Dear Parents and Carers,

Following discussions with school staff, conversations with a number of parents on the playground this morning, several emails expressing concerns, and careful consideration of the weather warning currently in place, we have taken the difficult decision to cancel the Year 4 trips to the Golden Hinde in London this week.

This has not been an easy decision. We know how much the children have been looking forward to the visit and we share in their disappointment. However, after reviewing the forecast temperatures, the travel arrangements and the potential impact of the extreme heat on both children and staff, we feel that cancelling the trip is the safest and most responsible course of action.

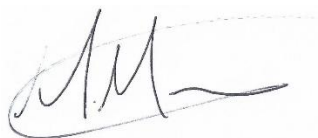

This morning, we spoke directly with the Golden Hinde to explore whether the visit could be rearranged for a later date. Unfortunately, they do not have any alternative dates available during this academic year.

We appreciate that this news will be disappointing for the children and thank you for your understanding and support. The safety and wellbeing of our pupils must always remain our priority.

We will begin processing full refunds as soon as possible and will provide further information should any action be required from parents.

Thank you for your continued support.

Yours sincerely,

Mr Morris
Headteacher
