MISSION

The mission of Santa Clara Christian School is to partner with parents to encourage and inspire a love for learning and a heart for service in our students by providing a biblically Christian environment that fosters academic excellence.

SCCS STUDENTS BECOME…

- Socially-confident and caring
- Creative thinkers with a broad academic foundation
- Christ-like in character
- Service minded

PHILOSOPHY

Santa Clara Christian School provides a quality classic education in a dynamic, Christian environment. We believe our role as a school is to partner with the family and church to help in the education of the whole child, socially, physically, emotionally, intellectually, and spiritually. We desire to encourage and inspire our students to lead lives of purpose, service, and leadership by establishing strong spiritual and academic roots.

As a Christian School, we provide a safe, loving environment serving as an extension of the educational training in the home and the church.

ACADEMIC PROGRAM

SCCS carefully chooses its curriculum from the best that the Christian and secular communities have to offer. In addition to our basic curriculum of Language Arts, Mathematics, Science, Social Studies and Bible, we offer Music/Drama, Art, Computer, and P.E.

FACULTY

Our teachers are carefully selected and qualified to teach. Having a sincere dedication to the Lord, teachers and staff have the highest moral standards and aspire to keep your child's best interests first at all times.

FACILITIES

SCCS is located in the heart of the Silicon Valley. We are conveniently located close to many of the largest companies in the high-tech industry.

TUITION

We know the education reflected in our vision and mission is priceless, but the cost of providing it is significant. SCCS desires to balance the cost of providing a high quality Christian education within the financial realities of the Silicon Valley. SCCS operates on the basis of gifts as well as tuition. Tuition goes toward educational materials, faculty and staff salaries, equipment, and operating expenses.

STANDARDIZED TEST SCORES

Grades 1st-5th take the Iowa Assessments. Our students consistently score one or more grade levels above the norm.

CLASS SIZE

Students are challenged and learn more with our low student/teacher ratio and small groups.

EXTENDED CARE PROGRAM

Our year-round Extended Care Program is provided at an additional cost from 7:00 A.M. - 6:00 P.M. for all enrolled students on a space-available basis.

CHAPEL

We offer a weekly chapel service for all students and staff. This lively time encourages spiritual growth and character development. Our Bible and chapel curriculum incorporates the Character First! program.

PRESCHOOL PROGRAM

In addition to our Elementary Program, we also provide a high quality Preschool Program for your students ages 2 and up. Please feel free to inquire about our program and rates in the school office.

NON-DISCRIMINATORY POLICY

SCCS admits students of any race, color, nationality or ethnic origin to all the rights privileges, programs, and activities generally accorded or made available to students at the school. It does not discriminate on the basis of race, color, nationality or ethnic origin in administration of its educational or admissions policies or other school administered programs.
