Board Agenda Item Cover Sheet

Date: June 18, 2026

Agenda Item Caption: Consideration and Possible Approval of a Bid Recommendation for STR Constructors to Complete Phase 2 of the Campus Modernization at Connally High School

Purpose of Agenda Item:

☐ Action Presentation ☑ Action Consent ☐ Information Presentation ☐ Closed Session

Administrative Recommendation: Move to approve the bid recommendation for STR Constructors to complete Phase 2 of the Campus Modernization, including restroom facilities upgrades, field house window installation, and Performing Arts Center hallway skylight installation, at Connally High School, as presented.

Background Information: This project addresses the need to upgrade student restroom facilities while also improving student traffic flow with an improved ability to provide adult supervision near the restrooms. The project will also maximize the use of natural lighting in designated spaces.

To address these needs, staff publicly advertised this project using the Competitive Sealed Proposal Process and received seven responses from firms interested in providing the necessary work.

STR Constructors submitted the highest rated and lowest overall price proposal, has a history of successfully completed work for Pflugerville ISD, and comes highly recommended. Therefore, staff recommends awarding STR the contract to complete renovation work at Connally High School this summer.

Fiscal Analysis: The contract allocates a maximum of $3,000,000 in total funding from the 2022 Bond Program. Any unused funds will be returned to the 2022 Bond Fund.
