student parking permit allows a student to park in the lot but does not guarantee a parking spot.
- All vehicles permitted to park on campus must be registered and have the permit properly affixed to the lower left (driver's) side of the windshield. If you get a new vehicle, please provide the vehicle information to safety personnel or the front office.
- If you drive an alternate vehicle, you must display a note with your last name, grade, and permit number on the driver's side dashboard.
- Only one permit per household due to limited parking.
- We will have senior and non-senior permits. Seniors can park anywhere in the student lot and there will be a "senior only" section; juniors are not allowed to park in that section.
- Students may not sell or transfer their permit to other students, including siblings.
- All vehicles parked on LWHS campus are subject to search if there are reasonable grounds to believe school policies are violated.
- Any fraudulent activity regarding parking permits is subject to disciplinary action in addition to the fine.

PARKING FINES

The parking fine is \$50. The following will result in a parking fine:

- Parking in restricted spaces (staff, visitor, fire lanes, bus lanes, ADA without a valid placard, on the grass, non-senior parking in the designated senior area, etc.).

- Parking without authorization- not registering a car with the school or proper identification via permit or note with name and permit number.
- Failure to follow safe driving procedures- speeding, racing, improper passing, driving over curbs etc. and any other behaviors deemed to be unsafe or against the rules in our parking policy.
- Permit not placed on windshield or in the requested location.

Please note that multiple infractions may lead to loss of permit privilege and non-refundable. Repeat violators may also be towed at the owner's expense.
