Galloway

Welcome to Galloway!

We are excited to welcome you into the community and introduce you to some very important people-the Galloway Summer Ambassadors. The role of the summer ambassador is to help ease your transition into the start of the school year.

Your ambassador will be available by phone, email or in person to answer any questions you might have from now until the beginning of the school year. They will also coordinate a few casual gatherings over the summer for new families and students to meet one another. Our goal is that on the first day of school, new friendships will already be formed!

Some of you may have already been contacted by your ambassador family. If not, please know that they will be reaching out to you in the coming weeks to let you know of any social gatherings being planned. If you have not yet heard from your ambassador and have immediate concerns that we can assist with, please contact one of us for information on getting connected.

This is going to be a fantastic year of learning at Galloway, and we are so excited to share it with you. We look forward to meeting everyone!

Beth Bikak: Early Learning Ambassador Chair (grades PK-4)
mom to Aida and Lila
