Highlights

Windsor Elementary has been serving the community since August 1967. The school has a rich history of taking care of the whole child academically, socially, physically and emotionally. With the support of all stakeholders, Windsor has created an enriched learning environment where students are able to excel.

Grants

- 21st Century Community Learning Centers which provides tutoring and enrichment for 100 students in 2nd through 5th grade
- Recycling Education Grant
- All in Mentoring Support (A.I.M.S.) grant

Community of Learning Model

The purpose of the Community of Learning Model is to meet the academic and social needs of each student by providing a rich and rigorous learning environment. The goals of the Community of Learning Model are to promote an inclusive at- mosphere that fosters a sense of belonging and acceptance for all students, build learning communities of Pre-K through 5th grade students and teachers that focus on individual academic needs in the classroom, and develop compassion and leadership skills for ALL students.

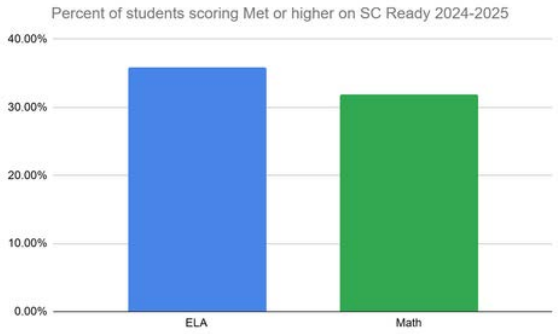

SIC Goals

Windsor's School Improvement Council works collaboratively to develop goals to support student learning, create community connections, and encourage parental involvement. Goals are developed annually to target these identified areas.

- Develop a plan to promote school improvement.
- Develop a plan to increase student and parent engagement.
- Provide ongoing support related to improving academic learning.
- Provide feedback on grading practices, parent engagement, and communication.

Goals for 2026-2027

Windsor Elementary is helping all students develop world class skills and life & career characteristics of the "Profile of the SC Graduate" by:

- Retaining and growing quality teachers and staff members.
- Continuing to implement strategies to develop more partnerships with parents and community members to engage them in a continuous cycle of improvement.
- Creating and developing more opportunities for student leadership.
- Continuing to strategically use data to inform instructional practice to positively impact student achievement in all content areas.
- Establishing a WES SIC Scholarship for a student who attended Windsor Elementary for at least two years and enrolled in a Richland Two High School and attending a college, university, or technical school in South Carolina.
