ABOUT ME

Hello Kindergarten families! I am so excited to be your teacher this year. We are going to have so much fun learning, playing, and growing together!

I loved school so much that I decided to go back to college a little later in life to become a teacher! I just finished my school days at Grand Valley, and this will be my very first year teaching my own classroom, although I have worked for Northview for years. I live with my husband, Brandon, and our two teenage boys, Jaxon and Ethan. Guess what? Jaxon and Ethan go to school right here in Northview, too!

When I am not at school, my family loves to be outside. We love to go fishing, spend time at our cottage, and go camping way up north in a beautiful place called Marquette.

I cannot wait to meet you, hear all about your summer, and start our wonderful Kindergarten adventure!
