FOR IMMEDIATE RELEASE

Bentonville Schools to Host Inspirit AI Summer Camp
Camp Instructors Among Brightest in the World

Bentonville, Ark.—June 1, 2026—Bentonville Schools will host 120 students on the Ignite Professional Studies campus for the Inspirit AI Summer Camp. Sixth graders through senior high students will learn from the nation's brightest minds in artificial intelligence. Camp instructors are affiliated with Harvard University, Stanford University and Brown University. The camp is open to children from across Northwest Arkansas with students learning different AI models, the art of writing an effective prompt and real life AI applications.

Camp tuition is largely offset by the generous support of the Walton Family Foundation.

About Bentonville Schools

Established in 1841, Bentonville Schools is the premier public school system in Arkansas, serving more than 19,000 students in kindergarten through 12th grade. Twenty-four schools, spanning more than 143 miles across Northwest Arkansas, call the district home. Bentonville Schools is critically acclaimed for its academics, arts and athletics and is committed to excellence through innovative, inspiring learning experiences.
