2. Read it cover to cover before the first day of school.
3. Be ready: There will be a quiz on your chosen book during the first week of class!

Option 1: Not If I Save You First By Ally Carter

- The Vibe: Action-packed, witty, and freezing cold.
- Choose this book if: You love survival stories, fast-paced action, and witty banter.

Option 2: The Boys Who Challenged Hitler By Phillip Hoose

- The Vibe: Intense, inspiring, and historical.
- Choose this book if: You like true stories, history, and reading about real teens who changed the world.

Tips for Summer Reading Success:

- Don't wait until the last week of August. Reading a few pages a day is way easier than pulling an all-nighter before school starts.
- Jot down a few notes. Keeping track of the main characters and major plot twists will make preparing for the quiz a breeze!
