Dear Darien Community,

As today is the last day of school, I wish you a wonderful summer. Thank you for your support and partnership over the course of a wonderful school year. A huge thank you to the faculty, staff and administration for all of their hard work in making the 2025-2026 a success!

Class of 2026
Don't miss your chance to relive the magic of graduation and celebrate the Class of 2026 as they look back on where it all began during their parade of graduates visiting all five elementary schools! Click here to share in these special moments for our graduating seniors and our elementary students.

The Darien Difference
The final issue of 26-27 The Darien Difference is here. See the Vision of the Graduate in action through the stories of our students and staff across the district! Missed an issue? You can also find all published issues posted on the school district website under News & Announcements.

Happy Father's Day to all the Dads out there!

Sincerely,
