Information for Visiting Teams AMS Athletics

Athletic Training Room Location
Welcome to Andrews Middle School! The Athletic Training room is located behind the cafeteria, between the New/8th grade gym and the Old/7th grade gym, next to the Concession Stand.

Services Provided
A certified and/or licensed Athletic Trainer will be at all home events excluding golf and tennis; the Athletic Trainer will be on call for those two sports. Home football and soccer games are played at Andrews High School: 8th grade football in the Stadium, 7th grade football and all soccer on the upper field. Cross Country meets are held at the Andrews Golf Course. Swim meets are at the AHS pool in the Performance Center.

If your team is traveling with an Athletic Training student, please have them identify themselves to the home Athletic Trainer. In event of an injury to a visiting athlete, the Andrews Athletic Trainer will go out on the field. The Andrews Athletic Trainer will evaluate and advise the coaching staff, if they so desire, otherwise the Andrews Athletic Trainer will act as a liaison for the visiting team. Permian Regional Medical Center, located at 720 Hospital Dr., is not far away via Mustang Dr.

Ice is available through the Andrews Athletic Trainer. An AED, splints and crutches will also be available at home events. Taping is available for visiting teams.
