

Superintendent's Report

June 2026

A timely update on district initiatives, celebrations, and priorities, serving as a bridge between daily operations and the broader vision for Avon Grove.

A Remarkable Year

As we close the 2025-26 school year, we celebrate the many accomplishments, milestones, and moments of pride that defined another successful year in Avon Grove. From academic excellence to innovative learning opportunities and strong partnerships, our students and staff continued to demonstrate what makes Avon Grove a community people are proud to be part of.

Academic Excellence

This year, Avon Grove students continued to excel in the classroom and beyond. We are especially proud to recognize three students who earned distinction as National Merit Scholarship finalists — a testament to their hard work, dedication, and academic achievement.

The Class of 2026 earned more than \$5.1 million in scholarships as they continue their education at post secondary institutions across the country, including Arizona State University, Cornell University, Harvard University, Princeton University, Temple University, University of Connecticut, University of Delaware, University of Pittsburgh and more.

Expanded Learning Opportunities

Avon Grove School District continues to expand its Dual Language Immersion (DLI) Program, building on its successful launch during the 2022–2023 school year and providing students with opportunities to become bilingual, biliterate, and culturally competent learners.

As one of only four programs of its kind in Pennsylvania, Avon Grove has become a leader in bilingual education, preparing future-ready graduates with valuable global communication skills and the opportunity to earn the Pennsylvania Seal of Biliteracy upon graduation.

Innovation and Opportunity

This year marked the official opening of our new 2,000-square-foot Makerspace Innovation Lab, creating exciting hands-on opportunities for students in STEM, design, engineering, and collaborative problem-solving.

We also expanded career-focused learning through a new co-op partnership with TCHS, providing students with valuable real-world experiences and pathways for future success.

Celebrating Milestones

One of the highlights of the year was celebrating the graduation of the very first class from our Early Learning Lab program. Watching our youngest learners take this important next step was a meaningful moment for our district community.

Building an Inclusive Community

Programs like Unified Sports and Best Buddies continued to foster inclusion, friendship, leadership, and belonging across our schools. These programs exemplify the caring and supportive culture that makes Avon Grove such a welcoming community for all students.

Thank You to Our Retirees

This year, Avon Grove School District proudly recognizes 16 retirees whose combined service to our students, schools, and community totals more than 392 years. From teachers and instructional aides to administrators and support staff, these dedicated individuals have made a lasting impact across the district through their commitment, leadership, and care for students.

Looking Toward the Future

Thank you to our students, staff, families, and community members for your continued support and partnership. Together, we have made this a year filled with achievement, innovation, and growth. We wish everyone a safe and restful summer and look forward to welcoming students back for another great year ahead.
