***If cost has ever kept your child from attending summer camp, we can help.***

Through our in-house scholarship program, we have awarded more than **\$200,000 in tuition assistance** to families. There are **no applications, no paperwork, and no financial forms**. Simply tell us what you can afford, and we'll cover the rest. If you can't afford tuition at this time, we will underwrite **100% of the cost**.

This summer, children ages **5–9** can join our exciting new performing arts program featuring the music and magic of **Finding Nemo** and **Willy Wonka**. Campers will sing, dance, act, and build confidence while making new friends in a supportive and welcoming environment.
