

# Jefferson Township Schools: 4th and 5th Grade Summer Reading Assignments

# Why Read?

- Builds fluency and stamina
- Boosts confidence
- Exposes you to new vocabulary
- Allows you to explore character traits like bravery, persistence and grit
- Transports you to another world and lets your imagination come alive
- Prevents the dreaded “Summer Slide” so you are ready to **fly** in September

## When to Read?

- Find your favorite comfy spot
- Read or even listen to an audiobook
- 20 minutes is plenty; but a great book sucks you in and you forget the time
- Nice way to pass the time on a rainy day, winding down before bedtime, or even on long car rides

# Make it Fun

- Friendly competition with your siblings or friends of who can read the most books this summer
- Visit the Public Library
- Talk about the book with your family
- Try to use the new vocabulary words in conversations everyday
