** Every first grader will receive an ESV children's Bible that can continue to be used each year in the Lower School. This version complements our current Bible curriculum and can be used daily in class. When all the first graders have the same Bible, it makes it easier for the teacher to reference specific verses because they are all on the same page and written in the same text. You will be charged \$15 (a discounted price) through your FACTS account for this nice "leather-bound" Bible.
