**FREE and  
available to  
ALL students!**

The MAMS Learning Commons digital book collection (SORA) is available 24/7 on your smartphone, tablet, or computer. Please reach out to the Learning Commons if you have any questions.

Did you know that all citizens of Maine are eligible for a Maine State Library library card? You can easily get a digital-only library card to access e-books and audiobooks on CloudLibrary (choose option #1).
