Dear Fourth Graders,

We hope you have a wonderful summer!

This summer, the fourth grade teachers are encouraging you to read books from a variety of genres and complete **Ms. Coupe's Summer Reading challenge!** We also encourage you to fill out Ms. Coupe's summer reading form when you finish a book. You can access Ms. Coupe's form by clicking on the Learning Commons tab on the NMS website: <https://nms.greenwickschools.org/>

In addition, we encourage all fourth graders to spend some time this summer reviewing your math facts for addition, subtraction, multiplication, and division. If you are looking for some math fun this summer, check out [Greg Tang's Summer Math Challenge](#) for rising 4th graders!

At the bottom of this letter, you will also find a list of school supplies we would like you to have on the first day of school. Please make sure you put your name on your headphones.

We look forward to seeing you on August 28, 2026 for a great first day of fourth grade!

Sincerely,
The 4th Grade Team
