

CLASS SYLLABUS

Mrs Cupp - Math 7 - Room 304

COURSE OVERVIEW

The focus of this course is to continue to build the foundation necessary for success in the study of algebra. The instruction will be rigorous and will allow students to gain a deeper understanding of the concepts and become fluent in the application, as well as make connections between the theoretical processes and real-world applications.

GRADING POLICY

Your grade will be based on the following categories:

- Participation: 10%
- Homework: 20%
- Quizzes: 30%
- Tests & Projects: 40%

LATE WORK POLICY

I am always for you. I also believe that it is important to master all of the content. For this reason, I will allow late work to be turned in as follows:

- 10% before the unit test
- 50% after the unit test

HOMEWORK

Homework will be assigned nightly to provide additional practice.

Answers should be checked on Google Classroom each night. Come to class prepared with questions.

Homework will be graded for accuracy. Students who score below 80% may complete a redo.

Homework must be completed following the homework format.

SUPPLIES

Book to Success

Math Binder

Pencil & Eraser

Colored pen

Highlighter

Gluestick

Scissors

CLASSROOM INTEGRITY

In this class, I expect everyone to always try their best. We are all here to learn, grow, and challenge ourselves. This is only possible when the work you turn in is truly yours. At our school, we follow the Medal of Honor core values, and integrity is a big part of that. Cheating in any form, such as copying someone else's work, letting someone copy yours, plagiarizing from the internet, or using AI tools without my permission will not be tolerated. These actions go against our values and take away from your own learning. If you're caught cheating, you'll receive a zero on the assignment. Let's keep our work honest and something we can all be proud of.

UNITS OF STUDY

Ratios

Rational Numbers

Geometry

Percents

Expressions

Probability

Integers

Equations

Statistics

CONTACT INFO

I am here for you! If you have questions or need extra support, feel free to reach out during class, after school, or via email. I encourage parents and guardians to contact me with any concerns or questions. Please allow 24 hours to receive a response.
